A PRIMROSE SCHOOLS EDITION

## **LACING BEAD ACTIVITY**

Fine motor skills is crucial for self-esteem, confidence and independence!

*The tiny tots of LKG not just threading the beads, they showcased their cognitive skills through this activity. This activity improves bilateral coordination, builds their attention span and helps in colour recognition.*

## **THUMB PRINTING ACTIVITY**

**Fingerprints are the nature's way of reminding us that we are all special and unique!**

*Through thumb printing, the young LKG achievers imprinted their uniqueness and solidified their significance. Their artistic creations demonstrated their individuality.*

## **VEGETABLE PRINTING ACTIVITY**

**Creativity fuels the imagination and our imagination fuels our dreams for a better world!**

*Our Prim buds of LKG displayed their ingenious skills by the Vegetable printing activity. They conveyed the ideas, used the senses, explored the different textures and colours.*

## **PHYSICAL ACTIVITY – COUNTING NUMBERS**

**“Everything around you is Mathematics.  
Everything around you is numbers.” !**

*The significance of numbers and counting is emphasized to the children in an amusing way. Teaching math concepts is an integral part of early development for young children. It allows children to identify patterns and make logical connections. Children of Class UKG manifested their counting skill by this activity.*

## **REPUBLIC DAY - HANDOUT**

*Republic Day activities for students have been thoughtfully designed to engage young minds in a fun and scholastic manner. The vibrancy of the Indian flag—the Tricolour—can be experienced through a ‘hands-on craft “activity.*

## **Bullock Cart Ride**

*Pongal marks the auspicious occasion of the harvest season and expresses gratitude to the Sun God, nature, and the farm animals that play a vital role in agriculture. Children of KG had a delightful experience of being ridden on a bullock cart, the traditional system that exhibits our ancient culture.*

*Art allows kids to develop their creativity. Handouts of Pongal Pot helps children to nurture their hand-eye coordination and fine motor skills. These skills are great for children to develop their creativity and foster mental growth.*

**“Creativity is a way to express your soul without words.”**

*It was great to have the little fingers of UKG doing wonders on Pongal. They made a magical handout that gives an eternal bliss on the occasion of Pongal.*

**“Sweetness may prosper in abundance and it never run out of happiness.”**

*Children of LKG assimilate the spiritual significance of sugarcane in celebrating the sweetness of victory in various aspects of life. It is traditionally and culturally celebrated to enrich our country’s heritage.*

**“The longing for sweets are really a yearning for love, share and care for each other”.**

*Children of LKG made a Fresh sugarcane handout used to decorate the auspicious festive season which marks the prosperity and sweetness in one's life.*

**“Dance is an art so paint your dreams and follow it with a style”.**

*Children of KG spread their wings and stepped up to the rhythm of music and that was visually appealing spectacle and a stunning performance on the day of Pongal celebration. They danced from the heart, their moves filled with grace, beauty and elegance.*

**“Dance is the hidden language of one’s state of mind that expresses inner feel of ecstasy”.**

*Dance is the joy of movement and the heart of life. Little feet of LKG danced to mark the timeless interpretation of life and created a sculpture on the day of Pongal celebration.*

## **“CLEANLINESS ACTIVITY BY CLASS II LOTUS”.**

***“Cleanliness is not a discipline. It’s an expression of love and regard for all lives around us.”***

***To manifest the love the young buds of Class II did the cleanliness activity.***

## **ACTIVITY BY CLASS II**

***“One of the beautiful qualities of true friendship is to understand and to be understood !”***

***Children of Class II valued the friendship and their friends by an amazing activity. They appreciated their friends’ unique qualities and shared their happiness.***

## CLASS II - MEASURING CAPACITY (MATH) ACTIVITY

***“Learning is not the product of teaching. Learning is the product of the activity of learners!”***

*Children of Class II performed a Math activity to measure the capacity. They cherished their learning by executing the practical activity in day to day life.*

## **THE SPIRIT OF MARGAZHI - COMPETITIONS**

***“Nothing glows brighter than the heart awakened by light of spirituality that lives within in”***

***The inner happiness and the spirit of spirituality is nurtured in the growing minds of our kids through competitions. Children of Class II enthusiastically participated and bagged the awards.***

***Recognition is the greatest motivator !***

***The achievers of the Margazhi competition were recognized and appreciated by our beloved Principal. The awards motivated our kids to showcase more talents and even induced the non-participants to participate in the upcoming events.***
