Foreword...

Warm greetings!

"An Endeavour for quality education"

This school year is racing past and Primrose has been as busy as ever.

They say that real education never ends. And to create learners for life who savour the joys of academic learning with calmness and clarity and students who OWN their education is our goal at Primrose Schools.

As we forge ahead with a challenging curriculum, a dynamic learning environment and a caring ecosystem, Primrose Schools brings an educational model that makes children think locally and act globally.

The inception of the new block is a new milestone, for it features a wealth of excellent facilities, including a library containing over 3,000 books which students can access, as well as DVDs, CDs, newspapers and journal, a beautiful auditorium, the toddlers' room and play an area.

While walking around Primrose I remembered one of Lon Watters quotes, "School is a building which has four walls with tomorrow inside." My students had the opportunity to do service to the society during the Kerala floods, they celebrated all festivals understanding how India is diverse in its culture, religions and traditions and yet maintains "Unity within this diversity".

It was simply amazing to see our Sports' teams compete far and wide in the ASISC Sports Meet, Yoga and Karate. They securing medals and overall championship trophies and competing in the National School Games Federation of India (SGFI) competitions have made me realise to keep our pupils abreast and keep challenging them to bring out their true potential.

We believe that Education is the best investment any parent can make for their child. It can transform life chances, ensure that an individual thrives academically, flourishes socially, and enjoys a rich and creative inner life in Primrose.

With the blessing of our Mother we desire to achieve excellence in all spheres and surge ahead with renewed energy each academic year.

Mr. Ganesh Perumal

CEO

Message from the Chairman

"Perfect health, sincerity, honesty, straightforwardness, courage, disinterestedness, unselfishness, patience, endurance, perseverance, peace, calm, self-control are all the things that are taught infinitely better by example than by beautiful speeches."

– Sri Aurobindo

A sculptor once said "This statue was already within the stone. I have not created it. All I have done is, chiselled off the undesirable pieces which were around the statue and which were masking the statue."

This is what, I too believe. A child who is born by the kindness of God, is a peace-loving child. And here in Primrose we firmly trust that both parents and teachers sculpt the young minds with the *joy of learning*. We replete our kids with a plethora of activities and events that celebrate the spirit of learning, growth and creativity. Thus, honing their talents and channelizing their energy into productive, creative work.

I pray that God showers each one of my kids with His divine grace and blessings, and that our school continues to grow in faith, integrity and bring out responsible future leaders of the country.

Mr. M. Nandagopal

Chairman

Message from the Director

"To love to learn is the most precious gift that one can make to a child, to learn always and everywhere."

- The Mother

"Education does not change the world.

Education changes people, People change the world."

We believe that learning in Primrose is a journey that leads to happiness and success. We strive to equip your children with skills and knowledge that will help to develop them into confident and independent young people. Our students are empowered to reach their full potential through our educational approach and core values: Aspiration, Collaboration, Communication, Creativity, Independence, Leadership and Resilience. No matter where our students will be living their lives, being it in India or anywhere else in the world, we want Primrose to give them the tools to be GOOD citizens of the world, citizens that share Primrose' core values.

As Sri Aurobindo says, "A moral education is the education of heart without which no individual can be completely human". Indeed, our education reflects our humaneness and humanity and we intend to see these values in our kids.

AUROBINDO'S PHILOSOPHY

Our Motto:
The place where I can be 'me'

Mission:

The aim of our school is to help a child realise his unique potential in the light of Sri Aurobindo's vision of integral education. His philosophy of education aims at the flowering of the child's physical, emotional, mental and spiritual personality. The cultivation of Beauty, Power, Knowledge and Love is what he calls Integral Education.

Integral Education Ideals:

Our school is guided by Sri Aurobindo's three principles of teaching.

- 1. The first principle of true teaching is that nothing can be taught.** But everything can be learnt! This principle shifts the focus from the teacher to the student and from 'how to teach' to 'how best can the student learn.'
- 2. The second principle is that the mind has to be consulted in its own growth.** We focus from 'we-know-what's-good-for-you syllabus' to making the student participate in a flexible delivery and learning process. The teacher is more of a facilitator or a guide here.
- 3. The third principle of education is to work from the near to the far, from that which is to that which shall be**
- The first step in learning is to establish a context which is familiar and relevant to the student from his own point of view. This ensures that the resistance is low and motivation is high. The mind is inspired to take the journey now!

