# ISA Award

# International School Award

In this academic session with the support and motivation from Primrose Team the process was initiated to instil a global dimension into the learning experience and registered for the British Council International School Award (ISA).

The evidence based 250-page dossier was submitted to the British Council for accreditation and the school has been successfully awarded with the British Council International School Award for the period 2014-17.

Excellence in education

The **International General Certificate of Secondary Education (IGCSE)** is an English language curriculum offered to students to prepare them for [International Baccalaureate](#), [A Level](#) and [BTEC Level 3](#) (which is recommended for higher tier students). The IGCSE was developed by [University of Cambridge International Examinations](#).

- ✓ The IGCSE is an international alternative to many popular national curricula.
- ✓ The IGCSE is not a group award or "certificate of education".
- ✓ It is a qualification based on individual subjects of study.
- ✓ Typical "core" curricula for IGCSE candidates include  
    First Language, Second Language, Mathematics and one or more subjects in the Sciences.
- ✓ IGCSE candidates then choose a number of additional courses ranging from Social Sciences to Creative Arts.

# Student Cabinet Election

The Student cabinet election is a great event in the school. Students divide themselves into various parties. Brisk, canvassing was carried on by the candidates. Speeches were made. There was a regular 'election fever.

The elections to the School Parliament were held this year on 15th of September by secret ballot.

# Investiture Ceremony

## **Vani Ragunnaath**

School has grown and has made improvements over last couple of years. Since its growing school should plan to increase the space for better parking facilities and more better ground for skating.

If will be good if school provides in their campus after school learnings for Abacus or preparing our children for competitive exams.

## **Prakash Sinha**

I have seen marked improvement in my daughter in every aspect in last 2 yrs here. They do care for kids and want them waana do well, heart in rt place.

Principal Ganesh is a good man. Helped poor kids too by admitting on minimum cost under some quota or RTE perhaps.

