MESSAGE FROM CHAIRMAN

“The teacher is not an instructor or Taskmaster, he is a helper and guide” - Sri Aurobindo.

I believe the role of teacher in this modern world is not to instruct but guide the children. Every child is unique and expand their knowledge based on their innate nature.

In Primrose, knowledge is not thrust from outside, but it is lovingly nurtured from within. The children are guided to learn from the far and the near.

We provide a positive and happy ambience for the children to learn at their own pace. Beyond curriculum, we lay emphasis on character building and upholding high moral values, preparing our children to become confident and global achievers of tomorrow's world.

With the blessings of The Mother, let's join hands in creating better leaders for a better world.

Mr. M. Nandagopal

MESSAGE FROM DIRECTOR

“To love to learn is the most precious gift that one can make to a child, to learn always and everywhere.” - The Mother.

Each day I step in Primrose with loads of excitement, as I find each day an adventure filled with new experiences, learning for all and a chance to constantly widen our horizons.

Primrose always strives to promote growth of each individual at a joyful environment. We thrive to create responsible, resilient, dedicated, respectful, ethical and confident young adult who are well prepared to strive for success in the world of future.

As Sri Aurobindo rightly quoted “ The first principle of teaching is that, nothing can be taught” our children learn by involving themselves with a bigger smiles, brightening our lives and lifting our spirits high.

FOREWORD

Warm Greetings!

Blossom by blossom, the academic year 2021-22 began to regain its soul at Primrose Schools. The year was full of life with enough events and activities to engage with. As we march, we felt the light of faith and hope of getting into better days, restoring normalcy.

While the school was on its toes, there was a strong need felt to help children come out of the post pandemic depression and anxiety. Emotional wellbeing of the children was taken care genuinely to develop the resilience to cope with whatever life throws at them and boost immunity and healthy enough to survive the storms.

Given the opportunity to continue with the physical classes, it was high time to bring back life to the classrooms, corridors, listening to the roaring sounds of the kids, adding rhythm to break the monotony.

The school was thoroughly prepared to welcome its senior classes back to school after a break. The long wait came to an end, the government having opened the gates of the school for the primary and Kindergarten sessions, we were all set to receive them with loads of love and warmth.

Academics and co – curricular goes hand in hand at Primrose Schools. Virtual 15th Annual day was celebrated embedding various moral themes, the most needed aspect of the hour for the children who are spending most of their time with the gadgets.

The children of classes X and XII successfully completed I and II Semester Exams. They fell in line with the teachers' directives and had put in lot of effort to prepare for their exams.

We plan for the effective closure of the academic year without comprising to bring the spirit back to life, though the celebrations were kept at minimal scale, mindfully, every occasion brought in happiness, a sense of gratitude, and hope for the bright days ahead.

Mr. Ganesh Perumal

CEO

Our Motto:

The place where I can be 'me'.

Mission:

The aim of our school is to help a child realize his unique potential in the light of Sri Aurobindo's vision of integral education. His philosophy of education aims at the flowering of the child's physical, emotional, mental, and spiritual personality. The cultivation of Beauty, Power, Knowledge, and Love is what he calls Integral Education.

Integral Education Ideals:

Our school is guided by Sri Aurobindo's three principles of teaching.

1. The first principle of true teaching is that nothing can be taught. But everything can be learned! This principle shifts the focus from the teacher to the student and from 'how to teach' to 'how best can the student learn.'
2. The second principle is that the mind has to be consulted in its own growth. We focus from 'we-know-what's-good-for-you syllabus' to making the student participate in a flexible delivery and learning process. The teacher is more of a facilitator or a guide here.
3. The third principle of education is to work from the near to the far, from that which is to that which shall be - The first step in learning is to establish a context that is familiar and relevant to the student from his own point of view. This ensures that the resistance is low and motivation is high. The mind is inspired to take the journey now!

We at Primrose work for a global movement towards Integral Education that strives for the development of all aspects of a child's personality.

Physical education and team sports sessions provide a strong and healthy graceful body, the first requirement in a child's education.

