DIWALI DELIGHT

A Festive Recap of Our School Celebrations!
Our school has been buzzing with excitement and joy as we celebrated the Festival of Lights, Diwali, with great fervor and enthusiasm!

DIWALI DELIGHT

Our talented students showcased their cultural prowess with breathtaking performances that left the audience spellbound. The sound of laughter, applause, and joy echoed through the auditorium, fostering a sense of unity and celebration.

STORY OF DIWALI- CLASS VIII ASSEMBLY

As the colorful lights of Diwali illuminated our hearts and homes, our school experienced a week of vibrant festivities led by our talented and enthusiastic students of class VIII. From insightful presentations to cultural performances, the Diwali week assembly was a true celebration of our diverse and rich traditions.

The week kicked off with thought-provoking presentations by students, delving into the cultural and historical significance of Diwali. These informative sessions not only educated our school community about the traditions associated with the Festival of Lights but also fostered a deeper understanding and appreciation for the cultural diversity within our student body.

A SYMPHONY OF LIGHTS: THE FIREWORKS DISPLAY

Our school grounds became a canvas for a mesmerizing symphony of lights as the first burst of fireworks illuminated the bright day. One of the most remarkable aspects of the fireworks display was the active participation of our students. Under the guidance of our dedicated teachers, a team of young enthusiasts had the opportunity to contribute to the planning and execution of the show.

COMMUNITY OUTREACH: SPREADING LIGHT BEYOND OUR SCHOOL

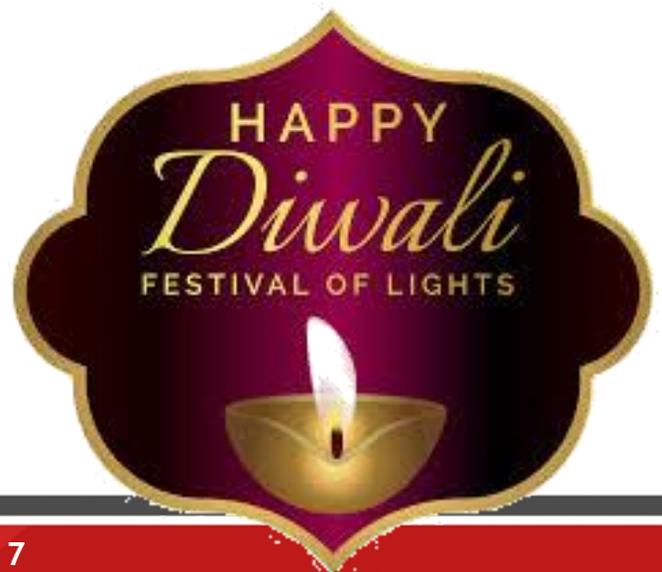

Diwali is a time for spreading joy, and our school community extended its warmth beyond our walls. Students participated in various community outreach programs, bringing the light of Diwali to those less fortunate. From distributing sweets to organizing charity drives, our students embodied the true spirit of giving during this festive season.

SWEET DISTRIBUTION TO OOMPH UP THE FESTIVE TABLE OF OUR STAFF

No celebration is complete without delicious sweet. Our Principal distributed the sweet boxes to all the teachers and staff to oomph up their festive table. As we reflect on the joyous moments of our Diwali celebration, let the spirit of unity, light, and joy plunge into the coming months.

Our director ma'am Mrs Sindura Arvind, extended her deepest gratitude to our teachers for their unwavering commitment to nurturing the young minds that brighten our school.

She also expressed her love towards all the children and conveyed her children's day wishes to the children with a heartfelt tribute to the innocence, curiosity, and boundless potential that define childhood.

CLASS VIII TO IX TRANSITION – ORIENTATION FOR STUDENTS & PARENTS

PARENT ORIENTATION

Class IX offers a diverse range of subject groups, each designed to cater to different academic and career pathways. Our Principal provided insights into the content, career prospects, and skill requirements of each group for the students as well as parents. Parents and students were provided with opportunities to reach out if they had any questions or concerns.

UNVEILING THE PATH OF SUCCESS

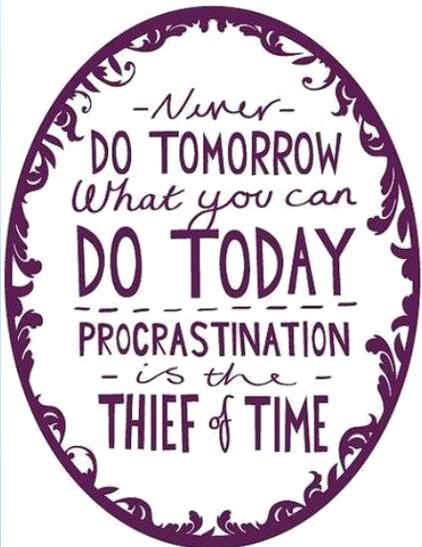

EXAM TIPS

Success is not a destination but a journey. The habits one cultivates now will shape the future.

"A goal without a plan is just a wish."

Effective revision allows to identify and address areas where students may be struggling. By recognizing weak points, they can allocate more time and effort to those areas, ultimately improving the overall understanding of the subject matter. Our Principal, spent effective time with the children enlightening them about why revision and a structured study plan are paramount to their academic journey.

STEM TRAINING FOR TEACHERS

TRAINING

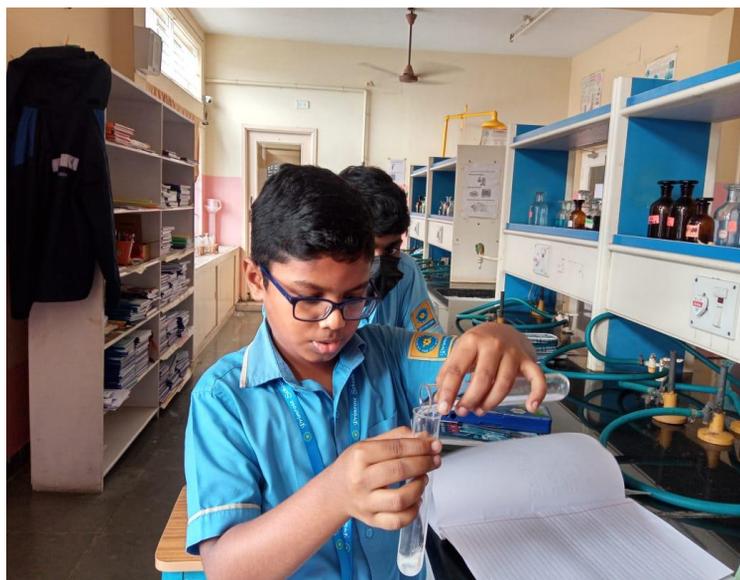

STEM training for teachers includes attending workshops, seminars, and professional development programs. These training programs help teachers to learn new teaching techniques and strategies, develop their knowledge in STEM subjects, and improve their ability to inspire and engage students. A few of our teachers attended the training sessions.

SCIENCE LAB SESSIONS

SCIENCE LAB

Lab sessions are not just a requirement; they are an invaluable aspect of the academic journey. Our students embraced these opportunities to explore, experiment, discover, ask questions, challenge assumptions, and make the most of the hands-on experiences that will shape their understanding of the world around them.
