“The joy of service and the joy of inner growth through works is the sufficient recompense of the selfless worker” – Sri Aurobindo

Primrose Schools were opened under the inspiration of Sri Aurobindo and The Mother. We seek their guidance through their words and life.

By the grace of God, through the Primrose schools, we are experiencing the joy of service by providing education and values so that children may shine in life with security.

The selfless work of the management as well as the teachers and staff has led this joy of service to a growth... Externally through the opening of more schools and internally in the expansion of the joy of service.

Primrose Schools is thrilled to announce the opening of a new branch in Bangalore and the establishment of a franchise in Coimbatore. With the blessings of Mother, we hope our service grows to a hundred schools across the nation.

This is an opportunity for providing education to children and the joy of service to educationists of the said cities.

Mr. M. Nandagopal

Chairman

Running a school is no different from being a gardener. A gardener begins by providing the right soil; the right nourishment through water and manure; and the right exposure of sunlight. Along the way he needs to pull out the weeds. These actions of tender loving care result in a garden full of beautiful, vibrant, colourful and varied flowers, each breath-taking in its own way. Watching the children blossom through their years in Primrose, is for me, a similar joy.

At Primrose we take care to provide the infrastructure and environment required for the children to grow. Overall development is ensured through variegated activities where children can discover, nurture and prepare for a future that will give a perfect shape to their talents and abilities.

Teachers as well as peers help in building values that guide the children in the right mode of conduct and behaviour. We help our children to find a place in occupations of their choice through our technology inclusive academic education. And we help them to stay in their professions by guiding them in the values of life. To put in simple words -

**“Academic education helps children find good jobs and families...
Value education helps them stay in it”**

That is the hallmark of Primrose. It gives a complete education.

Ms. Sindura Arvind

Director

As we celebrate another milestone in the Primrose journey, I am filled with immense pride and joy, reflecting on the vibrant learning experiences we've created. Our commitment to fostering a joyful learning environment has sparked unparalleled enthusiasm among our students.

Famous author Mark Twain expressed his appreciation of India, thus: "India is, the cradle of human race, birthplace of human speech, mother of history, the grandmother of legend, and great grandmother of tradition. Our most valuable and most instructive materials in the history of man are treasured up in India only."

At Primrose, we recognize the transformative power of education. We integrate the most valuable and time-tested tradition and culture of India with the latest innovations to empower our students to thrive in a rapidly evolving world, driven by technological advancements.

We are thrilled to share some remarkable achievements of our students. Over the years, we've been dedicated to nurturing our students, helping them excel in academics, sports, and literary events.

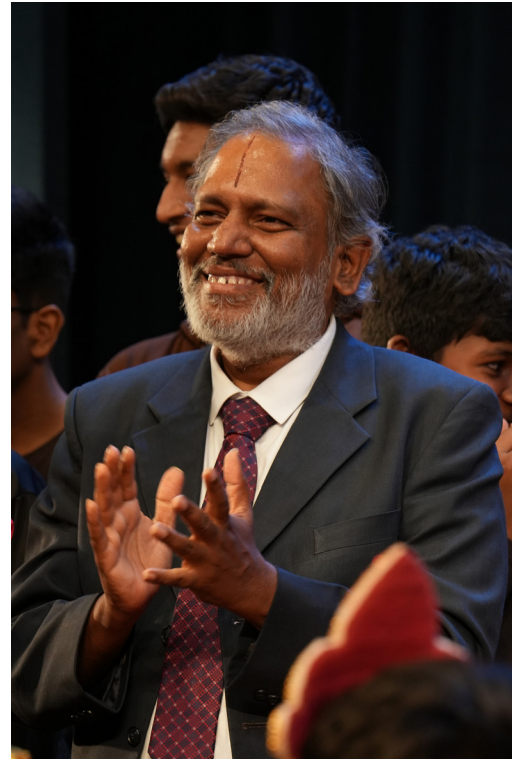

We are proud to announce that our students have ranked in the top 1% nationwide for the Class XII Board Exam results for 2023-2024, with several achieving centum in multiple subjects.

In sports, our students showcased their talents by qualifying for regional matches and competing at zonal and national levels. Notably, our Karate team has made a significant mark by entering the national contest. Additionally, our debate team triumphed in the zonal Frank Anthony Debate contest, bringing home two prestigious awards.

These accomplishments reflect our commitment to excellence and the hard work of our students and staff.

Our dedicated teachers and collaborative partnerships with parents have been instrumental in shaping successful, compassionate, globally conscious Indian citizens. Witnessing our students' growth has been truly magical.

Let us sustain our commitment to advancement.

Our Motto:

The place where I can be 'me'.

Mission:

The aim of our school is to help each child realize his unique potential in the light of Sri Aurobindo's vision of integral education. His philosophy of education aims at the flowering of the child's physical, emotional, mental, and spiritual personality. The cultivation of Beauty, Power, Knowledge, and Love is what he calls Integral Education.

Integral Education Ideals:

Our school is guided by Sri Aurobindo's three principles of teaching.

