A PRIMROSE SCHOOLS EDITION

# PARENTS TEACHERS MEETING

With parents and teachers regularly collaborating in the educational development of their children, it provides an assurance to young minds that they have access to reliable support. These meetings help children to understand how deeply their parents care about them and are committed to their well-being.

# PARENTS TEACHERS MEETING

In addition, Primrose helped its parents to ask more about their child's overall performances and common school-age behaviour concerns. Also if parents and their children are going through a rough patch at home, teachers may discuss the problem in a non-judgmental manner and bring them closer through counselling and guidance.

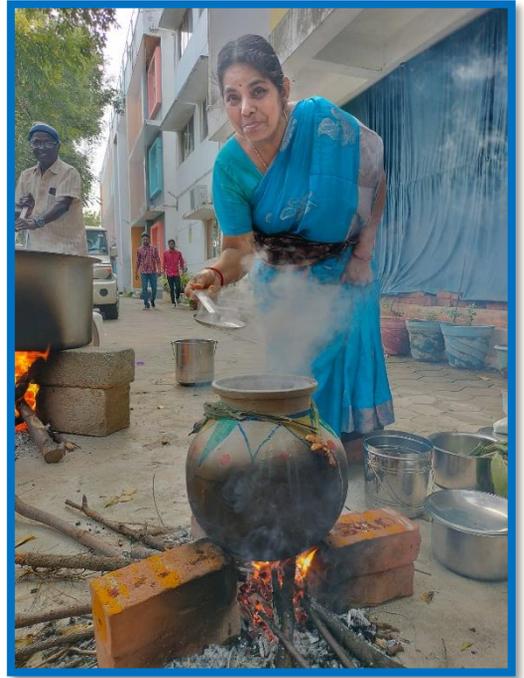

# PARENTS TEACHERS MEETING

At Primrose, one of the best schools in India, we believe in strengthening the bond between parents and their little ones at all stages and hold parent-teacher meetings every term.

# PONGAL CELEBRATION

The Pongal festival celebration at Primrose, is a true manifestation of our rich culture and traditions. We can be seen at our vibrant best. The various celebrations and events at school were designed in a manner to evoke and expose the students' innermost talents. Our school celebrated the Pongal celebration in a splendid manner.

# BULLOCK CART RIDE

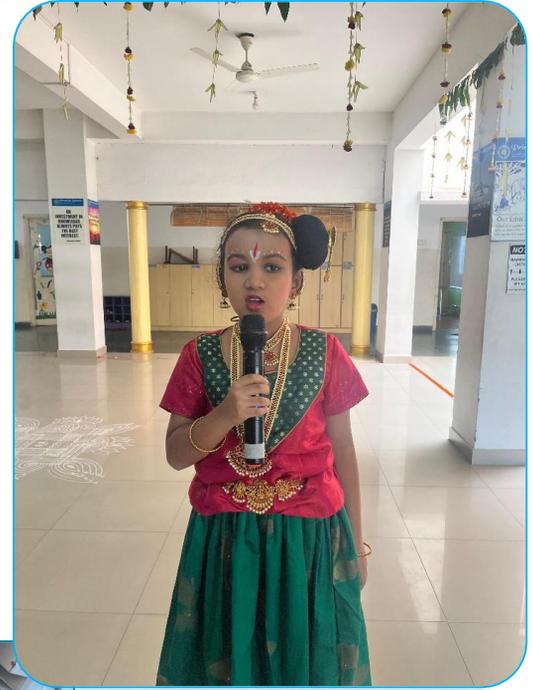

HAPPY  
Pongal

Bullock cart rides during Pongal celebrations at school are a traditional and cultural activity often organized to educate students about rural life and the significance of the Pongal festival. It offers a hands-on experience and connects roots. The ride provides a unique opportunity for students to enjoy during the Pongal festivities.

# Celebrating Margazhi Elegance

The auspicious month Margazhi is known as Margasheersha. We, the Primrosians, celebrated this spiritual month with sumptuousness on our school premises. To imbibe the younger generation with the culture and tradition, our management took this initiative.

# Celebrating Margazhi Elegance

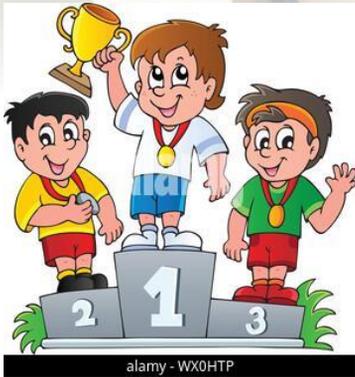

ART COMPETITION

The Margazhi festival was celebrated with a spectacular array of competitions, which helped children of all age groups showcase their talents. Students participated in a drawing competition to showcase their dedication to artistic excellence.

