Student Cabinet Election

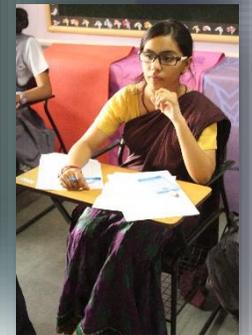

The School Election at Primrose happened in June as a vehicle for giving students a voice in the day to day affairs of the school.

Membership of the Council was decided by elections. There were ten places this year. Elections were held by secret ballot. So far, nominations have far exceeded the places available so there was a competition to gain a place on the Council.

Primrose – An Emerging Success

On a crisp August morning, with the blessings of The Mother, we gathered to celebrate the inauguration of the new classrooms and library by our beloved Madam Mrs. Madhaneswari Nandagopal. A symbolic ribbon was cut, indicating the start to a new era of education in Primrose. We are so humbled by the support we receive from our Chairman and the Director of our school.

We thank the Mother for this blessing, and look forward to celebrate more milestones in education in our school in the years to come!

Athenaeum- Our School Library

The new library of Primrose Schools talks about its vision of knowledge building for its students and staff. The new look of the library gives a serene ambience and attracts us to step in and explore what we can learn more to improve our knowledge.

Our new library also makes us self motivated to learn new things and refer to present topics which gives an additional value and knowledge to expertise ourselves in the subject we require.
