Dear Parents,

ETHICAL FASHION – PARENT'S INVITE FOR PARTICIPATION

ETHICAL FASHION: "If you describe something as ethical, you mean that it is morally right or morally acceptable." Collins English Dictionary. Ethical Fashion represents an approach which strives to take an active role in poverty reduction, sustainable livelihood creation, minimizing and counteracting environmental concerns. It means **creating fashion without doing any harm to environment using natural colours, natural fabrics and using hand woven fabric.**

Students of class IX to XII will be doing the British Council's International School Activities Project on Ethical Fashion where they design their own ethical costumes and walk on the ramp. This would give them awareness of choice of clothes, colors textures and ethical way of contributing to the society at large.

We would also like to extend the invite to all the parents for this show to participate, on the theme "Ethical fashion" on 17th March, 2018 at our school premises. Prizes will be distributed for the best show stealer.

Interested parents, Please call and confirm your participation. PRO: 9940189777

Warm Regards,

Principal,