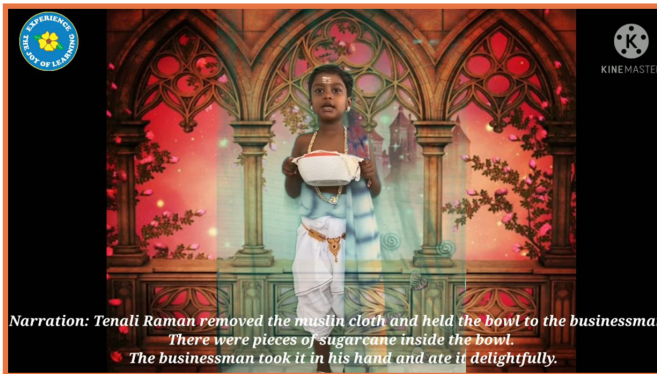

Children also involved in music, arts, drama, craft, skating, and yoga so that they are channelized through freedom, leadership, responsibility, and learning by doing acquiring vital education.

Mental Education is developed through subjects like languages, Mathematics, Sciences, and Social Sciences.

Spiritual Education is given more importance to the growth of the spirit than intellectual, inculcating values like love, truth, faith in the heart.

We give international education fostering universal love, sympathy, fellow feeling and understanding, accepting kids from all over the country and the world living together in peace and harmony, above all creeds, all politics and all nationalities.

ANNUAL CONCERT LKG - II

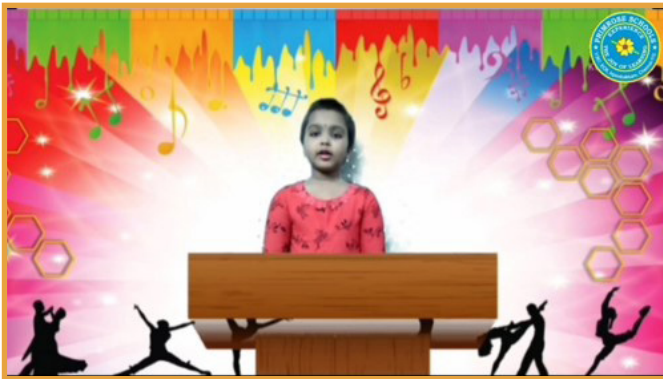

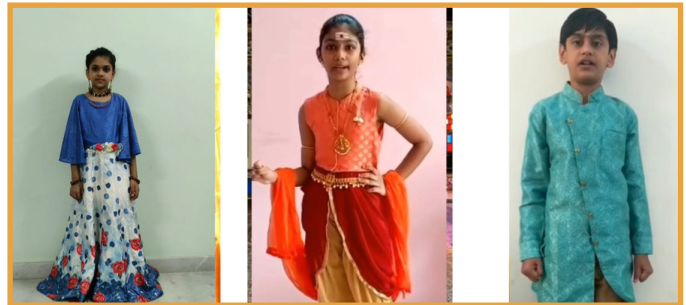

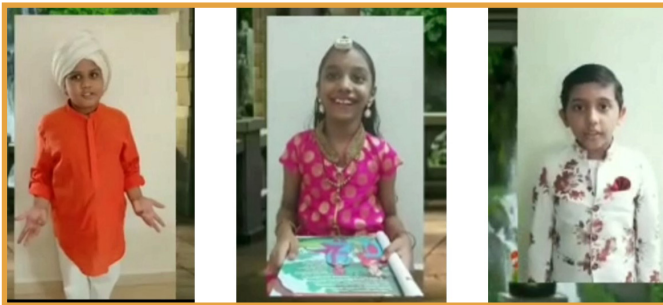

Primrose hosted its 15th Annual Virtual Concert, where the children of LKG to II participated with enthusiasm and zeal, bringing to life Dora Buji, Characters from Panchatantra tales, Midas and Peter Pan integrating the much needed moral values for life. The show left the audience spellbound.

INVESTITURE CEREMONY

“Leaders are not born but are made by their experiences in life”.