1. The first principle of true teaching is that nothing can be taught. But everything can be learned! This principle shifts the focus from the teacher to the student and from 'how to teach' to 'how best can the student learn'.
2. The second principle is that the mind has to be consulted in its own growth. We focus from 'we-know-what's-good-for-you syllabus' to making the student participate in a flexible delivery and learning process. The teacher is more of a facilitator or a guide here.
3. The third principle of education is to work from the near to the far, from that which is to that which shall be - the first step in learning is to establish a context that is familiar and relevant to the student from his own point of view. This ensures that the resistance is low and motivation is high. The mind is inspired to take the journey now!

We at Primrose work for a global movement towards Integral Education that strives for the development of all aspects of a child's personality.

Physical education and team sports sessions provide a strong and healthy graceful body, the first requirement in a child's education.

Children also involve in music, arts, drama, craft, skating, and yoga so that their energies are channelized through freedom, leadership, responsibility, and learning to acquire vital education.

Mental Education is developed through subjects like languages, Mathematics, Sciences, and Social Sciences.

Spiritual Education is given more importance to the growth of the spirit than intellectual, inculcating values like love, truth, faith in the heart.

We give international education fostering universal love, sympathy, fellow feeling and understanding, accepting kids from all over the country and the world living together in peace and harmony, above all creeds, all politics and all nationalities.

Aurobindo's Philosophy

VIBGYOR

Annual day

KG - I

Students of KG put up a colourful display during their annual day, themed "VIBGYOR". Students performed dressed in the tender pastel colours of the rainbow.

Looking as fresh as newly sprouted leaves, the children signalled their new entry into the world, sending a reminder call to the older generation to preserve the earth and its environment for their future.

It was a day filled with colours, smiles, fun, and an entertaining show put up by the children. Their smiling faces were welcomed by rapturous applause from the audience. .

The KG children danced to the tunes of some vibrant instrumental songs, displaying breathtaking colours with highly coordinated movements that promptly set the tone and mood for an unprecedented atmosphere.

The energetic booming and dancing of the little children coaxed the parents to sway to their lively beats. The sweet exchange of love as children performed and parents appreciated was an exhilarating experience for all.

Women Freedom Fighters of India

II - V

Annual Day

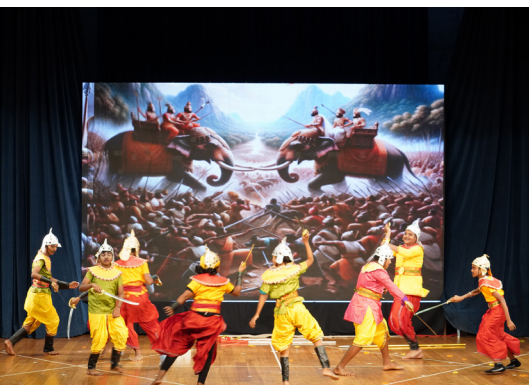

Our students of class II-IV showcased their talents on the title “WOMEN FREEDOM FIGHTERS OF INDIA” on the annual day with their outstanding dance and speech performances. Vibrant costumes shimmered under dazzling lights as energetic dances filled the air. It showed the culture that each freedom fighter wished to preserve in the country without giving in to foreign invasion. The Academic Achievers were honoured by our director madam, Ms.Sindura Arvind.

Ponniyin Selvan III

V-VII

Students from classes V–VII showcased their talents through dance, drama, and war scenes through the annual day performance entitled as “PONNIYIN SELVAN-3” The Annual Day was not merely an event; it was a tapestry woven with the threads of hard work, imagination, and camaraderie.

Our students of classes V to VII illuminate the stage with the brilliance, showcasing their talents and celebrating their growth over the academic year. The audience was enthralled by the students’ flawless execution, which was a testament to their months of preparation. It was an unforgettable evening that left everyone with a renewed sense of pride in the school community.

Souvenir Release

Annual Day

Sundarakandam

VIII-XII

Students of classes VIII to XII flaunted their talents in "SUNDARAKANDAM". The entire high school team did a grand finale performance that gave the audience goosebumps. The Souvenir for the academic year 2022-2023 was released by our director Ma'am Ms. Sindura Arvind. It was a proud moment when the parents of the 12th grade school toppers adorned the stage along with their wards. Miss Sri Saipriya shared her experience on stage while Master Visagan the school topper connected through online portal from National University of Singapore and Miss Harshini the third topper connected from the University of Arizona – USA.

Primrose Schools bask in the glow of extraordinary excellence as we celebrate the remarkable accomplishments of our fourth batch of ISC pupils. These exceptional young minds have not only exceeded all expectations but have also etched a lasting legacy on the academic tapestry of our esteemed institution.

Shyam Suriya tops the Science stream with 99.25%, **Guda Omkar** and **Santhosh** secured the second place with 98 %. We take immense pride in announcing that our top scorers have been honoured by the central government's esteemed INSPIRE Scheme, earning full scholarships for their academic journey from Bachelor's Degrees to PhDs.

Their remarkable achievement of ranking within

the top 1% in the Class XII Board Exam results at the All India Level for 2023-2024 is a testament to their brilliance and dedication.