We at Primrose work for a global movement towards Integral Education that strives for the development of all aspects of a child's personality.

Physical education and team sports sessions provide strong and healthy graceful body, the first requirement in a child's education.

Children are also involved in music, arts, drama, craft, skating and yoga so that they are channelized through freedom, leadership, responsibility and learning by doing acquiring vital education.

Mental Education is developed through subjects like languages, Mathematics, Sciences and Social Sciences.

Spiritual Education is given more importance to the growth of the spirit than intellectual, inculcating values like love, truth, faith in heart.

We give international education fostering universal love, sympathy, fellow feeling and understanding, accepting kids from all over the country and the world living together in peace and harmony, above all creeds, all politics and all nationalities.

ANNUAL CONCERT SRI KRISHNA KATHA

On the 20th and 27th of April, 2018, we at Primrose Schools celebrated our Annual Concert “Sri Krishna Katha” with enthusiasm and zeal. The Musical Academy auditorium resonated with delightful songs, intricate dances and a cheering audience, as the entire school was swept away by the talent and commitment of the kindergarten, primary and secondary students.

The students transformed themselves into little Krishna’s myriad forms—“the all-attractive one”—indicating the unequalled charm and beauty of the Supreme Person, as He appears to his devotees. He appeared as a playful cowherd, supreme intellectual, the ultimate romantic Krishna, and one of the most loved gods of Indian mythology to create and maintain the universe, while He visits this material world from time to time to free His devotees from material existence and to vanquish the wicked. The kids performed superhuman pastime like lifting mountains and killing numerous extraordinarily powerful demons—as easily as a child playing with toys. They enthralled the audience with their dance performances and eloquent dialogues. Our Director Mrs. Sindura Aravind acknowledged the efforts of the students and thanked the esteemed guests. The evenings were truly special and a memorable one.

ICSE RESULT

CONGRATULATIONS !!!

It gives us immense pleasure to share with all, our success in the ICSE examinations. Our ICSE topper Meenakshi secured an amazing 99.6%. It gives us immense pleasure to share with all, our success in the ICSE examinations. Our ICSE topper Meenakshi secured an amazing 99.6%. Two of the best things one can give children are roots and wings. Our 3 rd batch of pupils, who had anchored themselves in the portals of our school, got their wings of flight with the declaration of the ICSE results 2018. As our pupils make the world their realm, go ahead and conquer it by stretching their wings and flying high, we at Primrose Schools take this opportunity to felicitate their achievement.. Congratulations to all students, teachers, parents and well-wishers. You have made us proud.

ISA AWARD

The academic year 2017-18 came up with yet another opportunity of working on Internationalism. Having received the Prestigious British Council ISA Award for the year 2014-15, the excitement was double in terms of taking the project to the children. Primrose School strives to educate the children globally. ISA, with no doubt was a right tool to achieve the same. ISA helped us to uphold our vision which is commitment to the holistic development of the child, through quality education, uniqueness in teaching, bringing the inherent talents and unfolding the creative thinking.

The projects were assigned with utmost care for each class. Each project was integrated with academics. The experience and essence of Internationalism was taken to every single child, ensuring their participation in the projects. Integrating the ISA in our routine was indeed a fulfilling experience.

International exposure to the children, learning the diverse cultures, their uniqueness and their values were the successful outcomes of the efforts, dedication and commitment of the teachers, children and parents.

Interaction with students across various countries helped us to unfold the inherent talents and creative thinking of our students opening up the opportunity to learn and share their views with the children from schools across the globe. This opportunity, I firmly believe will help the children discuss the global issues and provide futuristic solutions with confidence.

I thank the ISA team for planning the projects meticulously and executing the activities with utmost care. The effort taken by the teachers to bring the project to life is worth appreciating.

I thank British Council for supporting us explore Internationalism with full of life thus standing in our belief, learning for the joy of knowing and understanding the world in all its essence.

PRIMROSE MUN 2k19

PRIMROSE MUN was a very lively two-day session where eleven schools from different parts of Chennai participated in the event, with one hundred and eight delegates representing different committees and countries had a discussion on the topic '**Global Issues**'. The different committees were WHO, UNGA , UNSC, UNHRC, CCPCJ and UNICEF. The delegates came up with resolutions to cope with the issues discussed at the end of the conference. We were honoured to have Mr. R.K Sharma, as our chief guest for the closing ceremony. Mr. R.K Sharma is currently working as the librarian, United Nations Information Centre for India and Bhutan. He spoke on the history and importance of the MUNs and other issues on the international agenda including SDGs, Climate Change, Migration, Technology and Youth. Mr. Sharma awarded the prize winners and spoke on how the contribution of the MUN participants help them become responsible citizens of the world.