The children compete among their fellow students to prove themselves and be shaped as best leaders of the future. The leaders at Primrose are identified with utmost care, their skills are honed rightly to strengthen their passion, commitment and creativity to serve their community effectively. The newly elected student cabinet members of the academic year 2021 - 2022 take up their responsibility with pride and sincerity, promising to make the Primrose Flag fly high.

DECLAMATION

“Speech is the mirror of the soul, as a man speaks, so is he” – Publilius Syrus. Primrose Schools creates opportunities for the students to bloom as confident individuals. Striving to create global leaders, we focus on building their ability to express and communicate with confidence, providing them a fearless ambience and multiple platforms to express their opinions. ASISC competitions is one such event where children not only perform, but get to know many other talents around them. The school hosted Fr. George Hess Memorial Declamation Competition for three categories from 16th September 2021 to 18th September 2021 in virtual medium providing the children an opening to explore and experiment their skill.

CISCE TRAINING

To be prepared is half the victory, the teachers gearing up with the training session from the ICSE board, to prepare the children for their success in the new pattern of Semester Examinations. The teachers learning their best from the subject experts, to help their children for a better tomorrow. Every teacher was given an opportunity to sharpen their skills, before they stage their final performance.

KG EVENTS

Learning at kindergarten is always fun. The monthly events enable the children develop skills beyond knowledge of the subjects. Children are exposed to the essence of life through various activities. Each and every activity turns out to be innovative and unique, allowing them explore themselves, little concepts under the sky and their community. The monthly themes are a great way to understand various concepts essential for lives with ease and at their own pace. Along with fun filled activities, qualities like sensitivity, creativity and togetherness are also integrated in students keeping the value system intact, allowing them to bloom and thrive to be responsible citizens.

VIDHYAARAMBAM

Vidhyaarambam was observed by the school on Vijayadhasami. As the word Vidhyaarambam signifies the “the beginning of knowledge”, the toddlers began their journey of education alongside their parents after the invocation to Lord Ganapathy. The toddlers are introduced to the world of knowledge by writing the letters in a tray of rice grain with the assistance of their parent.

KINDERGARTEN GRADUATION

The KG graduation was a special event as it was the first event involving the parents and the tiny tots after the pandemic. It was a welcoming sight to watch the tiny tots perform in the school premises on the graduation stage, flaunting with their graduation robes. The graduation ceremony is a milestone achievement of the kindergarten children marking a special memory as it was also the first time for many coming to school, visiting the campus, meeting their friends and of course their teachers offline.

The Director Ms. Sindura Arvind, The Principal Mr. Ganesh Perumal, felicitated the young graduates as they're celebrating the milestone journey.

