A PRIMROSE SCHOOLS EDITION

Greetings !!!

There was an occasion in class VIII where I was discussing about how our highest aspiration blended with hardwork and blessings of the divine could help us to reach the heights. True to the words, Akshara of class VIII was able to play for TN in the Nationals meet and win the second runner up. Just remember this is an All India Competition and she deserve kudos from everyone. We were able to set out foot and record our name in Nationals. To the Nation here we come ! To rule ! We have arrived.

Navarathri is a special time to welcome the gods. To teach us humility, importance of intellect, right usage of wealth and being courageous where it is needed is the spirit of the festival. It is all in one! We don't miss it.

We celebrated safety week by distributing helmet awareness pamphlets to all the bike riders to our school and requested to ride safe.

Teacher's Day !

Will there be a day, a single day, where I will be treated like a princess, long away from the laps of their dad's and mom. This day belong to teachers. We decided to treat every teacher like a princess. This year theme for celebrating Teacher's day was like a beauty pageant where every teacher is crowned as "Miss primrose" for their unique values that they exhibited. It was a pleasant surprise for them with a crown, with a gift, with loads of respect. It was their day. A memorable day where I saw all my teachers as Princess of Primrose.

It doesn't matter what we give them as gift. It matters how we treat them. After all teachers are to be treated only next to the Gods. Do you?

Regards,
Principal

A festive tiered display of dolls to celebrate the victory of good over evil. We kept Golu at our school to seek blessings from God, our gurus and all-natural elements such as birds, animals, plants, etc.

HELMET AWARENESS

Our concern and care extended in such a way to create awareness on wearing helmet while driving. Principal, Level In charges and students personally insisted the same to our parents by issuing a pamphlet.

TEACHERS DAY

The influence of the teacher extends beyond the classroom, well into the future. Crowned, awarded and celebrated the teachers with pride at Primrose. Principal presented a memento to express our gratitude to Director ma'am.

Memorable photo session with our Director, Principal, Kindergarten Team - Level Incharge and teachers

Special moment for Primary team – photo session with our Director, Principal, Primary Level Incharge and teachers

TEACHERS DAY

Team of Middle school teachers posing for an impressive photo with our Director, Principal and middle school Level Incharge.

High School and Higher Secondary level teachers enjoyed the photo session on teachers day with our Director, Principal and Level Incharge.

ETHNIC WEAR

Ethnic day celebrated on 27th September, 2022 to connect with the traditional and cultural roots of India. Kids of Class UKG dressed up with colourful traditional wear to spread happiness at school.