INVESTITURE CEREMONY

"Leadership requires the courage to make decisions that will benefit the next generation."

Creating committed leaders

The Investiture Ceremony of the newly elected students Council took place on 13th August 2018. The ceremonial pinning of the badges and handing over the sashes to the newly elected candidates was done by the Principal of the School, Mr. Ganesh.

The School Pupil Leader Harish, Assistant School Pupil Leader Rashmika, along with their team of Office Bearers took oath to hold the school's vision and esteem. They were asked to take their responsibilities seriously and be loving and caring to their fellow students. The Principal encouraged the students to be at their best and take the school to new heights with utmost diligence.

A Primrose Schools Initiative PRIMATHON STEP IT UP

FOR GENDER EQUALITY
#RUNFORHER

Primrose Schools hosted its second PRIMATHON 2K19 - to promote gender equality and women's empowerment. We joined hands to protect HER as students/teachers/individuals/corporates/entrepreneurs/runners to run for a cause associated with girls and women. Students were educated to treat both women and men equally in schools, markets, malls, in service industries and to promote women's education.

The event began with Zumba before the start of the run and a post finishing cool down session. We could see a wave of throbbing youngsters running for her and for their family. Students spoke and acted, ensuring that their message reached the wide audience around them. We ended the event with a refreshing Dance-Fitness Party which left everyone energized and happy for the rest of the day!

NEW BLOCK INAUGURATION

It was indeed a special morning for all of us as we witnessed the inauguration of the new block by our Management committee members. The new block inauguration began with a formal prayer; hoisting of the school flag by Mrs. Chairman. Mr. Murugan IAS (Retd) inaugurated the new block cutting the ribbon. The traditional Kuthuvilaku was lit by Mrs. Chairman, and our Director Ms. Sindhura Arvind. The wize floor was inaugurated by Ms. Sumathi Ramesh and the function of the wize floor was demonstrated by the students of lower primary. This beautiful edifice of learning with a large library, AV hall, wize floor, a grass sports pitch on the terrace, dedicated games area and many classrooms. Our Principal thanked all the benefactors and promised in helping the students aim for and reach beyond the stars.

PRIMARY - VASUDHA VATSALYA

We, in Primrose Schools strive to nurture not only the academic side of our students but also their talents and creative side. The school conducted Vasudha Vatsalya competitions - an intra school cultural competition, to provide a venue for the students to express themselves through dance, music, comedy, art, and even scientific experiments.

FESTIVALS AND CELEBRATIONS

KRISHNA JAYANTHI

To seek the blessings of Lord Krishna, Janmashtami was celebrated at Primrose Schools on 18th August, 2018 with mirth and joy. The fragrance of flowers and the soothing aroma of camphor filled the air. The students dressed up as lord Krishna and Radha, complete with flutes, peacock feathers and matkas. The premise was decorated beautifully and the spirit of festivity was enhanced with Jhankis depicting life history of Lord Krishna. The celebration that followed was truly entertaining and educating.

DIWALI

The much awaited and loved festival of lights, Diwali, was celebrated with traditional fervour at Primrose Schools. Students of all grades presented a special assembly on this festive occasion, and apprised the audience about the festival, which marks the triumph of light over darkness and the beginning of the Hindu new year. They also highlighted the significance of this important day and took turns to speak about this day when Rama, the Hindu god had returned to Ayodhya after 14 years in exile, so in honour of his return people decorate their houses with earthen lamps and diyas and illuminate the sky with fireworks.

CHRISTMAS

Christmas celebration was organised on Tuesday, 23rd December, 2018. Children came dressed in red and white costumes. They decorated their classes, played games, danced and sung carols. A beautifully ornamented Christmas tree stood in the decorated assembly area along with a detailed and beautifully crafted nativity. Happy laughter and squeals of delight echoed throughout the school, until it was time for all to gather for the special assembly with the Christmas Father where the students sang melodious carols and danced beautifully to wish their teachers and classmates.