MOM, MA'AM & ME

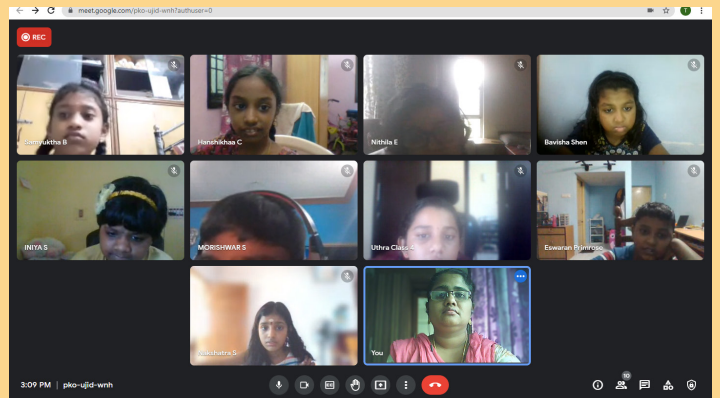

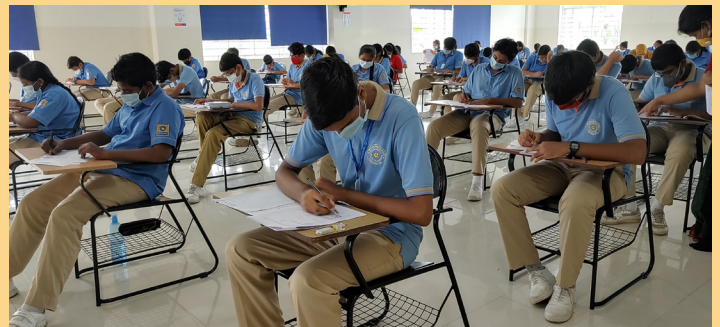

The programme aims at establishing a bond among the child, teacher and parent. The children and parents are given an opportunity to explore the learning environment together. The programme successfully brought to light the skills of little explorers and the various dimensions at which the children acquire skills at Primrose Schools.

