A PRIMROSE SCHOOLS EDITION

June is a month that encapsulated the essence of summer, love, culture, and the environment. It brought us joy, warmth, and the promise of new beginnings. The month of June made our children explore more and achieve high.

Vedic Mathematics may not replace the conventional methods taught in schools, it serves as a valuable supplement to traditional mathematical techniques. It can benefit students, teachers, and anyone interested in mathematics by providing alternative strategies, enhancing mental abilities, and promoting a deeper understanding of mathematical concepts. A training session on Vedic Maths was conducted for our teachers to enhance their teaching techniques.

Record-setting performance is a testament to the student's exceptional talent. The success story of our school continues with the great accomplishment of our student Shreesha P from class V, who set a record on maximum hula hoops spin in a minute and took place in the India Book of Records of the year 2023.

Kindergarten is a magical place where every day brings something new to learn and explore. A three days welcome program was organized for kindergarten buds with the title of 'Mom, Ma'am and Me' where the children along with their parents had super exciting fun activities and created craft works to cherish the memory.

Micro-teaching is an important teaching methodology that involves breaking down complex teaching skills into smaller, manageable components. It provides a controlled and supportive environment for both novice and experienced teachers to practice and refine their teaching techniques. A micro-teaching session was held for the teachers to enhance their time and resource efficiency, adaptation to diverse learners, confidence and for their continuous professional development.

"One world, one health", a collaborative yoga session was conducted by Isha Yoga to celebrate international yoga day for the holistic development of students and teachers. Students and teachers practised beneficial yoga asanas to keep their bodies physically and mentally agile. It was a remarkable gathering that promoted a peaceful living amidst the stressful lifestyle.

Our girls under-19 football team acclaimed their victory in TN-PY regional level match with their remarkable performance on the field. Their spirit, camaraderie, and love for the game led them into this moment of glory. I congratulate the team members Akshara from Class-IX, Kirthana from Class-IX, Boojitha from Class-IX, Purvi Nayak from Class-VIII and Bargavi from Class IX for getting selected to represent the TN region in the National games to be held at Kolkata.

It is important for the students to know the importance of taking responsibility and to become good leaders of the future. The vital role of the election was demonstrated to our students in the students' election where the candidates showed their interest in active campaigning and gained support from other students.

Voting is every citizen's responsibility. To stand with the thought our students followed the proper procedures to cast their votes at their respective polls. The election result was announced on the same day. The Primrose family had given a warm welcome to all the elected candidates and motivated other participants to keep their spirits up for next year's election.

I would like to conclude my thoughts with Maya Angelou's quote "Do the best you can until you know better. Then when you know better do better". March forward in your life with perseverance and patience to reach the milestone as soon as possible.

Regards,
Principal

Hone your skills – A Vedic Mathematics Workshop

The teachers of our Mathematics Department attended a workshop on Vedic Maths. The session helped our teachers to learn alternative strategies, enhance mental abilities, and promote a deeper understanding of mathematical concepts. It also introduced valuable supplement to traditional mathematical techniques

India Book of records of the year 2023-24

Shreasha P of class V, set a record on maximum 'Hula Hoops Spin' in a minute and marked her place in the India Book of Records of the year 2023. The victorious moment was celebrated in the school. The Principal honoured her in the assembly and encouraged others to spread their wings to attain greater achievements in their life.

Mom Ma'am & Me – Day 1

'Mom , Ma'am and Me' a three day session was held to welcome the kindergarten students and their parents. Day-1 glided with the parachute activity where the handprints were preserved to cherish the memory forever.

Mom Ma'am & Me – Day 2

In Day -2 of 'Mom, Ma'am and Me', our tiny tots had a fabulous time during their rainbow painting session. The jewellery made out of fruit loops showed our pre - schoolers creativity.

Mom Ma'am & Me – Day 3

Day – 3 of 'Mom, Ma'am and Me' was filled with exciting activities. Our future astronauts and pilots displayed their creativity by designing their jet planes with yummy waffles.

Mom Ma'am & Me – Day 3

Memories of togetherness were captured and preserved

Mom Ma'am & Me – Day 3

A glimpse of creativity, happiness and love

Mom Ma'am & Me – Day 3

Colourful butterflies were all over the floor when our tiny tots exhibited their collage work.

Training Session on – Time Management

"The key is not spending time, but in investing it productively". The teachers were given time management training by the Principal to wisely manage time for an effective classroom environment.

Training Session on – Micro Teaching

"When the learner is experienced, learning becomes more effective".

Microteaching helps the teachers to give and welcome constructive feedback with an open mind and achieves appropriate teaching-learning goals.

IT Training

Technology can become the wings that will allow educational world to fly farther and faster than ever before- if we allow it.

To upgrade our teachers and to focus on task at hand without concerns for technological interruptions a training session for teachers was provided by IT Department of Primrose.

INTERNATIONAL YOGA DAY CELEBRATION

Our school joined hands with Isha Yoga to celebrate international yoga day for the holistic development of the students and teachers.

INTERNATIONAL YOGA DAY CELEBRATIONS

A glimpse of the students practising different asanas to celebrate the international yoga day.

Election Campaign 2023-24

STUDENT COUNCIL

VOTE

Students' Council Election 2023-24 began with the energetic campaign of the nominees of different categories.

STUDENT COUNCIL

Election Polling 2023-24

Voting is the expression of our commitment. Our students eagerly and dutifully casted their votes.

OUR Future.
Voice.
Vote.

Election Polling 2023-24

"The Ballot is stronger than the bullet!"

Our teachers along with the students waited patiently to cast their votes to elect the school cabinet. Through this the child would get an idea about the importance of voting.

Election Polling 2023-24

We take our rights royally before we turn eighteen! claims the students of Primrose.
