PRIM BUDDIES

2022-23

WWW.PRIMROSESCHOOLS.IN

A PRIMROSE SCHOOLS EDITION

Greetings!

Flowers leave part of their fragrance in the hand that bestows them, standing in the culmination of the academic year 2021 – 2022, it was time we recognize and honour the hard work of the children who had put in their greatest efforts to accomplish their goals.

The month of April was lined up with Graduation ceremonies of Kindergarten, Primary and High School. The online education was not only a challenge for the teachers but also for the children who were digitally divided. The online education did leave its impact on our children. Besides going through the trials, the children had strived hard to keep their spirits high and perform better in academics.

Having the Semester II board exam round the corner, it was essential for our teachers to get updated on the current pattern of the Board Exam question papers. The school had been a gateway of continuous learning for teachers and children. Teachers attended the ISC workshop to enhance their knowledge on the present exam pattern and equip children face the exams with confidence.

As rightly quoted by Alexander Graham Bell, “Before anything else, preparation is the key to success”. I felt it was high time to train the children right from Middle School to help them overcome Board exam anxiety and prepare them systematically to accomplish their goals successfully. An orientation program was held to enable parents build a fruitful bonding with children entering adolescence and provide them enough moral support. Study plans were shared with students, to inculcate the right study habit.

It was time for new hellos, the children of Class XII 2021 -22 batch, had waited for long to embrace this moment. 9th April 2022, was a long day for many of us having multiple events lined up. The Farewell of Class XII was a much awaited one. It turned out to be a meaningful evening meeting for the children almost after a year. It was a blessing in disguise to see them fly high confidently and enthusiastically sharing their experience on how Primrose has shaped them out to be a confident individual. It was delightful to hear children share their success stories. As a Principal, the most precious reward would be to witness the students of the school come out with flying colours, the children of course made our day. As a school we would always strive to give our children, the best platform to explore, experiment and identify their hidden talents. I am sure Primrose will be a place of making Global leaders and responsible citizens.

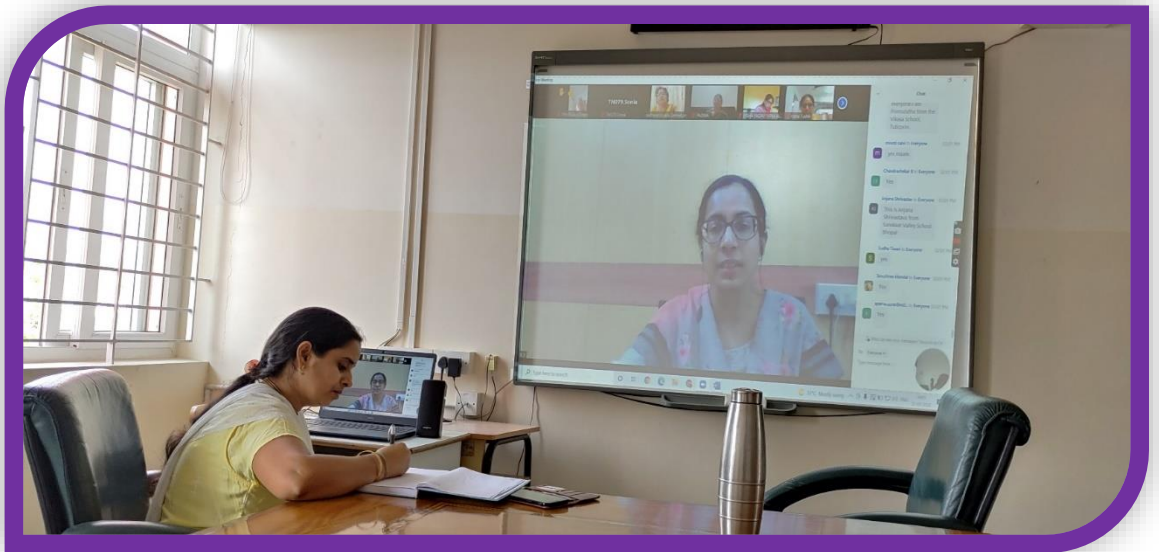

Regards
Principal

CISCE TRAINING

Our journey at Primrose was all about learning to become who we are, fulfilling the highest expression of being a confident human being and capturing the special moments in one frame.

Farewell Class XII - 2020-2021 Batch

Walking confidently in the
direction of our dreams

"Behind you, all your memories, Before you, all your dreams, With you, all your loved ones, Within you, all you need." The children of Class XII, divided by the digital media required all the love and acknowledgment for their hard work. The school hosted the Graduation ceremony and Farewell ceremony on 9th April 2022, Saturday. The wait was worth, the children spent every minute in the premises recollecting and cherishing their memories. Offering their gratitude to the Director, Principal and teachers who played a major role in shaping them up as confident individuals. Gaining strength from loved ones to walk confidently in the direction of their dreams.

Farewell Class XII - 2020-21 Batch

The greatest reward of the journey

Exchange of love and joy between the children and Director Madam.

Director Madam cherished every moment spent with the children. As proud as a mother, who took pride in her children's accomplishments.

The children of Class XII showcased their love for their seniors by hosting a Farewell ceremony, besides their exam schedule. It was a delight to spectate the boys and girls come together on the stage.

A well- organized game to entertain the seniors, the children of Class XII organized events to entertain and involve the former Class XII students.