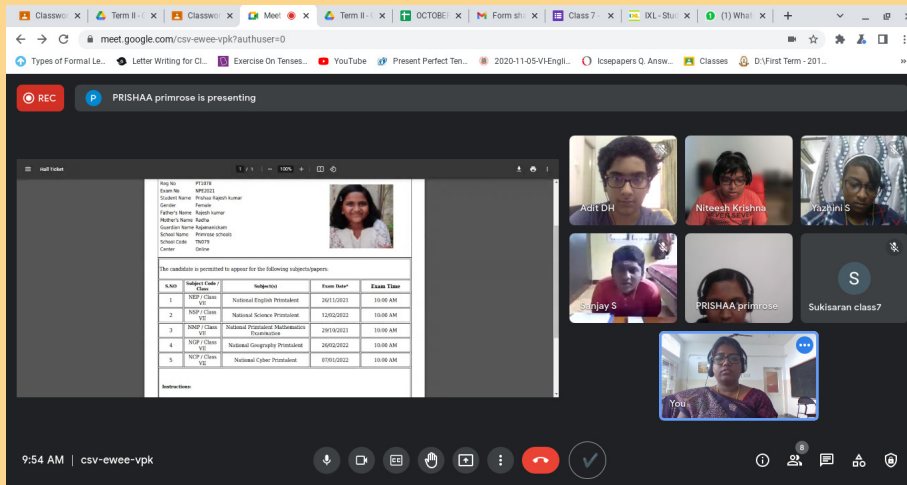

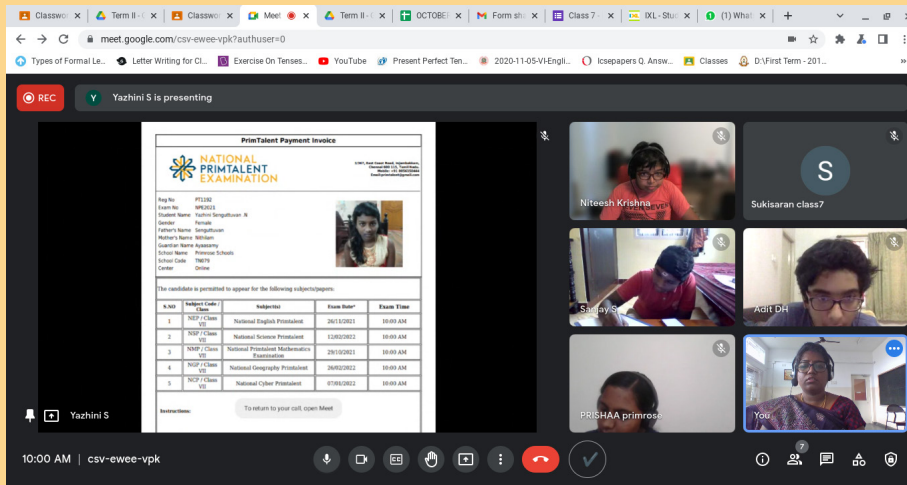

NATIONAL PRIMTALENT EXAMINATION

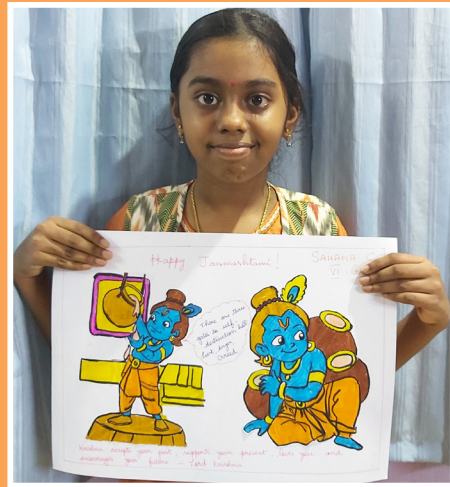

Primrose Schools strives in providing global education to the children. Primtalent is an initiative of Primrose Schools, which is nurtured with care and upgraded every year to challenge the children and prepare them to face the competitive exams confidently. Primtalent exams are conducted across various subjects like English, Math, Geography, Computer Science and Science. Primrose has gone an extra mile in introducing Primtalent Tamil to enable the children develop their Language Skills. Primtalent promotes problem solving, analytical thinking, critical thinking, comprehension skills, lateral thinking and enhances the application skills of the learner.

- Launched the Primitalent Website (2021-2022) at National Level for subjects English, Mathematics, Science, Cyber, Hindi, Tamil and Geography.
- Conducted Online Primitalent Examination and issued National Level e-certificates to all the Merit holders.
- Students from various schools participated in the examination.

Krishna Janmashtami, was celebrated on September 1st, 2021, with great devotion, divine and with full fervor by our students through virtual mode. The children donned themselves in the attire of Lord Krishna and Radha, frolicking around with flutes, peacock feathers and butter matkas.

Our beloved Principal hoisted the national flag on Independence Day, igniting the zeal of patriotism in the young minds. A tribute to the bravest souls of our country with utmost respect.

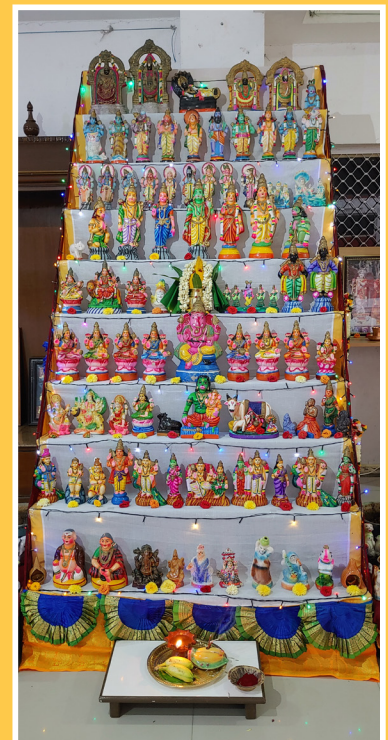

Christmas brings in loads of hope, love and joy. Christmas did fill the premises with hope, love and joy with the coming of children to the school after the pandemic. The children were excited to be apart of celebration, the celebration marked a positive sign of resuming normalcy. Keeping in mind the safety protocol, the celebration was kept within classes with the joy and love spreading throughout the campus on 23rd December 2021.

MOTHER'S DAY CELEBRATION

21st February 2021 marked the birthday of 'The Mother', the children of Classes KG to XII offered flowers as token of gratitude for wisdom and guidance of The Mother, enabling us to sail through the challenging times of the pandemic. The children involved themselves in short meditation, seeking the blessings of The Mother to soar up to the sky.

Navaratri was celebrated with zeal and enthusiasm by the children. The children came forward to participate in Sloga reciting competitions organized by the school. Children came out with special events for the Morning assembly making it more colourful and meaningful. The school displayed nine tiers of dolls, and figurines of human beings, idols of Gods and Goddess. The teachers and students offered consistent prayers seeking the blessings of Goddess Durga.