# Celebrating Margazhi Elegance

The students chanted Thiruppavai. This programme spread the fragrance of a holistic approach towards communal harmony. The winners of the Thiruppavai competition were felicitated by our principal with prizes during the occasion.

# Celebrating Margazhi Elegance

As a part of the Margazhi celebration, a fancy dress competition was conducted for the kids. The children disguised themselves as God and Goddess and blazed our eyes with their amazing appearance.

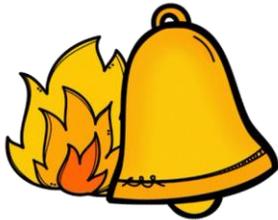

# FIRE DRILL

A school is a place of not only education and enlightenment but fun and frolic too. In continuation with the exercise to create awareness among the students about disaster management, a mock fire and evacuation drill involving students and teachers was conducted to create awareness among the students about fire-fighting techniques and the ways to respond swiftly in times of such an emergency situation.

The mock drill was carried out in the school to check the readiness of the school to face any such fire emergency and also to make the students and staff aware of the firefighting rescue operation.

## Fire Drill

### Fire Drill

Sometimes we have fire drills at school. We practice what we would do if there were ever a fire.

# Assembly - Class III - Swaachh Bharat

**"Cleanliness is next to Godliness"- Mahatma Gandhi**

Grade III conducted the morning assembly based on the theme Swachh Bharat. Children in the first part enacted a classroom scene to show how one can keep their class and school clean. The assembly ended with children singing a song and reading a few quotes on cleanliness.

# Assembly - Class V Patriotism

India

Patriotism is the love and pride for one's nation to the extent of sacrificing even one's life for the betterment of it.

# Assembly - Class V Patriotism

Our Primrosians graced us with melodious patriotic songs, inspiring us to stand together as one nation, regardless of our differences. Each student expressed what patriotism actually meant to them. Students had recited a patriotic poem that would aptly pay homage to the freedom fighters to whom we owe our independence. The Assembly really evoked a sense of patriotism in everyone through the stupendous and heartfelt performances of the students.

# REPUBLIC DAY CELEBRATION

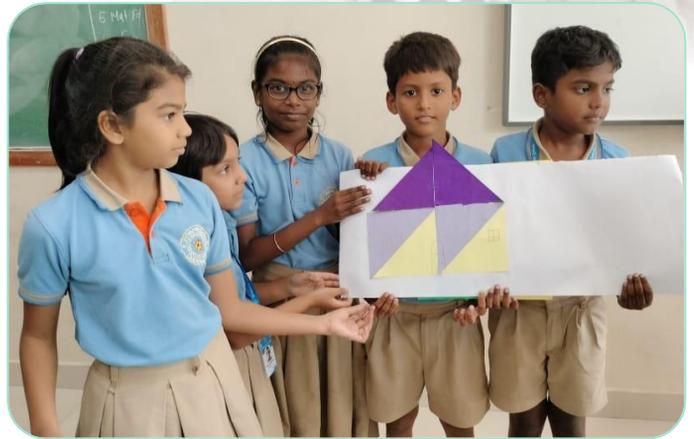

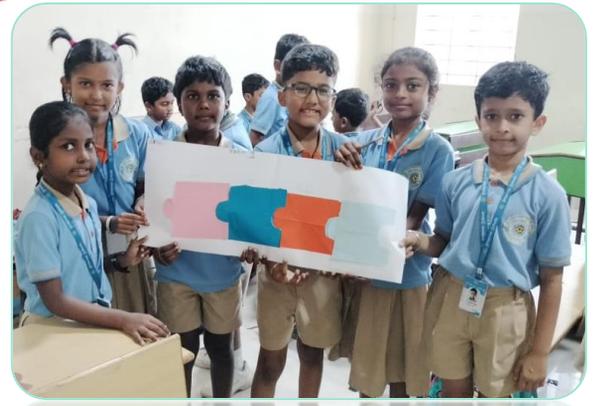

On this day, special assemblies were organized to foster a sense of patriotism in students and spread awareness about our freedom struggle, the constitution, and its values. Students had dressed up as prominent leaders of our freedom struggle to create awareness among the students with regard to our freedom struggle and its major actors.

# REPUBLIC DAY CELEBRATION

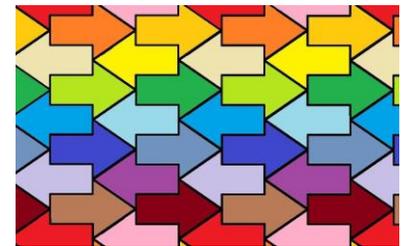

India is one of the unique countries in the world with a legacy of diversity in languages. On the occasion of the Republic Day celebration, students showcase their solo or group singing performances. They had also sung folk songs and patriotic songs.

# Math Internals- Tessellation Class III

Tessellation can be such an exciting and motivating way for kids to learn about shape and space. Fitting colored shapes to make a colorful tessellating pattern seems to engage children. Children of class III had done their internals enthusiastically on Tessellation.

