CHRISTMAS CELEBRATION

WITH JOYFUL HEARTS AND FESTIVE SPIRITS

Our teachers of Primrose spread the universal message of peace and joy during the festive season by singing "Felis Navidad" a popular Christmas song.

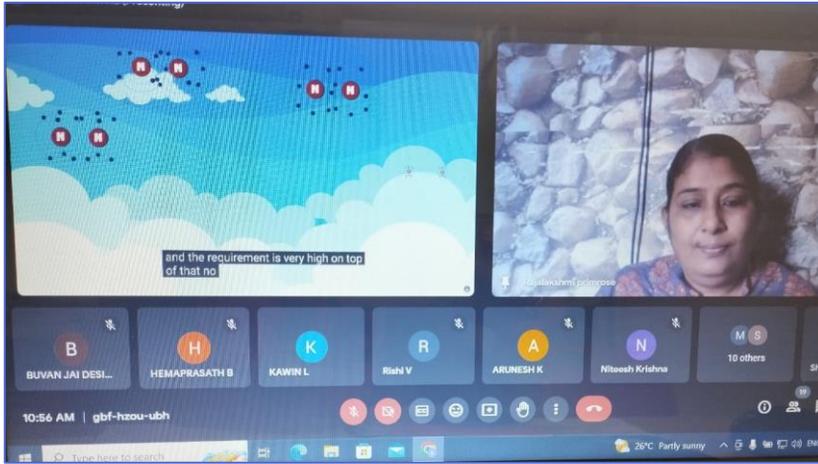

CHRISTMAS CELEBRATION

*Dashing through the snow
In a one-horse open sleigh
O'er the fields we go
Laughing all the way –
appeared the SANTA of
Primrose awakening the
excitement of the students.*

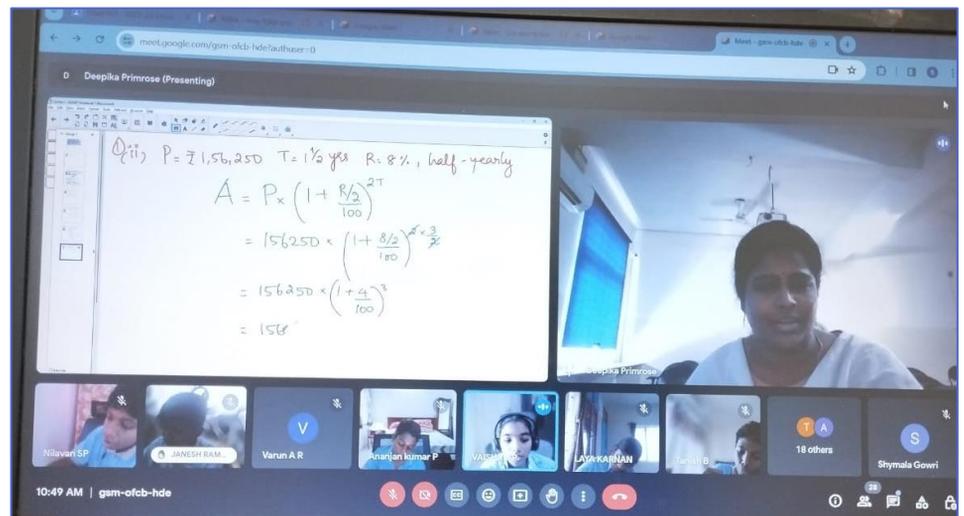

Christmas greetings and wishes were shared by Principal Sir along with delicious sweets.

