Exploring Colours and Creativity

Our little artists had a blast experimenting with colours and creating vibrant masterpieces in the activity. A symphony of colours filled the room as the little hands filled in the patterns onto their canvases during a delightful fun filled activity.

Pattern Play Palooza!!!

From stripes to swirls, our budding designers showcased their creativity in the pattern filling extravaganza- an artistic feast for the eyes. Exploring patterns and filling spaces with kaleidoscope of colours made the simple sheet into vibrant works of art.

4

Number Ninjas at work!

An engaging game – counting became a celebration as tiny fingers worked their magic with confetti, turning Math into a festive learning experience. Exploring dimensions and counting surprises, our mini

2 mathematicians showcased their skills with shapes and sizes.

Garden Treasures unveiled!

Our tiny scientists explored the wonders of nature observing bugs and plants during our outdoor exploration session. Our nursery trip to **Karuna Nursery Garden** made our Pre Kg students to explore from fragrant blooms to fluttering butterflies the treasure of sensory delights.

Wize Floor Wizards in Perfect Harmony!

The magic unfolds as our talented performers cast a spell of coordination, blending dance and music seamlessly. On the Wize Floor our performers showcased not only dance prowess but also impeccable coordination with beats, creating a visual treat!

Honouring Mother Mirra Alfassa

The tiny tots paying tribute to Mother on her birthday by offering flowers to her. A day dedicated to honouring her kindness, wisdom and the love she shares with everyone.

Outdoor Classroom Chronicles!
The Pre KG students extended their learning beyond the walls embracing the outdoor classroom, fostering curiosity and connection with the natural world.

Botanical Buddies on the Move!

A day filled with giggles and discovery as our Pre KG students explored the nursery by stepping into the garden discovering the magic of blossoms and buds.

Bumpy Rides and Joyful Vibes!

Giggles echoed as our LKG students embraced the bumps and jolts, savoring the unique charm of a bullock cart adventure at the Field Trip to Dakshinachitra. A blended fun with a touch of timeless tradition.

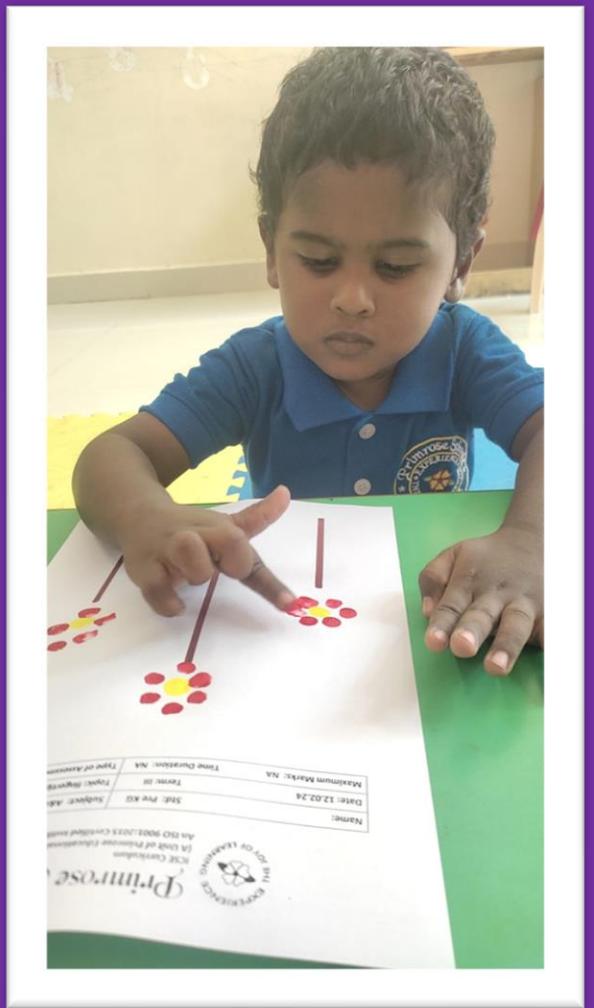

Glimpse of Galaxies – the Stars of tomorrow on quest!

Step by step the little stars uncovered the wonders of the universe, leaving no star unexplored during a cosmic adventurous activity in the class.

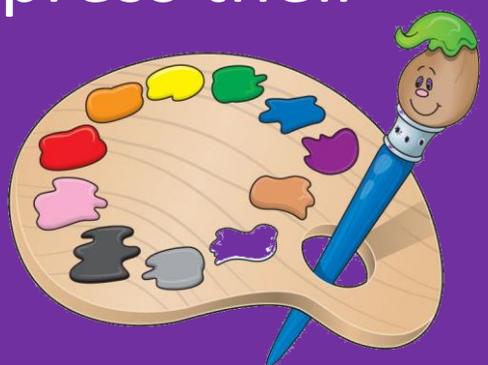

Colourful Moments , Priceless Memories!

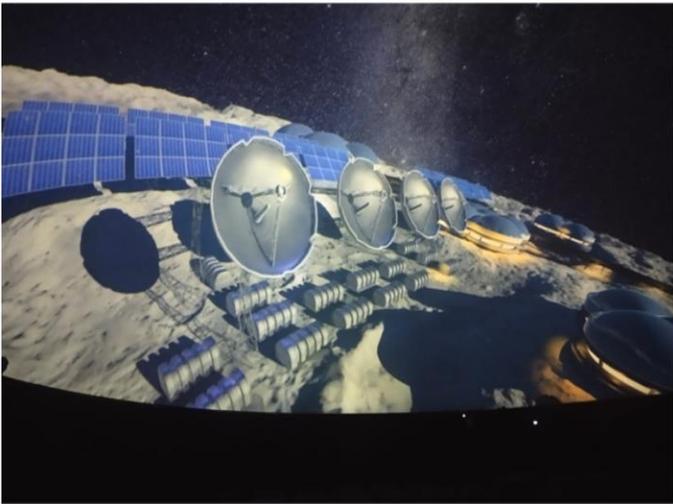

In the world of coloring and pattern filling, every stroke tells a story. The KG students were cherishing the moments as they express their unique flair.

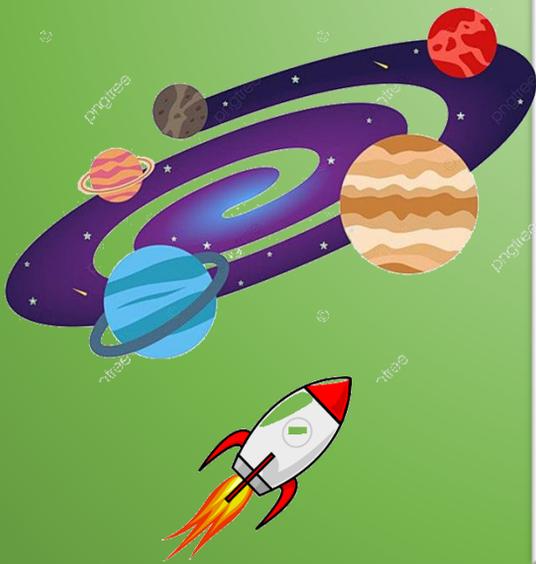

Yoga Bliss : Nurturing Body and Soul!

The Yoga sessions of UKG students exhibits a journey of inner peace, one pose at a time. Every stretch gives them strength and every breath gives them peace thus ensuring a holistic well-being.

Class : I - Field Trip!

Where Science Meets Spectacle : Planetarium Expedition!

Beyond the classroom, beyond the earth – our students embark into cosmos. A gaze into the mysteries beyond the sky.

Beyond Textbooks! Lessons that come to Life – Activity on Hindi displayed by Class I student.