MOTHER'S DAY CELEBRATION

The 21st of February marked the birthday of 'The Mother' – who epitomized service to mankind as equivalent to service to God. Florals were offered to The Mother by the students. Sweets were distributed by the Director to the pupils. The auditorium resonated with melodious songs, graceful dance steps and candle light dances instilling the values of the Mother amidst everyone.

PONGAL CELEBRATION

Pongal Celebrations 2018 at Primrose Schools was a sweet day with a typical village Pongal celebration. The halls and reception were adorned with flowers and thoranam, sugarcane stacked to grace the occasion. An earthen pot was placed on fire with traditional fanfare. The chanting of Pongalo! Pongal! Pongalo! Every moment was enriching for the kids who were able to experience typical Pongal celebrations firsthand. Class 6 students performed many folk songs with musical instruments and entertained their friends. Children went on bullock cart rides, played Uriyadi and had sweet Pongal and sugarcane to end the day with many fond memories.

INDEPENDENCE DAY CELEBRATION

The Independence Day has a special place in the heart of every Indian. Not only does it symbolize the celebration of 72 years of Freedom but also extends an emphatic message of the progressive future of our country. Standing in attention, students as well as the entire staff paid their respect to the tricolor and sang the national anthem in one voice. They pledged to free India from poverty, dirt, corruption, casteism & communalism; and to create a new India!

NAVRATRI CELEBRATIONS

Navratri festivities got underway at Primrose Schools with amazing zeal amongst the children to celebrate the nine day long festival to commemorate and invoke the blessings of Goddess Durga in her various forms. The positivity and energy exuberating out of the colourful costumes combined with the enthusiasm of dancing to the dandia folk songs made the entire day extremely successful and fruitful. The children's joy knew no bounds and for some it was definitely an experience of a lifetime.

TEACHER'S DAY

Showing Primrosian affection, the Primrose pupils' way! The Primrose Schools celebrated the Teacher's Day on the 5th of September 2018. In the morning assembly, the principal welcomed his beloved teachers by offering the traditional greetings. A special programme organised by the students in the afternoon, to show their love and affection towards their guides and mentors, had many a surprise in store. The special afternoon was organised solely by the students. It included various games, dances, songs etc, especially games for teachers in which they took part as energetically as their students.

CHILDREN'S DAY

Primrose Schools celebrated November 14, 2018, Children's Day, which marks the birth anniversary of Pandit Jawahar Lal Nehru with enthusiasm and zeal. The teachers divided themselves into their houses dressed up as little kids, took charge of the assembly for a week to make the day unforgettable for the students. The function was a delight for the students as they witnessed their teachers like never before. Some of the programmes left the students in bouts of laughter as they enjoyed the humorous and witty sections of the plays. The highlight of the assemblies was the scintillating dance performances by the teachers which also made the students to groove in. The students were in awe to see their mother-like-teachers in the Avataar of kids. The school Principal blessed the students and encouraged them to work diligently and enjoy their childhood a transient phase to optimum.

WOMEN'S DAY

International Women's Day in Primrose celebrated the achievement of women and most importantly focussed its attention on the need to further promote gender equality and parity on a global and local scale. Grade XI students presented a special assembly which showcased the strengths and talents of our young women in today's male-dominated fields of expertise.

KG MONTHLY EVENT

Monthly Events

A kindergarten day is filled with learning and fun. The monthly events and projects help develop skills beyond knowledge of subjects. They are meant to bring social skills, intellectual skills, moral values, personality progress and character appeal in students.

Months	Themes
June	My Family
July	Knowing Myself
August	Outer Space
September	Basic Colours and Shapes
October	Community Helpers
November & December	Seasons
January	Simple Machines
February	Animals

VIDYARAMBHAM

The Pre KG kids of Primrose Schools took their first step towards their school education by writing 'Harisree' with their tender fingers in the rice plate 'Akshatham'. They were imparted with knowledge through prayers. The laughter and cries of the new children spread throughout the school and filled everyone's hearts with happiness.

KINDERGARTEN – VASUDHA VATSALYA

Vasudha Vatsalya 2018- the intra and interschool competition was a big success with a massive contribution from all the students in and around Chennai. The objective of organizing an event like Vasudha Vatsalya is to encourage the innate talent and provide all students a platform to showcase their creativity. The highlight of the event was that it was totally student led and driven. Primrose also strongly believes getting the students 'future ready' said Mr. Ganesh, Principal

KINDERGARTEN GRADUATION

Students of KG marked the transition from one phase to another with their graduation ceremony. The KG graduates in their yellow gowns acknowledged their rite of passage through class speakers and presentations. The cute KG graduates in multi-hues sang their hearts out at their ceremony! We wish all of them luck as they move into the next stage of their scholastic journey at Primrose.

