July 16, 2015

Dear Parents,

We are happy to announce that our school has won the prestigious British Council's "International School Award". As you all know that we have been working on this for the past fifteen months and conducted several projects last year to demonstrate "Internationalism" to the eminent jury of British council.

This International school project gave an opportunity to our children

1. To learn about various cultures around the world (Food culture, Dances, Harvest festivals etc)
2. To talk to various school children across the world (UK , Mexico , Denmark , Netherlands)
3. To find solutions to some of the global issues (Water crisis, Domestic transport system)
4. To learn a foreign language (German) for Classes VI and above.

This is another key achievement for our school not only to bring the real international exposure to the students of Primrose but also to sustain Internationalism in the coming years.

At this juncture, I would like to mention that this year, we will have a teacher from UK, Ms. Lara HaveLock to provide an exposure on Internationalism to our children of Primrose, during the month of October to December 2015. Getting this done was not an easy task, as it involves a great amount of process and procedural documentation and audit by the British High Commission. We have marched a great length for achieving this. I hope this will help to train our children for the much needed 21st century skills.

I take this opportunity to thank each and every one of you who have contributed for this sweet success.

Regards,
Director
Primrose School
