"August 15th is my own birthday and it is naturally gratifying to me that it should have assumed this vast significance. I take this coincidence, not as a fortuitous accident, but as the sanction and seal of the Divine Force that guides my steps on the work with which I began life, the beginning of its full fruition. Indeed, on this day I can watch almost all the

world-movements which I hoped to see fulfilled in my lifetime, though then they looked like impracticable dreams, arriving at fruition or on their way to achievement. In all these movements free India may well play a large part and take a leading position.".... Excerpted from Sri Aurobindo's speech aired through All India Radio on the night of Aug 14, 1947.

My School

Muthulakshmi, Std VIII

*School is often funny,
Some are like pieces of candy,*

*Some are nutty and some are tough,
Some are gritty and not sweet enough*

*Some are fancy and full of surprises,
Some are plain and in different sizes,*

*Some are with wrappers colored very
bright,
But the inside does not taste all right.*

*Some may see school as a torture
chamber,
Some cannot wait for the holiday in
December*

*But it depends on how we look at school
Honestly, Positively, school is cool!*

Do Your Best

Ayan Dasgupta, Std IA

Always DO YOUR BEST.
What you plant now,
you will harvest later.

Happiness

Aravind, Std IA

*Happiness, Happiness is making others
happy,*

*Happiness, Happiness is there for you
and me,*

*Happiness, Happiness, you cant buy
with money,*

*Happiness, Happiness can only be
received,*

Happiness, Happiness, It's free!!

*Do your Best, your very best,
And do it every day,
Little boys and little girls, That is the
wisest way,
Whatever work comes to your hand,
At home, or at your school
Do your best with right good will.
It is a golden rule.*

Quote of the Month

"Our actual enemy is not any force exterior to ourselves, but our own crying weaknesses, our cowardice, our selfishness, our hypocrisy, our purblind sentimentalism."
