SECOND AND THIRD LANGUAGE OPTIONS

Dear Parent,
Warm greetings from Primrose Schools!

Please be aware that we are reviving our **Second** and **Third Language Policy** for Classes I to X.

Second Language: Classes I and II will learn Tamil as their second language as per Tamil Nadu Government Order. But since the Supreme Court has set an interim relief for parents who have their origins in other states, their children can be exempted from learning Tamil as their second language by producing an evidence of their origin and opt for Hindi as their second language. Parents of Class I and II who wish to take Hindi as their II language need to contact the School office and produce a letter with evidence.

Third Language: In line with our International School Policy and our recent affiliation to Cambridge University, UK, we are including a third language right from Classes I to VIII. For the third language, you can choose from Tamil, Hindi or French.

For Classes III to VIII, you can choose your second language option as Tamil or Hindi. For the third language, you can choose either Tamil, Hindi or French. Please note, there will be no change in second language option for those who have selected their second language last year.

We are sending a tear-off slip along with this circular for you to select your child's second and third language options. As we need to consolidate this requirement, we request you to send this slip back to us on or before June 18, 2016. Your quick response on this will be highly appreciated.

We have always strived to provide the best learning experience to the children. We are positive this will make our children face the world with confidence.

Regards,

Principal