GRANDPARENTS' DAY

On October 10th the Kindergarten pupils were excited to show their Grandparents their classrooms and share their learning. The experience strengthened the links between family and school.

It was wonderful to see Grandparents interacting positively with their grandchildren and participating in a variety of activities such as tying garland, tea bag party event and cotton ball game.

The assembly finale ensured that Grandparents day 2018 was memorable for all. Students were proud to share a small part of their school life with their loved ones.

MOM, MA'AM & ME

The programme Mom, Ma'am and Me was specially designed for the parents to learn how their kids spent their day with their teachers building a good rapport with their peers. They also saw their children forming their first friendships in a safe, warm, and nurturing environment. When mothers participated in their kid's activities, they got to know the interest of their children and the areas where the children needed to be encouraged. They say "Seeing is believing" and so the parents saw the various dimensions of Primrose and what it had to offer their kids.

KG MORNING ASSEMBLY

School assemblies serve as powerful motivators for the entire school. It powerfully instills discipline and also to set a joyful and focused tone for the day. We convey a lot of information including assigning duties and also utilize the assembly to talk about topics such as values and good manners which need to be reinforced every day. It also brings out every child's innate talent and self confidence.

PRIM BUDDIES MEET

BLOSSOMING TALENT

PrimBuddies was conducted by the school on 23rd February 2018 to give an opportunity for every single child to perform. Kids performed in various events like Object Tracing, Guess who party, Rhythm and Rhyme, Magic colour Blast, Rock n roll, Origami, Sing A jingle, Montessori - Button frame, Montessori - Colour Tablets, Montessori - Shoe lacing and Tell me a story.

KG SPORTS DAY

The Primrose Annual Kindergarten Sports Day held on the 11th of April, 2019 was hosted to promote happiness & healthy lifestyle in all Primrosian. Participated by over 500 students, the event provided a nurturing environment through fun games, races, dances and drills. The Nehru Indoor stadium was abuzz with creatively planned activities, each drawing home the importance of healthy lifestyle and happiness. Special games were also hosted for parents who participated wholeheartedly in the event.

MIDDLE AND HIGH SCHOOL SPORTS DAY

Annual Sports Day was celebrated with great enthusiasm in Primrose School on the 12th & 13th of April, 2018. The Nehru Stadium was overflowing with zeal, passion and excitement. The students displayed a wide array of energetic and bouncy sports events ranging from the march past, umbrella drill, Yoga, Karate, Zumba and a display of all traditional sports. They mesmerized the audience with their energetic performances. The proud parents could be seen filled with happiness to see their child performing. The Chief Guest and the Guest of Honour Mrs. Sindura Aravind awarded the medals and the certificates to the winners of the various sports events. The house of Red Rose bagged the championship award, the blue bells bagged the championship for the middle school, Marie Gold bagged the first place for the high school and house of Ivy bagged it for the primary. Thus all the kids had a taste of participation and victory.

TEACHERS' SPORTS MEET

In Primrose, Sports Day is not restricted to physical education teachers but to all subject teachers and sportively they took part in it. The teachers took part in multiple games like throw ball, badminton, shot put, javelin, discus, carom and chess. It is a brilliant move that games are being held for teachers. They say that healthy teachers shall be able to teach their students in a better way. Our teachers competed earnestly contributing their valuable points for their respective houses.

ASISC TOURNAMENT

Primrose School proudly hosted the ASISC Badminton competitions on 12th and 13th of July. Hundred and twenty-two participants representing sixteen schools across Tamil Nadu participated in the competitions. Congratulations to the Primrose senior girls' team who secured the third position. The junior girls football team received the runner up trophy in the CICSE Competition.

KARATE

We are proud to say that our school students participated in the 37th International Karate Tournament (South Zone) which was held in Pondicherry on 27th January 2019. More than fifty students participated in the event. They did extremely well and made us proud by winning trophies and certificates of appreciation in different categories and won the overall Championship cup for our school. A massive congratulations to all the participants as they secured the maximum number of awards in Kata and Kumite.