ONLINE CLASS – UNINTERRUPTED LEARNING

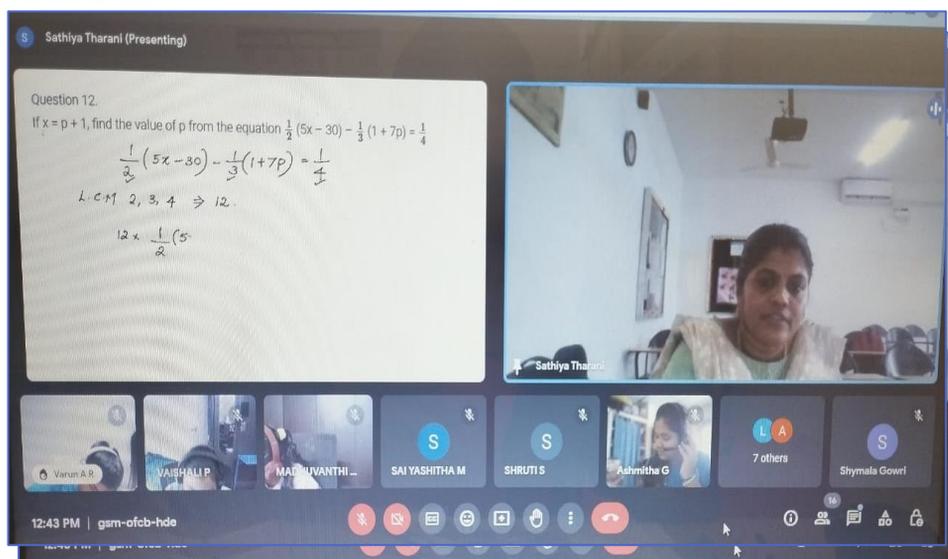

HAT'S OFF TEACHERS

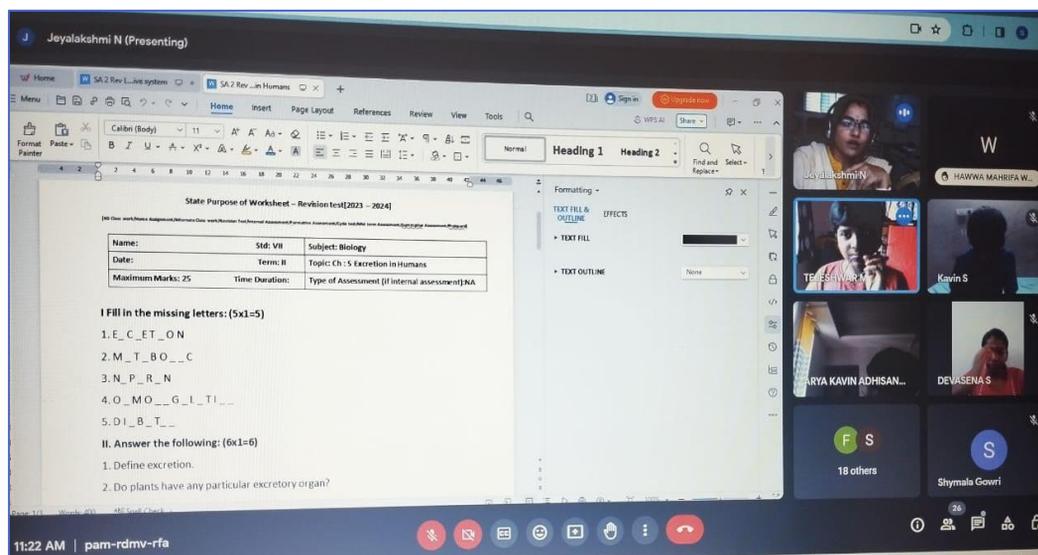

Our teachers at Primrose provided online classes for our students when children had difficulty reaching school due to the disruptions caused by the cyclone MICHAUNG.

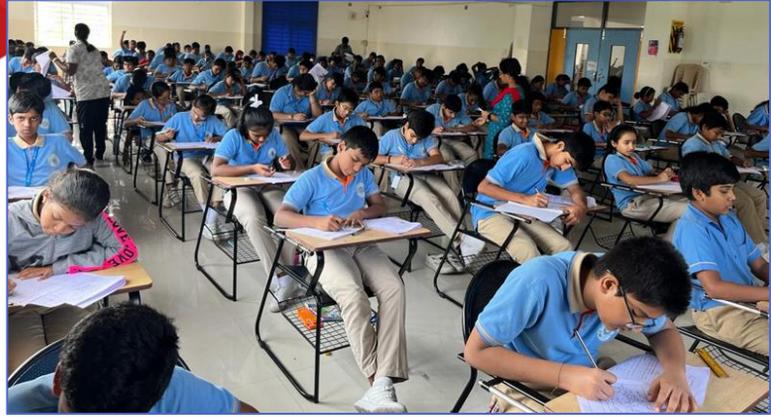

ONLINE CLASS – UNINTERRUPTED LEARNING

All the children attended classes joyfully. True are the words of our Chairman, Mr M. Nandagopal “ No matter where the school is or who the students are; there is always this similarity among all ‘great’ schools that is – the committed hearts and compassion of the teachers”.

SA 2 EXAMINATION

Exams offer feedback to both students and educators. For students, exam results

indicate areas of strength and weakness, helping them identify where they need to focus their efforts for improvement. For educators, exam results provide insights into the effectiveness of their teaching methods and the clarity of their instruction.

“Though examinations can be stressful, they play a crucial role in the educational process by assessing our learning, providing feedback, maintaining standards, motivating us, and preparing us for future endeavours.” – says our Middle School Students.