We extend our warmest congratulations to **Abinaya** for her stellar achievement of securing a perfect score in both Math and Biology. Our heartfelt appreciation also goes to **Varnish** for achieving a centum in Computer Science. We take immense pride in celebrating the exceptional accomplishments of each of our students.

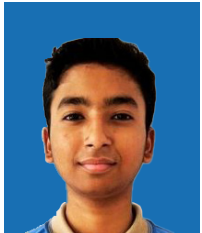

Your dedication and excellence have not only illuminated our institution but also served as a beacon of inspiration to all. May you continue to shine brilliantly and leave a positive mark on the world!

Huzzah and Congratulations!

We are thrilled to unveil our stellar students' extraordinary triumphs in the 2023-2024 examinations! This is a moment that fills our hearts with pride and joy as we celebrate the fruits of their unwavering dedication, tireless effort, and relentless pursuit of knowledge.

Our ICSE toppers **Samyuktha V** secured 98 in English, 97 in Science, 95 in History and Geography, 99 in Physical Education. **Abirbhav Roy** scored 98 in Computer Science, 95 in History and Geography and 94 in Hindi. **Nandeesh** secured 98 in Mathematics, **V Sri Ragav** secured 99 in Tamil, **Ryan Siju** secured 99 in Physical Education, **Neha Shri B G** scored 98 in Commercial Studies and 99 in Physical Education and **Sealey** scored 99 in EVS.

We would also like to congratulate all our students for their hard work, dedication, and perseverance. Achieving the pinnacle of success

Commerce Stream

in these examinations is no mere stroke of luck; it is a magnificent testament to the grit and determination that these remarkable individuals embody.

Their exceptional results are not just numbers; they reflect an admirable ability to withstand pressure, confront challenges head-on, and emerge victorious. This achievement shines brightly as a beacon of their character's strength and resilience. However, let us not forget that these victories are not solely theirs to claim. Standing proudly behind each of these shining stars is a robust support system—parents, teachers, friends, and family—who have showered them with encouragement, sage guidance, and unwavering support throughout this incredible journey.

So, let us take a moment to honour and celebrate the invaluable role they have played in nurturing these brilliant minds!

National Sports

Participations

“The ultimate goal of karate is not to defeat others, but to defeat oneself.”

Our boys' karate team unleashed a whirlwind of energy and expertise at the 7th National Karate Tournament dominating the mat with poise and precision. Every kick, punch, and block was a testament to their tireless training and unwavering teamwork. With each triumphant cry of “Osu!”, they declared their mastery of the martial art, outperforming opponents and shattering expectations. Their journey to the top was paved with discipline, perseverance, and an unyielding spirit, forged through countless hours of sweat and sacrifice.

Student Cabinet Elections

The student cabinet elections for the academic year (2023-2024) successfully concluded on 30th June 2023, marking a pivotal moment in our school's democratic process. Voting is the expression of our commitment. Our students eagerly and dutifully casted their votes. The Ballot is stronger than the bullet! Our teachers along with the students waited patiently to cast their votes to elect the school cabinet.

The election day unfolded with remarkable organization. Students arrived at their designated voting times. Each student was checked off a class list, received their ballot, and proceeded to cast their vote. Volunteers, including teachers and student helpers, facilitated the process, ensuring that all students understood the voting procedure.

The election was structured to ensure an efficient and transparent voting process. Students were scheduled to vote class-wise, allowing for a smooth flow of participants and minimizing disruptions. The IT department created user-friendly ballots that included candidate names, positions, and a brief description of their platforms. Technical staff were present on-site to address any issues and assist with the electronic voting equipment. Teachers monitored the voting area to maintain discipline and ensure that all protocols were followed.

Investiture Ceremony

On 7th July 2023, Primrose school witnessed a momentous occasion – The Investiture Ceremony 2023- 2024 - where talented and dedicated student leaders were inducted into their roles. The event was a resounding success, filled with enthusiasm and school spirit. We proudly announced the elected student leaders.

Ms. Sakthi Sahana of class 12, was elected as our School Pupil Leader, bringing exceptional leadership qualities and vision to the role. Master. Nitai Gauramani from Class 12, provided invaluable support as Assistant School Pupil leader. Master. Gokul Swaroop of class 11, effectively led sports endeavours as Sports Secretary, assisted by Ms. Sansita Rani Sahu of class 10, as joint sports Secretary. Ms. Afreen of class 12, and Ms. Jadyen of class 10, successfully guided Literary activities as Literary Secretary and Joint Literary Secretary, respectively. Ms. Sathya of class 12 and Ms. Samyuktha of class 10, skillfully headed cultural events as Cultural Secretary and Joint Cultural Secretary.

The newly elected Student Cabinet Members along with their teacher captains, pledged to work tirelessly to address student concerns, promote inclusivity and contribute to the school's growth. This election embodied Primrose School's mission to provide a supportive environment where students can develop essential life skills, build confidence and become future leaders.

Rubik's Cube

Competition

The Rubik's Cube competition held at Primrose Schools was an exhilarating event that showcased the incredible skills and determination of our students. Participants from various grades gathered to test their speed and dexterity in solving the iconic puzzle.

