A PRIMROSE SCHOOLS EDITION

### Greetings!

It is like standing in a garden and seeing all my children beautifully dressed up for Cultural Events. Music, drama, fashion, and much more of Vasudha Vatsalya. The smile, giggle, shyness, boldness, and anxiety were the feeling of my children when they were trying to show their skills on stage. Seeing them dance, hearing them singing, there was nothing equivalent to this joy. I must say -Happiness is at its peak.

We were proud to host the Tamil Nadu Regional Badminton Championship. Forty-Five schools from all over Tamil Nadu participated in the competition. One way to get our children to win is to make them the best competitors in the country. They fear but everyone rises to that level to challenge them. It worked. We saw a phoenix rising from ashes. Our school children Akshara of class VIII and Prathyush Prabhakar of class XII were selected for the National competition to be held at Bengaluru. Next-level National challenge awaits!

Winning awards is a usual business for our school children. They excel in everything they do! Sometimes to make your children achieve excellence you don't have to do anything, just be with them!

Regards,  
Principal