# Social Studies - Save Our Environment

Save The Earth

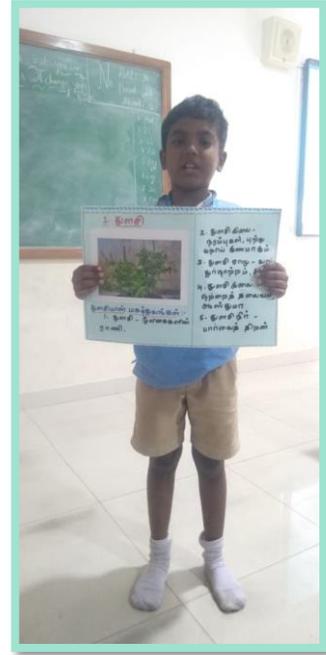

SAVE EARTH SAVE FUTURE

As part of the internal assessment, students participated in environmental activities, which include a range of engaging, hands-on learning experiences that connect them with nature while promoting eco-friendly and sustainable values. These activities helped children raise awareness through fun and education.

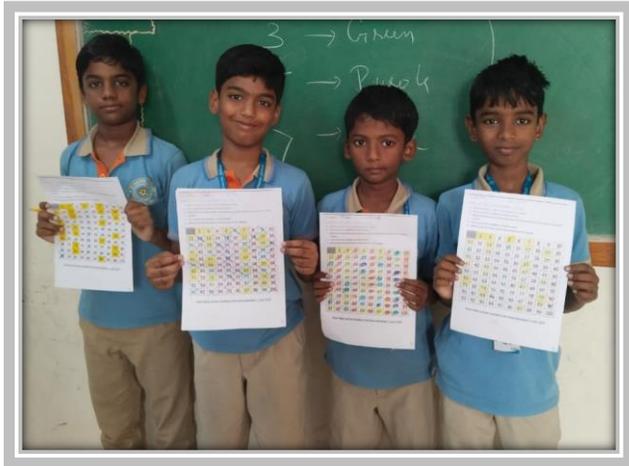

# Tamil internals-herbal plants Class III

Giving children a healthy herbal foundation will benefit them throughout their lives. Primrose encourages children learn more about the natural World. Sharing plant language is extremely beneficial during the early phases of development, much as learning another language is Exploring plants as a child will provide them with a solid foundation of wisdom to help them in their daily lives. Children of class underwent internal assessment activities that emphasized their knowledge of herbal plants and their abilities to manage their own health.

Children in Class 4 accomplished their internals using "The Sieve of Eratosthenes," a simple, ancient method for finding all prime integers up to a specific integer. Children recognized it as one of the primary benefits of Eratosthenes' sieve and its efficiency when compared to other primality testing methods.

# CLASS -IV SOCIAL STUDIES INTERNALS- PRESERVE WATER RESOURCES

This water resource activity teaches students how to manage our precious water resources for the benefit of the global population while also conserving the ecological integrity of our aquatic resources.

# CLASS IV VALUE EDUCATION INTERNALS- GRATITUDE GREETING CARD

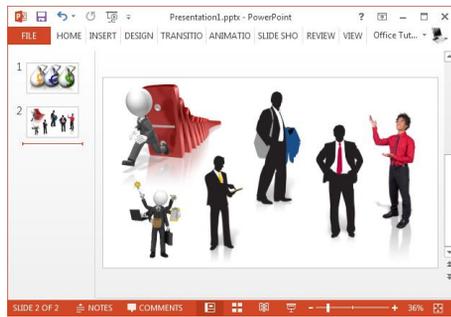

**World  
Gratitude Day**

As part of their internal assessment, our lovely little tots created greeting cards for their parents, grandparents, teachers, and friends to express their gratitude and appreciation. Their scrawled messages expressed their love and adoration.

# COMPUTER SCIENCE INTERNALS- POWERPOINT CREATION - CLASS IV

To strengthen soft skills among students, a PowerPoint presentation creation assessment has been implemented as part of the computer science subject.

# SCIENCE INTERNALS – Class IV -Air is Magical

Students in class IV performed experiments as part of their internal assessment to clarify the concepts that air has mass, air supports burning, and air expands when heated.

# CLASS V - VALUE EDUCATION INTERNALS - WHY IS IT IMPORTANT TO FORGIVE SOMEONE ?

Forgiveness is an important element of the process of healing and moving on from the past. Students of class V performed an assessment on 'Why is it important to forgive someone?' . Students have demonstrated that forgiveness reduces the amount of hurt, anger, stress, and despair that people feel. Forgivers become more cheerful, optimistic, and empathetic, as well as more skilled at dispute resolution. Forgiveness boosts vitality and well-being.

It's never too early to talk about giving back and helping others. Our students from Class IV performed an activity on "Helping Others" as a part of their Tamil internals. This helps them learn the value of helping others.