With the air filled with anticipation, competitorsavigated their cubes with remarkable precision, demonstrating not only their problem-solving abilities but also their dedication to mastering this challenging brainteaser. The event fostered a spirit of camaraderie, as students cheered each other on, sharing tips and strategies in between rounds.

As the competition progressed, it became evident that the participants had invested countless hours in practice, honing their techniques and enhancing their speed. The final rounds were particularly thrilling, with competitors achieving jaw-dropping solve times.

In the end, the winners were celebrated not only for their remarkable achievements but also for their perseverance and sportsmanship. The Rubik Cube competition proved to be more than just a contest; it was a celebration of intellect, creativity, and the joy of challenge, leaving participants inspired and eager for the next opportunity to compete.

The chalkboard background features the text 'ALBERT BARROW MEMORIAL ALL INDIA INDIA INTER SCHOOL 750 to 1000 Creative Writing Competition' in white and yellow chalk. It is decorated with colorful flower drawings in purple, blue, and pink. The word 'Date' is written in the top left corner.

All India Inter-school

Creative writing Competition

The Council for the Indian School Certificate Examinations, to cherish the legacy of its first Secretary, Mr. Albert Barrow, remains steadfast in its commitment to imparting quality education, ensuring that his ideals continue to inspire future generations. Every year, in honour of him our school proudly hosts the Albert Barrow Creative Writing Competition, an event that encourages students to unleash their imaginations and showcase their writing talents. Various schools of Chennai zone registered their participation and on 14th July 2023 our school hosted the competition.

Last year our student Master. Shyam Surya of class XII represented our school under Category I and Ms. Sai Janani of class X represented our school under Category II. This prestigious competition not only allowed our budding writers to express themselves but also fostered a love for literature and creativity within our school community.

All India Inter-school Debate Competition

The Frank Anthony Debate Competition stands as one of the highlights of our academic calendar, representing a prestigious All-India Inter-School debate event that allows our school to both host and compete against esteemed institutions from across the country. For the year 2023-2024, Nitai and Omkar from Grade XII, demonstrated exceptional skill and dedication.

Nitai and Omkar not only cleared the zonal level but also secured the title of second runner-up overall. Notably, Nitai was recognized as the Best Speaker, an achievement that underscores his outstanding oratory skills and ability to articulate arguments effectively. Their accomplishments reflected the hard work and commitment that our students put into their preparation, and we commended them for their impressive performance.

Our School hosted an enchanting evening of celestial discovery, as students, parents, and teachers gathered for a captivating Sky Gazing night. Beneath the star-studded sky, our experienced staffs led the evening, expertly navigating the cosmos through captivating presentations and telescope viewing sessions. As attendees from classes I to XII peered through the lenses, they witnessed breath-taking shimmering constellations, craters on the moon's surface and distant planets. The event fostered an atmosphere of curiosity and wonder, sparking conversations about celestial bodies, space exploration and the infinite possibilities of the universe. With each gaze upwards, perspectives broadened and minds expanded, kindling a lasting fascination with the starry expanse.

Sky Gazing

Food Festival

VI to XII

In addition to our stargazing adventures, our school's math department hosted a lively Food Festival designed to teach the students the fundamentals of trade and business. This event allowed the students of middle school to sell various products, giving them hands-on experience in entrepreneurship and financial management. Through the process, students learnt valuable lessons about teamwork, creativity, and the excitement of running a small business. As they say, "The beautiful thing about learning is that no one can take it away from you." Our school continually provides our students with opportunities to experience the joy of learning in all its forms!

Vasudha

I - V

Vatsalya

Our school proudly hosted its annual intra-school cultural event, Vasudha Vatsalya, for classes I to VIII transforming the campus into a vibrant festival of talent and creativity. A much-anticipated highlight on our calendar, this event brought together students of both the primary and secondary level, providing a platform for our students to showcase their diverse skills and artistic expressions.

Vasudha Vatsalya featured an impressive array of activities, including captivating dance performances and soulful singing, filling the air with joy and excitement. Participants eagerly showcased their talents across various genres, competing for prizes and drawing enthusiastic applause from the audience. The dedication and hard work of our students were evident in every performance.

Vasudha

Vatsalya

VI - VIII

Beyond the performing arts, the event included a painting corner where creativity flowed freely, and a quilling guild that enchanted participants with the art of creating intricate designs from colourful paper strips. The pebble pallet activity encouraged students to decorate stones with vibrant colours, each pebble telling a unique story of its own.

The elocution and debate segments offered a valuable opportunity for students to articulate their ideas and hone their public speaking skills. These activities not only provided a platform for expression but also fostered critical thinking and confidence among participants.

The atmosphere during Vasudha Vatsalya was electric, filled with laughter, creativity, and enthusiasm. Parents praised the event for nurturing a sense of community and encouraging students to embrace their talents. As the event concluded, it left an indelible mark on all who attended, reaffirming its status as a cherished tradition at Primrose.

Vasudha Vatsalya continues to celebrate our identity, creativity, and unity, and we look forward to many more memorable experiences in the years to come.

