Primrose Schools, ISO 9001:2008 certified

It is not for our family, it is not to secure a good position, it is not to earn money, it is not to obtain a diploma, that we study. We study to learn, to know, to understand the world, and for the sake of the joy that it gives us.

Prim Bulletin

It feels pleasing to meet you with another release of Prim Buddies.

The Month's plan was executed flawlessly. The learning never stopped. Adults and children equally.

It is for sure Primrose is blooming to her fullest infinite potential. She means endless growth. She asserts her right to be. She will. Till the end, for those who believe there is an end.

Lets talk about Self Reliance.

My dear children, learn to enrich your intelligence by concentrating on the task your teacher gives you. And, while you mount the steps of knowledge as best you can, learn also to help, when need arises, the friend who is less alert and skilful than yourself.

In fairy-tales, one has only to utter a word or rub a lamp or wave a wand for genies to appear and carry people through the air, build palaces in the twinkling of an eye and cause armies of elephants and horsemen to spring from the ground.

But personal effort brings about still greater marvels: it covers the soil with rich harvests, tames wild beasts, tunnels through mountains, erects dykes and bridges, builds cities, launches ships on the ocean and flying machines in the air; in short it gives more well-being and security to all.

By personal effort we becomes more noble, more just, more kind: this is the true progress.

With Mother in our hearts, self reliance is what can define us, mould us and stand by us like a tower of strength at all times.

*With Love and Hope,

**THAT ENVY IS IGNORANCE
IMITATION IS SUICIDE**

And truly it demands something godlike in her who has cast off the common motives of humanity, and has ventured to trust herself for a taskmaster.

GENUINE ACTION WILL EXPLAIN ITSELF, AND WILL EXPLAIN YOUR OTHER GENUINE ACTIONS. CONFORMITY EXPLAINS NOTHING.**

Nothing is at last sacred but the integrity of your own mind.

My Piece of Copper

My piece of copper, It's old
Its very precious
It's a little like gold
That's what made me suspicious
I found it in my house.
In the basement
The perfect place for a mouse
Filled with dusty cement
It's like a ring, brown and round
It's a thing easy to be found.
When dropped makes a clang
It's a colour of brown clay
When dropped doesn't break to bang
Its also the colour of brown hay.

It's safe
It's in a bag
I take it everywhere, even for café
No, one dares to nag or brag.
It's a metal
Its found in a mine
It was in the underground citadel
Whatever I do, I even have it when I
dine
Because I found it ,I am very glad
If you want to find it go and ask your
dad
Oh! my piece of copper it's very
super. Don't ask me about it,
Ask someone who knows it.

When I am Happy and I know it..

My Dad is my Hero

My Dad is a very good person in the world. I like him very much. He helps the poor and needy. He readily attends me when I call him, even though he is busy all times. He cannot tolerate when I get hurt. He loves me a lot. I want to spend all my time with him. I love my hero (Dad) very much.

My Pup Snow

I have a pup named snow
His fur is as white as snow
He always likes to play
On all pleasant Sunny days
He likes to be with us
And he never make any fuss.

Quote of the Month

“It is a mistake to think that by fearing or being unhappy you can progress. Fear is always a feeling to be rejected, because what you fear is just the thing that is likely to come to you: fear attracts the object of fear. Unhappiness weakens the strength and lays one more open to the causes of unhappiness.”

Sri Aurobindo
