19<sup>th</sup> April 2023

Dear Parent,

Some of our parents who belong to classes VI, VII, and VIII have met us and expressed their challenges in their ward studying Math and Science subjects when they come to High School Level. They also have expressed the varied interests of their children in Fashion Technology, Business and Journalism which do not require them to put through Maths and Science. The lower-class parents want this choice for their ward when they move to high school. We were able to understand the spirit of their interest at the same time being an all-inclusive school, we respect the different needs of the children. Hence the school is willing to open the following options to the upcoming batches of Class IX.

SCIENCE STREAM I	COMMERCE STREAM II
ENGLISH	ENGLISH
II LANG – Tamil / Hindi	II LANG – Tamil / Hindi
HISTORY & CIVICS	HISTORY & CIVICS
GEOGRAPHY	GEOGRAPHY
MATH	COMMERCIAL STUDIES
PHYSICS	ECONOMICS
CHEMISTRY	EVS
BIOLOGY	ART
PHYSICAL EDUCATION	PHYSICAL EDUCATION

We are also willing to open the offer for the students of existing Class IX also for this academic year. You are requested to contact Ms. Shyamala- The level In charge before 24<sup>th</sup> April 2023 to guide you through the transition from the Science group to the Commerce group.

The subject options are provided as you desire and this is purely taken into consideration to respect the interest of the parents and to provide a happy learning experience for the students. This is a purely voluntary decision of parents.

Regards  
Principal