YOGA

We proudly hosted the National Yoga Competitions 2018 on October 15th and 16th. There were twenty-eight participants representing ten schools. Yoga Camp was organised to train the students to represent the Tamil Nadu & Pondicherry Region at Hyderabad. These student then participated in SGFI in the National Level Yoga competitions. We are also proud of our student, Akshita of Class X, who was selected for the National School Games Federation of India (SGFI), competitions.

PRIMTALENT

In our constant bid to provide students opportunities to sharpen their skills and prepare them for the competitive world. We prepared our students to appear for the 1st Primtalent Exam hosted by our prestigious Primrose Schools and the students made us proud by securing excellent results in all subjects.

GRADUATION DAY

Class V A students Graduated to Class VI A (Primary to Middle School)

Class V B students Graduated to Class VI B (Primary to Middle School)

Class VIII students Graduated to Class IX (Middle to High School)

Class X students Graduated to Class XI (High to Higher Secondary School)

Graduation day is always a day of rejoicing as it symbolises the culmination of many years of hard work in the continuous pursuit of knowledge. To make it significant, at Primrose Schools we celebrated with fun, simple, but very memorable KG and primary school graduation.

They sang a song, danced and orated making the parents and teachers very proud. They demonstrated a few things through speeches and acts they have learned throughout the school year. All the students marched down the aisle to get their diploma for completing their primary school experience. It was a special and momentous day for all graduates.

The toss of the mortarboard, the sway of the tassel, the cries of joy, and the swell of pride in the hearts—it was an indescribable feeling during those defining moments of the graduation day for the VIII and X graders. They turned out smartly in their graduation gowns, marching in front of the entourage to the thunderous applause of the assemblage. Those were the unforgettable moments that got etched in everybody's heart so deeply. Mr. Ganesh, our Principal graced the occasion with his august presence.

SUPW WORKSHOP

SUPW WORKSHOP ON INNOVATION

Creativity is a powerful motivator for both individuals and teams. And it's not something only artists have – with the help of specific techniques, it can be taught, trained, and enhanced. Workshops are a popular format for creative meetings that elicit participants' intrinsic drive and motivation. With this regard the students of class IX, XI and XII of Primrose had the good opportunity of attending a workshop on Innovations on the 19th of September 2018 conducted by Mr Navneet Bhushan. He indicated that something as simple and mundane as a toothbrush could also be modified into a smart toothbrush with ideation. The workshop definitely triggered off the imagination way beyond the normal levels and ended up with a task given by Mr. Navneet to the students, which was to imagine and ideate on smart changes in Primrose Schools.

CAREER COUNSELING

Only dreams give birth to change. As a school we hold the responsibility of shaping and guiding our children to grow in the right path and to pursue their dream. A career guidance workshop was conducted on 26th January, for the children of classes IX to XII followed by the Republic day celebrations. Parents were invited to be a part of the workshop. The workshop was conducted by Mr. Ramanujan from Edu Sarathy. He gave us an insight about the courses offered by various reputed colleges in India and overseas. The scope of the course was discussed. Parents and the children enquired about various courses. It was a fruitful workshop given at the right time.

GARAGE SALE

The garage sale is an annual fundraising initiative by the students of grade ten, attended by over 100 shoppers and deal-hunters from across the Primrose families. For one Saturday in September, the Primrose grounds was transformed into a well-organized flea market with lineups starting at 8 a.m.! This sale not only raises funds for the School, but is also a community outreach initiative. It was a learning experience for the students.

DOUBLE IT- A BUSINESS PROJECT

A successful business venture by the Business Studies students of Class XI. Learning the art of Entrepreneurship – a small business investment with a great turn over.

PLASTIC GO

It's not our Style - Plastic Go

The Government of Tamil Nadu's stringent approach of imposing a state-wide ban on certain "Use and throwaway" plastics became effective in Primrose Schools too. There was a special focus on the reduction and ultimately the elimination of plastic bottles, lunch and snack boxes and plastic food packaging items brought to school. A team of teachers and admin staff addressed the issue, to help spread the word to reduce and stop the usage of plastic in the school. Plastic is not used in our cafeteria. Students and teachers turned to collect plastic trash and plastic items in school. Thus creating a safe environment for our future generation.

CANCER INSTITUTE VISIT

We do not need to be a millionaire to be charitable. Simple actions like feeding a poor man for a day or teaching a poor child are acts of charity. Every person can do this, and it could bring about some difference in another person's life. Primrose students had the privilege to visit the cancer institute. The experience was unique and rather gratifying. Students learned that it was an opportunity to offer patients and their family members a sense of support, comfort, understanding, and respect. The patients' gratitude for what they did was abundantly witnessed by their smiles and frequent expressions of thank you.