Monthly theme

KG

Sl. No.	Month	Monthly-Themes
1.	June	All about me
2.	July	Fireless cooking
3.	August	Countries & flags
4.	September	Creepers & climbers
5.	October	Festivals
6.	November	Nature walk
7.	December	Simple science experiments
8.	January	Fairy tales
9.	February	Space
10.	March	Fashion parade

Learning at KG happens in a variety of fun ways. The introduction of new complex subjects requires fun activities as well as repetition to aid understanding. Therefore the KG kids have monthly themes. A daily activity, song and recap based on the theme, etches the learning in the depths of the child's memory giving a very strong foundation.

Hands on activities included fireless cooking, planting and nurturing climbers and creepers, conducting simple science experiments and a fashion parade to know people who made a difference to the world.

Summer Camp

KG

Beyond games and activities, summer camp offers a sanctuary for the children to unwind, recharge, and rediscover our inner spirit. The Kindergarten summer camp was an action-packed adventure! The children learned and enjoyed various activities including:

- Different types of games that fostered teamwork and strategy
- Phonics skills that laid foundation for reading and writing
- Football and other sports that developed coordination and teamwork.

Food Festival

KG

The upper kindergarten students had a delightful time with their colourful and nutritious creations at the Food Festival! They brought:

1. Fresh fruit salads
2. Veggie sticks with yummy dips
3. Colourful salads with carrots, tomatoes and cucumbers
4. Whole-grain sandwiches cut into fun shapes

Vasudha Vatsalya

KG

Vasudha Vatsalya is a special event conducted every year in our school to showcase students' talent. Our Kindergarten students showed off their amazing talents, participating in various events like speech, fancy dress, singing, dancing and drawing. Our tiny tots spoke confidently, dressed up in creative costumes, sang sweet melodies and danced with energy. Their colourful drawings showcased their creativity. We are proud of each participant and winner!

KG Orientation

for Parents

Our school welcomed parents to an orientation program. This event helped parents understand our school's values and goals. They met teachers, learned about classes and activities, and discovered ways to get involved.

Parents learned about:

1. School rules and policies
2. Teaching methods
3. Student support services
4. Extracurricular activities

Our Kindergarten Parent Orientation Program was a wonderful success!

Sports Day

KG

The 17th Annual Sports Day was celebrated with great zeal and enthusiasm. Sports Day is always an exciting event filled with fun activities and friendly competitions, bringing together students, parents, and teachers in a spirit of unity.

This year, we participated in various games like cycling, walking on the bar, and relays, which not only tested our physical skills but also helped us develop teamwork, perseverance, and coordination.

The vibrant energy of the day was amplified by cheers and applause from family members, promoting a sense of encouragement and celebration. It was a day to showcase talents, foster camaraderie, and create memories that we will cherish for years to come.

Graduation Day

KG

Accomplishing small things is the first step toward achieving greatness, and graduation marks a significant milestone on that journey. Our UKG students proudly graduated to the primary school level, filled with great expectation and hope for the future. The senior pre-primary students extended a heartfelt and brotherly welcome to their juniors, celebrating this moment of transition with love and encouragement. This special day not only highlights the growth of these young learners but also inspires them to embrace the new challenges and opportunities that lie ahead.

Mom Mam & Me

Our school's "Mom, Ma'am and Me" program was a big success. Mothers and we students spent quality time together, building strong relationships and creating sweet memories. The program helped parents and teachers work together, making school a happy place for us.

Vidhyarambam

Vidhyarambam is celebrated on Vijayadashami, marking the commencement of learning. We welcomed many students to our Pre-Kg program, marking the beginning of their educational journey. Goddess Saraswathi's blessings ignited curiosity and a love for learning. Our dedicated teachers committed to nurturing their growth in a supportive environment, fostering holistic development and guiding them toward academic excellence.

Annual Sports Meet

2023-2024

The Annual Sports Day of Primrose Schools was held in August, at our school premises amidst an electrifying atmosphere. Our Principal Mr. Ganesh Perumal inaugurated the event by hoisting the school flag, followed by a precision of March Past and oath-taking ceremony led by the Sports Captains and House Captains.

The Primary Sports Day at Primrose Schools kicked off with a vibrant march-past by the four house teams, setting the tone for a thrilling competition. The event was a treat for parents and spectators, showcasing the impressive talents of the young participants. A diverse range of activities, including Karate, Yoga, and Sports Drill, added a kaleidoscope of colour to the day.

Primrose Schools provided students with a fantastic platform to explore, develop, and excel in various sports disciplines. Sports like Kabaddi, Cricket, Basketball, and Table Tennis added to the excitement. Embracing the spirit of competition, students adopted a champion mindset: “Play until you get it right.” Recognizing that victory and defeat are integral to the game, they displayed unwavering enthusiasm and determination. As each student tapped into their inner spark, the events became increasingly electrifying, culminating in the recognition of the overall champions.

Isha Yoga

The Isha Yoga Centre conducted Yoga sessions for our school children and teachers. It was a truly transformative experience. Through guided meditation, pranayama, and asanas, our students discovered the profound benefits of integrating yoga into their daily lives. The expert facilitators from Isha Yoga Centre skillfully tailored the program to meet the unique needs of young minds, fostering greater self-awareness, concentration, and overall well-being. This enriching experience not only enhanced our students' physical and mental health but also instilled valuable life skills, such as discipline, focus, and inner peace. We extend our heartfelt gratitude to Isha Yoga Centre for sharing their wisdom and expertise with our students, empowering them to embark on a lifelong journey of holistic growth and self-discovery.