NAVARATRI CELEBRATIONS

PONGAL CELEBRATION

The fragrance of the flowers, the jingling sounds of the anklets, the laughter of the children and the colourful ethnic attire brought back life to the school. The teachers and children of classes IX to XII came together to pay gratitude to the Mother Nature on 13th January 2022. The school was adorned with flowers and traditional thoranam, sugarcane stack added to sweeten the occasion and the earthen Pongal pot set ready to fulfill the Pongal celebrations. Children enjoyed their ever favourite Bullock Cart ride, uriyadi and delicious Chakra Pongal after rendering a short prayer. Happiness and excitement were the take away of the occasion for children who came together for celebrations after two long years of pandemic.

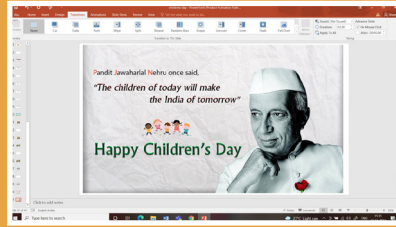

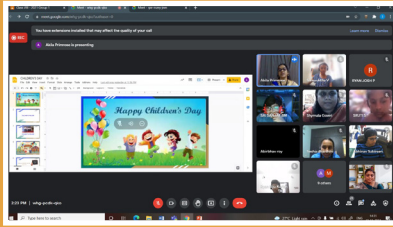

“In the process of Nurturing dreams”

Primrose Schools organized an award ceremony on the occasion of Teacher’s Day, 5th September 2021, to acknowledge and honour the efforts of every teacher who work selflessly to nurture the dreams of every child, especially the tireless effort rendered by the teachers to constantly keep the children engaged was applauded by the Director and Principal, rewarding them with the sense of satisfaction.

TEACHER’S DAY

CHILDREN'S DAY

Pandemic never held us from celebrating any events. Walking ahead is as always, the style of Primrose, planning to support and engage the children resourcefully is our mantra. Having experienced working in online platform the teachers and students had gained expertise over the usage of online tools more effectively, resulting in having celebrations online much enjoyable. The teachers presented informative and entertaining events on the occasion of children's day; the teachers came up with interesting activities to entertain the children throughout the week.

Primrose, remembered and honoured the martyrs who sacrificed their lives for our freedom on 26th January 2022. The Principal hoisted the National Flag. He addressed the teachers gathered for the celebration, his message carried the real essence of freedom and rights exercised rightly. He insisted that we inculcate the habit of understanding, respecting each other in the young minds. The teachers came up with cultural events to entertain the audience gathered.

REPUBLIC DAY

WOMEN'S DAY

Primrose Schools firmly believes in women empowerment and has been organizing mega events to promote gender equality in all walks of life. The International Women's Day was celebrated on 8th March 2022. The Principal shared few words on the importance of woman in every humans life. The teachers came up with various entertainment programs cherishing and celebrating the day to its fullest.

BADMINTON – INTER HOUSE MATCH

Primrose Schools always looks out for various opportunities to ensure the children are motivated enough physically and mentally to perform better in academics. The pandemic did make an enormous impact on the lifestyle of the children and adults curbing them from physical activities. The school stepped forward in conducting Badminton matches for the children and their parents giving them a platform to refresh and regain their mental and physical health, preparing them to resume their routine with positivity.

BADMINTON – PARENTS

The aspiring parents of Primrose who always stood away watching their children grow were now given an opportunity to be in the fields and encourage their children making themselves as a best role model.. The energy of the parents in the badminton court elevated the spirit of the children to the next level, proving the age was just a number.

GRADUATION DAY VIII

Primrose Schools organized the Middle School Graduation Day on March 5th, a culmination of efforts of students, parents and teachers. It was a serious yet a joyful day. Graduation Day is treated as a day to be celebrated for all the endurance the children had put in during the academic year and cherish all the memories, they have made throughout the school year.

It was soul quenching to hear the children confidently share their fruitful learning experience and the transformation they have gone through during the years they have spent with us. The event was embedded with visual treats.

GRADUATION DAY EUPHORIA

GRADUATION DAY V

Primary School Graduation Day is considered as a stepping up, as the students of Primary session walk the stage with a jumbled-up emotion of excitement that they have reached a milestone and pride in being announced as kids to grown-ups. The event with no doubt was charged emotionally, specially as the children had to cross the bridge through the storms of COVID 19.

