Dear Parents,

The more young children are read to, the greater their interest in mastering reading. We are glad to introduce the children of class UKG to a structured reading program called The Little Book lover's reading Program. It aims at reinforcing prereading skills and developing confident emergent readers. Every week your child will receive an age appropriate storybook in the book folder. These books are picture books, beginning reader books, levelled readers and books by Indian publishers. Based on the child's ability the books can be:

- Read alone (or)
- Read along with your guidance.

Apart from the classroom library, students are exposed to activity books. These books will be sent home with the student once completed in class. We request you to keep the activity book "Spark's Bark" at home and reinforce the story with your child.

Hope you help your kids to appreciate the magic of reading, and find a path to explore the children's literary world.

Regards,

Principal, Primrose Schools.