International Yoga Day

“Yoga is the journey of the self, through the self, to the self.” – Bhagavad Gita.

On the momentous occasion of International Yoga Day, our school children showcased remarkable flexibility, balance, and poise as they performed an array of intricate yoga poses with effortless ease. With dedication and enthusiasm, they mastered complex asanas, defying age and physical limitations. Their captivating display of Shirshasana and Chakrasanam, left the audience spellbound, underscoring the boundless potential of young minds and bodies. As they moved through each pose with precision and control, our students embodied the true spirit of yoga – harmony, balance, and unity. Their inspiring performance not only demonstrated the physical benefits of yoga but also reflected the mental discipline and focus they have cultivated through regular practice. We take immense pride in our young yogis, who have truly internalized the message of International Yoga Day: “Yoga for Harmony and Peace”

We commemorated Independence Day with unwavering zeal, honoring our nation's rich heritage. Our Principal hoists the national flag, followed by stirring speeches, patriotic melodies and captivating dance performances.

Concurrently, we celebrate Sri Aurobindo's birthday, recognizing his profound emphasis on awakening students' latent potential, fostering self-discovery and harmony.

Independence Day

Shri Aurobindo's Birthday

Shri Krishna Jayanthi

Krishna Janmashtami immerses us in devout reverence. We actively participate in soulful bhajans, enchanting flute melodies, elaborate Radha Krishna costumes, eloquent speeches and epic storytelling, enveloped in a profound spiritual aura. The entire school resonates with joy and devotion, as students and teachers come together to honor the divine birth of Lord Krishna, deepening their connection to both tradition and spirituality. It is a day of unity, celebration, and reflection, leaving everyone with a sense of peace and fulfillment. Our Principal distributed an array of freshly prepared sweets.

Students expressed heartfelt gratitude through thoughtful gifts, creative skits, captivating dances and sincere speeches, recognizing teachers' tireless endeavors. The atmosphere was filled with warmth and admiration, as students conveyed their respect and love for those who inspire them daily. It's a day that strengthens the bond between students and teachers, leaving a lasting impression on both.

Teachers' Day

Navaratri

While Mother's day saw the celebration of the appearance of the divine Mother on Earth, Navaratri was a time to remember the most daring, influential and compassionate Mothers of the Universe - Durga, Lakshmi and Saraswati. Goddess Durga is a symbol of the mother who will not hesitate to become aggressive to protect her children of the world from hideous aggressors. Goddess Lakshmi teaches the importance of serving the Supreme Lord with wealth and opulence for a bountiful existence. Goddess Saraswathi, emphasises the importance of education that is beyond the mundane.

Children were excited as they identified and remembered the personalities mentioned in the Sanskrit scriptures as dolls representing them were placed on the steps of the 'Golu'. It was a time for daily puja and festivity for nine days. Children rejoiced in the festival through dance, music and shlokas. The 'dandiya' spirit kept everyone on their happy toes for nine days.

Diwali's luminous spirit shines resplendently through vibrant stage performances, mesmerizing dance, soulful songs and eloquent speeches. A spectacular pyrotechnic display and guided firework lighting further exhilarate the celebration.

Diwali

Children's Day

The school's Children's Day celebration is an indelible experience, replete with enchanting events meticulously orchestrated by our educators. These festivities fill the childrens' hearts with unbridled laughter and radiant smiles, forging enduring memories.

Christmas

Christmas jubilation illuminates the campus with melodious carols, a resplendent tree and dazzling decorations. The annual visit from Santa Claus kindles excitement, bestowing tiny treasures upon the children.

Pongal

Pongal heralds joy in Term III. Sharing vacation anecdotes, traditional cooking and sun worship create unforgettable experiences.

Republic Day

Republic Day reaffirms our unwavering commitment to national service. Our Principal's guidance and senior presentations underscore the significance of national integrity.

Mother's Birthday

We gratefully honour beloved Mother Mirra Alfassa's birthday, profoundly connecting through inspiring quotes and seeking divine guidance.

Women's Day

We honour incredible women – educators and mothers – embodying strength, unconditional love and unwavering support.

Exam orientation

The Principal's Exam Orientation session before the board exams provided students with valuable strategies to improve study habits and exam performance. Key points included effective time management, encouraging students to organize study schedules without feeling overwhelmed, and the importance of using cool-off time during exams to enhance focus. The session left students feeling more confident and prepared, with lasting tools for academic success.

Academic orientation

The Academic Orientation Programme organized last year at our school proved to be a significant initiative for students in classes V to VIII. This program aimed to guide students as they navigated their academic journey, helping them understand the various subjects available for selection in the coming years.

During the orientation, the Principal emphasized the importance of both core subjects and allied disciplines, including Arts, Physical Education, and Financial Literacy. He highlighted that these subjects are essential for providing students with a well-rounded education, enabling them to explore their interests and talents beyond the traditional curriculum. This holistic approach aims to foster a diverse skill set that prepares students for future challenges.

