

Prim Buddies

Primrose Schools [ICSE]

It is not for our family, it is not to secure a good position, it is not to earn money, it is not to obtain a diploma, that we study. We study to learn, to know, to understand the world, and for the sake of the joy that it gives us.

Prim Bulletin

Hello! Welcome to the March issue of Prim Buddies!

The month of March was filled with just one thing on both students and teachers mind- Exams. Students were seen frantically flipping pages of their books outside their examination hall, registering and revising facts till the last minute.

With further research, the editorial team came across an actual name for the fear of taking tests or exams- Testophobia. The symptoms of this ubiquitously found phobia are rapid heartbeat, shortness of breath and sweating. As exams are an integral part of every students' life, the one and only solution is to have confidence in yourself. Being self-assured is important as it releases the motivator/optimistic hormone Endorphins and drastically brings down the cortisol 'stress hormone' level.

The last week of March was abuzz with activity as the war waged by the students against exams came to an end. The pupils were seen eagerly awaiting to come back to school for the biggest and the most splendid event- The Annual Day.

With Love and Hope, Editorial Team

Women's Day

"The story of women's struggle for equality belongs to no single feminist nor to any one organization but to the collective efforts of all who care about human rights," says world-renowned feminist, journalist and social and political activist Gloria Steinem. Thus International Women's Day is all about unity, celebration, reflection, advocacy and action - whatever that looks like globally at a local level. International Women's Day has been occurring for well over a century - and continues to grow from strength to strength as Subramania Bharathiyan dreamt of women freedom. I am happy to be a girl who has been growing happily with great freedom in Primrose, able to express my ideas, compete with others and be one of the toppers in all aspects. I thank my school for having celebrated the women's day and making it unforgettable.

“விலகி வீட்டிலோர் பொந்தில் வளர்வதை
வீரப் பெண்கள் விரைவில் ஒழிப்பராம்

சாத்திரங்கள் பலபல கற்பராம்
சுவரியங்கள் பலபல செய்வராம்
முத்த பொய்மைகள் யாவும் அழிப்பராம்
மூடக் கட்டுக்கள் யாவும் தகர்ப்பராம்
காத்து மானிடர் செய்கை அனைத்தையும்
கடவுளர்க் கிணிதாகச் சமைப்பராம்”

FAREWELL

"How lucky I am to have something that makes saying GOODBYE so hard". There lived a beautiful family on the breezy side of ECR, the home always remained lighted, surrounded by joy, protected by love and care. I went near that home to know them, they were Primrose family as the name board proudly said. I longed to become a member of the family and so did I when I stepped into my Class IX. It was a sweet home as I already sensed. It educated me, nurtured me, protected me from all my falls, stood with me for my upliftments. After a year I saw myself very different. I gained the quality of a Primrosian. I became confident, performing on stage events turned out to be exciting. Finally the day came when my heart grew heavier, yes it was our farewell. All good things come to an end and so did my days in Primrose came to an end too. Our Principal, teachers and friends gathered to bid goodbye to us. With the inspirational speech of my Principal in heart, with the motivations of my teachers in mind and with the support and cheer from my friends I look forward to grow.

ART AND FUN

You have your brush, you have your paint, you paint Paradise, then in you go. Learning is always made enjoyable at Primrose. We were given a chance to paint the raw walls of our school. A paint brush, a colour of our choice, no limitations to paint made us more excited. We learned Mural painting at a joyful pace. Primrose Schools joined hands with YouArt from Cholamandal Artists' Village to educate and energize us . Our hearts were filled with pride and joy as we converted the raw wall of school into a creative art form. Our school takes pride of treasuring the young artists.
