INTRODUCING LANGUAGE III FOR CLASS IX

Dear Parent,

The Government of Tamil Nadu has announced the language policy for the students studying in the state. As per the order, students studying in Tamil Nadu should study Tamil as a compulsory subject in the school. The students who have selected Tamil as Language II should appear and clear the subject during their Board examination. On the contrary, the students who have taken Hindi as Language II, should write a separate exam for Tamil which will be conducted by the Government and get the pass certificate. This rule is applicable to the current class IX batch and the batches followed by it. In order to comply with the Government order and to help Hindi students learn Tamil easily, we are introducing Language III as a separate subject in the curriculum for Class IX for Hindi students. We request the parents to guide and support the children. The school will conduct special classes to coach the children to face this exam.

Thanks
Principal