A noteworthy aspect of the programme was the active involvement of parents. They participated in discussions, asked insightful questions, and sought clarification on various topics, demonstrating their commitment to their children's education. This collaboration between students and parents is crucial, as it aligns their aspirations and goals, fostering a supportive environment for academic growth.

Overall, the Academic Orientation Programme was a resounding success, creating a platform for open dialogue and enhancing the understanding of the educational pathways available to students. The initiative not only empowered students but also strengthened the partnership between the school and families, setting the stage for a successful academic journey ahead.

Orientation - New IX & X

In a heartfelt welcome address, Principal of our school greeted the new Class 9 and Class 10 students as they embarked on an exciting chapter of their academic journey. Principal emphasized the significance of these pivotal years, highlighting the opportunities for growth, learning, and exploration that lie ahead.

To help students transition smoothly into their new classes, our Principal provided several valuable tips for beginning the school year. Key among these was the importance of establishing a balanced study routine, which enabled students to manage their time effectively and prioritize their assignments. Additionally, he also encouraged students to actively participate in classroom discussions and extracurricular activities, fostering a sense of community and engagement within the school.

He also stressed the value of seeking help when needed, whether from teachers, peers, or school resources. As the address concluded, the Principal expressed excitement for the upcoming year, inspiring students to embrace challenges with enthusiasm and determination. The message set a positive tone for the school year, encouraging the new students to make the most of their time at Primrose.

CISCE Training

for ICSE & ISC teachers

“Teaching is the greatest act of optimism.” Empowered teachers equipped with the necessary skills, contribute significantly to a healthier, more dynamic school environment. Teachers play a crucial role in guiding students to explore and learn actively. Moreover, prioritizing mental health and wellness among educators fosters a supportive and productive atmosphere; workshops on stress management, work-life balance, and self-care strategies are vital in this regard.

Clear guidance on teachers’ roles within the school ecosystem is important, along with discussions on best practices and collaborative approaches to teaching. Engaging activities and interactive sessions encourage participation and sharing of experiences, enabling peer feedback and collaborative problem-solving. Skill development is key, with training focused on innovative teaching methods, classroom management techniques, and the incorporation of modern educational tools.

ISO

LP TRAINING

**MICRO
TEACHING**

**TEACHER
TRAINING**

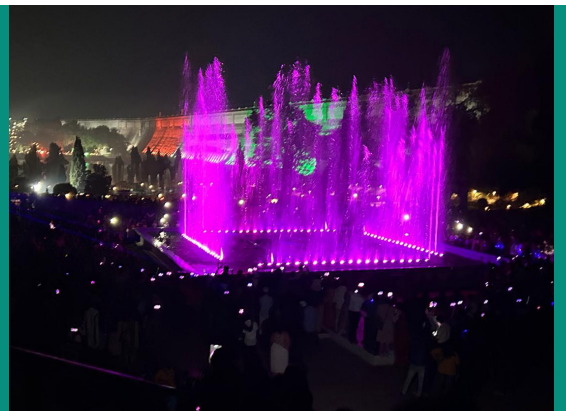

This training program focuses on equipping teachers with the skills and strategies necessary for effectively handling parent interactions. Through this program, teachers will learn how to build strong and trusting relationships, communicate clearly and empathetically, and address concerns with confidence and professionalism. The training emphasizes fostering a collaborative school environment where parents and teachers work together to support student success. Additionally, participants will gain insights into managing challenging conversations and creating positive partnerships that contribute to a thriving educational community.

General Trainings

Teachers Day Out

Our dynamic teachers embarked on an exhilarating journey to Mysore, unravelling the city's rich heritage and scenic beauty. From majestic palaces to serene gardens, they explored, relaxed, and rejuvenated. A well-deserved break for our dedicated teachers.

Pre KG & LKG

Field Trips

The Pre-KG students had a good trip to Karuna Nursery Garden, where they saw the beauty of plants and nature. They learnt about different flowers and trees from the accompanying friendly teachers, who shared fun stories along the way. Each child got to buy a small plant to take home. It was a day full of laughter, learning, and beautiful memories!

The UKG students had a fantastic time at the Flower Show in Semmozhi Poonga! As soon as they arrived, they were greeted by a stunning display of colorful flowers and vibrant plants that filled the garden with joy. All faces lit up with excitement as children spotted roses, sunflowers, and lilies, each more beautiful than the last.

During the visit, they learned about different types of flowers and their unique characteristics. The children were thrilled to smell the flowers and discover which ones had sweet scents and which were more subtle. They also participated in fun activities, including the chance to buy a flower or two to take home, which added a special touch to the day.

The children walked through the gardens, making sweet memories, sharing stories and looking at the flowers. It was a beautiful day full of learning, creativity, and unforgettable moments that we all will cherish for a long time!

UKG

I

Our LKG to 2nd-grade students, except for UKG, had an amazing field trip to Dakshin Chitra! They explored the beautiful heritage village and learned about the diverse cultures of South India. They enjoyed visiting different traditional homes, seeing crafts like pottery, and even watching lively skits that brought history to life. One of the highlights was the bullock cart ride, where everyone giggled with excitement as they travelled through the place.