TRICHY ORPHANAGE VISIT

Teachers at Primrose had an opportunity to do things differently. They got an opportunity to visit Krish Kakum Karangal orphanage and interacted with old people. Primrose stretched its loving hands to reach out to the needy to build a compassionate world.

ORPHANAGE VISIT-LITTLE HEARTS

A visit to an Orphanage is a life-changing experience as it is filled with emotions and sentiments. We were lucky to get an opportunity to visit an Orphanage named Little hearts in September. After visiting the orphanage, the students started appreciating the little things in life when you see people who don't have them. The garage sales' proceedings were donated for 'LITTLE HEART Home - Panaiyur' to provide a special lunch for a day. It was a very touching and enriching experience for the students and teachers who accompanied them.

KERALA RELIEF

The school management and our dear students got together to contribute towards relief operations for the flood hit Kerala. We collected relief materials like clothes, grocery and money to fund the thousands of affected people. It was dispatched through various agencies.

BEST CLASS AWARDS

Positive reinforcement of desired behaviours along with acknowledgement of hard work is a great thing. The best class awards have made students walk proudly on a positive note every year. They take a little time to achieve as a team; however, the smiles they will bring have been well worth it.

PUNCTUALITY AWARDS

It is not only days that matter; every minute counts. Arriving on time means children can walk into class with their friends. This increases their sense of belonging and creates a calm start to the day. A punctuality trophy is awarded to the whole class and awarded individually during the annual day concert.

FIELD TRIPS

A field trip is one of the best tools that we can use to provide every student with real-world experiences.

The primary students were taken to the heart of Chennai on a visit to the Government Museum. They then moved into the galleries and saw artefacts and displays covering a wide range of topics including Archaeology, Numismatics, Geology, Botany, Art and Anthropology. They ended their experience of the museum with the thrill afforded by a 3D show on Dinosaurs.

Students at the Railway Museum were enthralled to see the exhibits of wagons, coaches and engines displayed in the exhibition hall. Everyone thoroughly enjoyed the toy train ride and were particularly thrilled when the train passed through the tunnel. The pupils came back with a Pandora box of knowledge, which made the trip fruitful and joyous.

FIELD TRIPS

Grade 7 were taken on a field trip to Wild Tribe Ranch, an adventure games/sports theme park in ECR, Chennai. It can unanimously be said that the most thrilling and enjoyable ride in the park was the extreme bungee ejection, a contraption that catapulted you into the air. It was amazing to see how the bravehearts having fun and getting to know their friends.

Gramathil Oru Nal was where all the class VIII students stepped out of their classrooms and stepped on to the field and proved that they can both work hard and play hard. Everyone put their sports cap on and had as much fun as they have at school. Each and every activity had everyone participating with a lot of enthusiasm. The field trip then wrapped with a lavish lunch and healthy snacks.

A great way to start their learning year at Moosa Land was fun ! Here were different kinds of play: physical play like running, jumping, dancing; imaginative play like role-playing and story making. Kids thought critically and solved problems as they used puzzles and building blocks.

FIELD TRIPS

SUPW – Trip to Thiruvananthapuram

To help the children taste the flavour of farming, children of classes IX to XII were taken to Thiruvannamalai to experience the joy of farming. As the quote goes “And into the fields I go to lose my mind and find my soul”, the children enjoyed being in the fields getting hands on experience in farming. They also gained knowledge on poultry, aquaculture and ways to save mother nature.

TEACHER ENHANCEMENT PROGRAM

The Time Management workshop covered strategies to help the teachers learn those crucial strategies and skill sets that included personal motivation, ways to increase efficiency and effectiveness in the classroom and methods to improve the quality of your lessons.

UNDER THE ALAMARAM

The teachers at Primrose Schools had the pleasure of witnessing the International Story Telling Showcase with the Kathai Kalatta team as they celebrated their 5th year. It was an opportunity to see international storytellers give the teachers and the children a feel of cross cultural story telling experience. It enriched the personality of the teachers and motivated us to increase our verbal proficiency.

NEW BLOCK INAUGURATION

It was indeed a special evening for all of us as we witnessed the inauguration of the New Block by our Mrs. Chairman. This beautiful edifice of learning is equipped with a large library, AV hall, wize floor, a grass sports pitch on the terrace, dedicated games areas and many classrooms. Our Principal thanked all the benefactors and promised in helping the students aim for and reach beyond the stars.