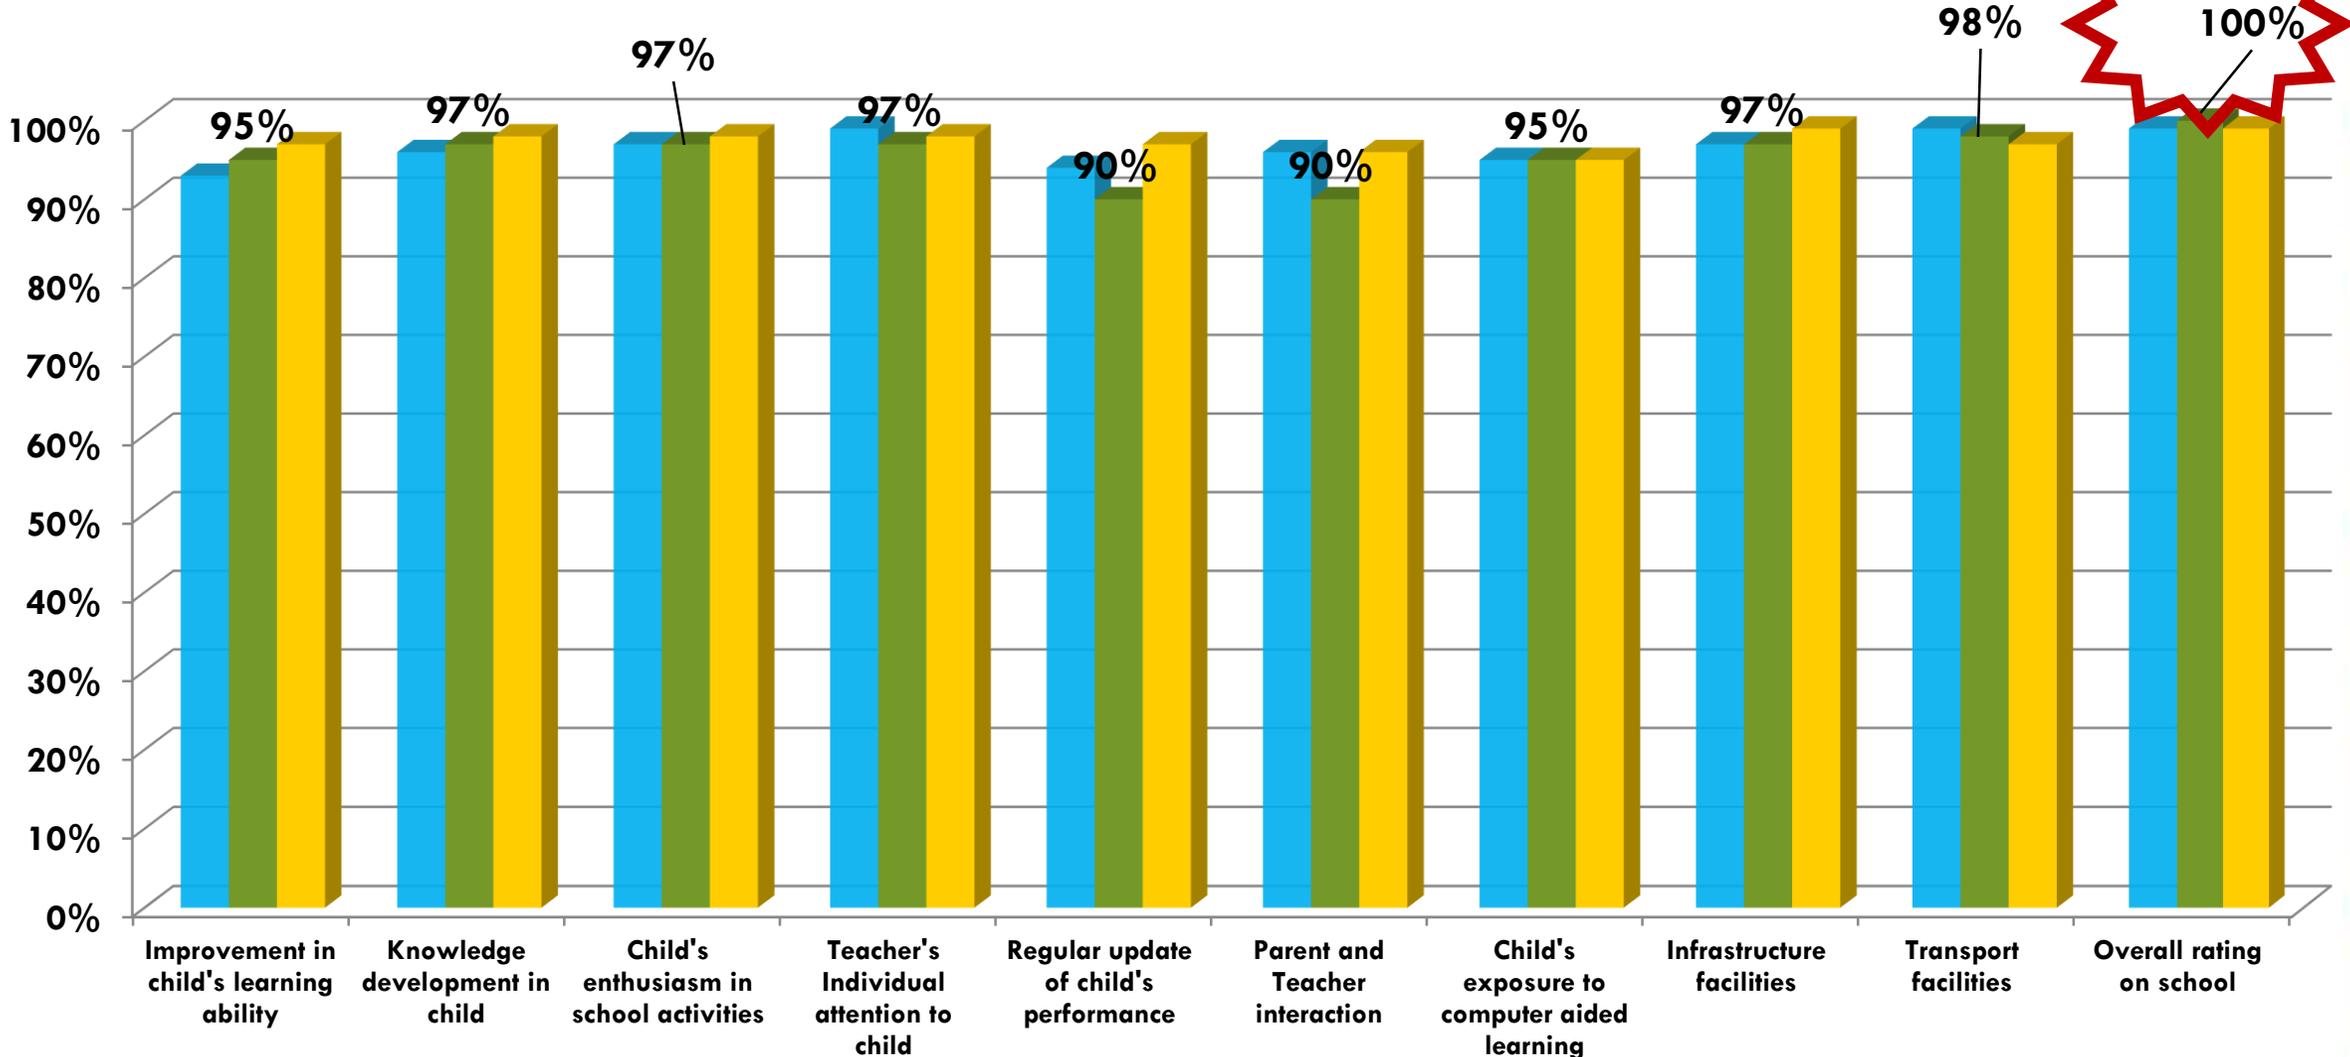

Lot of exposure of both curricular/academic (like Xseed and online practise assignments, scientific) and extra circular activities

## **Allaudin Din**

Excellent school .... good teaching and good surroundings....friendly teachers .... children feel at home....