The day was filled with laughter, learning, and joy as children made new friends and shared experiences. Each child returned with a treasure trove of memories and stories to tell, making it a truly unforgettable adventure!

Our 1st, 4th, and 5th graders had an exciting field trip to the Birla Planetarium! As soon as they arrived, everyone was buzzing with excitement, ready to explore the wonders of space. They learned about stars, planets, and galaxies through fun presentations that really caught their attention. The teachers shared amazing facts that made the students realize just how big and incredible our universe is.

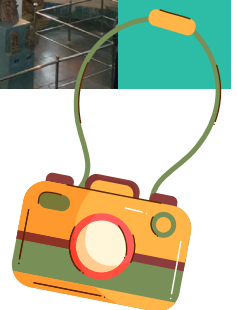

One of the best parts of the trip was the planetarium show, which took the students on a stunning journey through space. They loved seeing the beautiful pictures of swirling galaxies and shining stars while listening to stories about the night sky. All the young eyes were filled with wonder as they experienced the beauty of space in a way that books can't show us.

II & III

Field Trips

IV

Field Trips

V

Our 3rd graders had a fantastic time on their field trip to the Egmore Museum! Everyone was buzzing with excitement, eager to explore the many exhibits. Students walked through halls filled with ancient artifacts, like pottery, coins, and tools used by early people, each telling a unique story.

One of the most exciting moments was when we all saw the big dinosaur skeletons. All eyes lit up with amazement as we learned about these giant creatures that once lived on Earth, leading to fun talks about dinosaurs and how they evolved. The museum also had interesting displays about animals, showing different species and their homes.

Overall, it was a wonderful day full of learning and discovery. The trip not only helped the children understand history and science better but also sparked their curiosity to learn more. Each one of us left the museum feeling inspired and excited, making it a memorable adventure!

VI & VII

Medical Checkup

Our school conducted a comprehensive Medical Camp, offering thorough check-ups, dental screenings, eye care evaluations, and nutrition counseling for our students. Renowned medical professionals shared valuable insights on maintaining optimal physical and mental health through engaging and interactive sessions.

The camp also provided personalized advice to students, encouraging them to adopt healthy habits for long-term wellness. This initiative reaffirms our commitment to holistic education, fostering a supportive environment that prioritizes students' overall well-being and development.

It was a day dedicated to nurturing both the body and mind, ensuring our students thrive in all aspects of life.

Fire Drill

Our school conducted a comprehensive Fire Drill to educate students on emergency procedures and test evacuation protocols. Led by trained instructors, the exercise ensured students' swift and safe evacuation, demonstrating our commitment to safety and preparedness. Through proactive planning, effective communication, and swift execution, the drill not only heightened awareness but also reinforced the importance of staying calm during emergencies.

This initiative reflects our ongoing commitment to maintaining a safe learning environment where students can thrive without fear.

Orphanage Visit

As part of our school's community outreach program, our compassionate students embarked on a heartfelt journey to a local orphanage, demonstrating the true spirit of empathy and generosity. With overwhelming enthusiasm, our students collectively gathered essential provisions, including food, clothing, and educational materials, through a school-wide donation drive. Our students visited the orphanage, warmly presenting their thoughtful contributions to the delighted residents. This selfless initiative not only provided tangible support but also fostered an atmosphere of kindness, understanding, and social responsibility among our students. We take immense pride in nurturing empathetic leaders who recognise the value of giving back to the community.

Care for Community

Sharing is Caring: Caring for the community taught us the importance of helping others and making a positive difference in people's lives.

Helping Hands: Michaung- "Helping Hands" inspired us to lend a hand to those in need, whether through volunteering or supporting our friends and neighbors. During Michaung Cyclone we went to different areas and gave food to the needy .

‘More’ Pandal

This summer, our school community revived the traditional Moor Pandal with a noble twist. Not only did our students generously contribute to the initiative, but they also actively participated in distributing refreshing glasses of buttermilk to passersby. From bus drivers and conductors to auto drivers, pedestrians, and commuters on two and four-wheelers, everyone was welcomed with a cooling respite from the scorching heat. Strategically located near the school entrance, the Moor Pandal became a beacon of kindness, serving hundreds of individuals daily. Our students' enthusiasm and compassion shone bright as they diligently managed the distribution, engaging with the community and fostering meaningful connections. This heartfelt endeavour showcased our school's commitment to community service, empathy, and the preservation of timeless traditions.

Farewell

Class XII

A farewell event was organised by the class XI students for the students passing out of XII. The senior students shared words of gratitude and invaluable insights that touched the hearts of all the students and teachers assembled. They shared tips and tricks of how they navigated their challenges to provide their juniors with a guiding light for their upcoming journey in class XII.

They also ignited a spark of motivation in the other students by mentioning the colleges and universities they were aspiring to join, encouraging them to dream big and reach for the stars. Each parting student was given a citation mentioning their hallmark talent and achievement in the school. The students and staff bid the class XII students adieu with mixed feelings of love, separation, hope and best wishes.