WIZE FLOOR

Primrose, the one and only school in South India has proudly adopted the interactive learning floor, called the Wizefloor. Many studies have shown that physical activity strengthens memory. So the wizefloor promotes physical motion, teamwork, communication and creativity through play and can also become our future classrooms.

MEDICAL CAMP

The Primrose yearly Medical health checkup enables children to be healthy. A free dental and eye check-up was organized. A team of doctors carried out a comprehensive dental and eye check-up on students of kindergarten, Grade 1 to Grade 12. On completion of the medical check-up, each student was given a medical card, a report summary of the diagnosed problem and recommended for further treatment if required.

FIRE DRILL

Primrose conducted a mock evacuation drill for classes I to XII in February, to create awareness about the measures to respond swiftly in the time of any disaster and emergency. The teachers had positioned themselves at the key points during the evacuation operation to guide the students and ensure smooth evacuation.

FAREWELL- CLASS XII

FAREWELL- CLASS X

TEACHERS' DAY OUT

The teachers at Primrose Schools had a great day out in Pondicherry. Here we first visited the Mother's Ashram and paid our respects. A walk along the Rock beach was a perfect getaway to lose yourself in the beauty of nature. And was easily accessible and located in the heart of the city. A light tea and snacks time followed by the sumptuous lunch was enjoyed by one and all. Later we ventured for the Paradise beach which actually justifies the name it carries ! It's a very clean and lovely beach with clear waters. The beach resembled an island to which we reached by Ferry boat service from the Chunnambar Boat house. The boat took about 20 minutes to reach there. There were several activities at the beach. The teachers and their kids enjoyed the Rain dance. The place captivated our hearts and minds and hope the memory would serve as a jocund company for teachers.

TEACHER ENHANCEMENT PROGRAMS

Learner Centric Teaching Methodology	Mr. Ganesh, our principal demonstrated how to write an effective lesson plan keeping the students, the content and the time required to teach the lesson.
Classroom Management	Our principal, Mr. Ganesh conducted a training session on how to manage the class and to make the lesson delivery effective.
Training on Report Bee	Mr. Ramanujan orientated the teachers on how to use the 'Report Bee' software to generate report cards.
BLPS Workshop	Ms. Karishma conducted a workshop for the new teachers handling the Book Lover's Reading Program to make reading books interesting, understanding and enjoyable
Objective Deployment Process	To understand the vision and mission of the school, the policies, duty as a teacher and other responsibilities they should hold in the school were elaborated by the Principal, Mr. Ganesh.
Time Management	Mr. Ganesh, the principal conducted an activity based workshop for all the teachers to plan their work and execute it as per the scheduled time.
Emergency Evacuation Drill	The evacuation drill created an awareness on safety and how to save themselves in an emergency Situation in the school environment.

PRIM AD INFINITUM

PRIM BUDDIES MEET BLOSSOMING TALENT

PrimBuddies was conducted by the school on 23rd February 2018 to give an opportunity for every single child to perform. Kids performed in various events like Object Tracing, Guess who party, Rhythm and Rhyme, Magic colour Blast, Rock n roll, Origami, Sing A jingle, Montessori - Button frame, Montessori - Colour Tablets, Montessori - Shoe lacing and Tell me a story.

24 Primrose Schools - Year Book 2018-19

MOTHER'S DAY CELEBRATION

The 21st of February marked the birthday of 'The Mother' - who epitomized service to mankind as equivalent to service to God. Florals were offered to The Mother by the students. Sweets were distributed by the Director to the pupils. The auditorium resonated with melodious songs, graceful dance steps and candle light dances instilling the values of the Mother amidst everyone.

PONGAL CELEBRATION

Pongal Celebrations 2018 at Primrose Schools was a sweet day with a typical village Pongal celebration. The halls and reception were adorned with flowers and thoranam, sugarcane stacked to grace the occasion. An earthen pot was placed on fire with traditional fanfare. The chanting of Pongalo! Pongalo! Pongalo! Every moment was enriching for the kids who were able to experience typical Pongal celebrations firsthand. Class 6 students performed many folk songs with musical instruments and entertained their friends. Children went on bullock cart rides, played Uriyadi and had sweet Pongal and sugarcane to end the day with many fond memories.