The Graduation Day was celebrated on April 9th, happiness and sense of accomplishment served as a take away of the day. The children shared their exciting journey with the audience, the seniors extended a hearty welcome to their juniors, keenly looking forward to take the thrilling ride into the formal education, willing to take up more responsibilities.

HELP TO THE NEEDY

Children learn by imitating the adults around them, as a school that focuses on imparting values to its children, Primrose Schools creates opportunities for the students to have a taste of helping the needy. One doesn't be rich to help others, a small act of kindness will suffice to make the world a better place to be in. A small step of providing food, sharing loving words will made a vast difference of many, our children had opportunities to visit orphanages, share their love and warmth with the people who needed it the most. They shared sweets and basic things as a token of their love.

FIELD TRIPS

Primrose Schools takes utmost care in designing the field trips for the children across the classes KG to XII. The field trip aims at giving real world learning experience, Socio-emotional growth and learning through individual involvement. The field trips are integrated into curriculum to optimize the learning experience. The field trips of the academic year were a delight for the children who resumed normalcy after two long years. Children enjoyed walking around some exciting spots.

The children of Class V made their way to Mahabalipuram , The Sea Shell Museum to be one with the nature. The children were excited to explore 40,000 specimens of rare and unique Sea shells. It was a wonderful experience for the children to learn about sea shells and pearls. The children had a memorable learning experience.

A field trip to Dakshinachitra was arranged for students of Classes UKG and V. The children headed to the spot with loads of excitement. They were awestruck by looking at the models of ancient houses, tools used for occupation. The children witnessed demonstration of pot making. These exhibits took them back in time to relish and to live the life of our ancestors in time. Children enjoyed walking into the houses which were typically in South Indian styles. The trip was a package of happiness.

Children of LKG were engaged in garden exploration aiming at strengthening their observation skills by involving children into sensory activities, expand their knowledge about their community and create memorable moments. Children enjoyed to be surrounded by variety of flowers dazzling in bright colours.

A trip to the zoo is one effective way for students to observe animals and feel a connection with wild life. The children enjoyed observing the behaviour of animals under captivity, while they also learnt to respect wild - life by not interacting with them. Learning at zoo was enormous, children witnessed the natural habitat of the animals, their sounds and lifestyle in the zoo. The trip was truly a wholesome experience.

TEACHERS' TRAINING

The school also aimed at equipping the teachers with ancient health practices to boost their immunity. Teachers possess the power to create a change in the community, beyond imparting knowledge we felt the urge to keep the children and staff healthy physically and mentally to face the unexpected challenges. Sessions were conducted to lift the spirits of the teachers and be confident, which in turn will create a confidence in the learners. The role of a teacher keeps changing, a teacher acts in accordance with the changing situations to protect and empower the students effectively. Sessions were conducted to motivate and sensitize the teachers on their roles and responsibilities.

Pongal Celebrations - Teachers

Hop on the bullock cart for a fun filled ride

Happiness is contagious at Primrose. Primrose had always been a source of happiness and positivity despite the external challenges.

PONGAL

Together we make memories, withstand storms, explore and light up life around us, spreading joy. A little ride with loads of memories to cherish.

A combo of tradition and fun. Definitely a game to go with, teachers tried their hands and the take away was fun and evergreen memories.

Mor Pandal – Cool Summer Delight

"Beat the heat with cool butter milk", as summer set in Primrose geared up to serve delicious and cool buttermilk for the passersby of ECR.

Summer Mor pandal of Primrose attracts people from various walks of life, stopping to gulp down a few glasses of refreshing buttermilk.

People in bicycles, motorcycles and cars make a beeline to the stall to quench their thirst.

For 5 years now, this pandal has always served the travellers of ECR.

“

It is not for our family, it is not to secure a good position, it is not to earn money, It is not to obtain a diploma, that we study.

We study to learn, to know to Understand the world, and for the sake of the joy that it gives us ”
