# Mother's Birthday Celebration

KG

Our kindergarten students recently put on an unforgettable performance for Mother Mirra Alfassa's birthday! The little ones danced to a beautiful song dedicated to our Mother. It was a heartwarming moment that filled the place with joy and love. The performance was a special gift for her, making the day even more memorable for everyone.

# Mother's Birthday Celebration

KG

Our kindergarten children had a beautiful and heartwarming moment as they offered flowers and received blessings from our Mother, Mirra Alfassa. The children's gesture was a special way to show their love and respect. It was a touching occasion, filled with joy and gratitude, as the little ones handed over their flowers to Mother Mirra Alfassa and received her warm blessings in return.

After presenting the flowers, our children chanted OM, creating a peaceful and spiritual atmosphere. This calming practice helped the students connect with the moment, adding a sense of tranquility to the event. It was a beautiful experience, filled with love, respect, and gratitude, as the students received Mother Mirra Alfassa's blessings, leaving everyone with a sense of peace and joy.

# LKG – Field Trip

LKG

Our LKG students recently embarked on an exciting field trip to Dakshina Chitra, where they had the opportunity to explore the rich cultural heritage of South India. Before beginning their journey, the children gathered together and started with a heartfelt prayer.

The children wandered through the exhibits, learning about traditional arts, crafts, and architecture. Every corner of Dakshina Chitra offered something new and exciting, making it an enriching experience for our young explorers.

Our children observed and interacted with various displays, which helped them appreciate the diverse cultures and traditions of South India. It was a day full of discovery and learning, with the students immersed in a vibrant world of history and art.

The shadow puppet show was not only a fun experience but also a beautiful way to learn about traditional storytelling. The children left with wide smiles, inspired by the magical world of shadows and puppets!

Our children had a fantastic time at Dakshina Chitra, where they enjoyed an exciting magic show! The children were amazed by the magician's tricks and illusions, as he created moments of wonder and excitement. From disappearing objects to mind-boggling feats, the magic show captivated everyone, sparking curiosity and joy among the young audience.

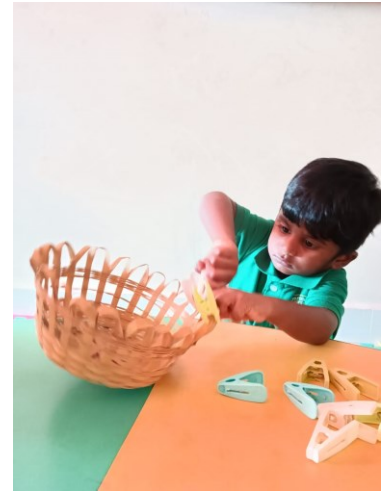

Our LKG students had a wonderful time during their field trip to Dakshina Chitra and captured the memories with a cheerful group photo! The children gathered together, all smiles, as they celebrated a fun-filled day of exploration, learning, and excitement. This photo serves as a beautiful reminder of the day, showcasing the joy and togetherness of our young learners as they experienced the magic of Dakshina Chitra. It's a moment they'll cherish forever!

This week in our Pre-Kindergarten class: Pegging the Basket! This simple yet valuable activity helps our little learners develop fine motor skills, hand-eye coordination, and concentration.

In this activity, children are given a basket, a set of colorful clothes pegs, and a safe space to practice clipping and un-clipping the pegs onto the edge of the basket. The task requires focus and precision, challenging their hand muscles and promoting the strengthening of their finger grip.

# MOTHER'S BIRTHDAY

**“The whispers of your heart hold the secrets of your soul; listen to them, and you shall discover the mysteries of the universe.” – Mira Alfasa**

On the sacred birthday of Mother Mirra Alfassa, children gathered in a serene atmosphere to meditate and connect with the divine. As they breathed in, they tapped into the universal qualities of patience, compassion, and self-discipline that Mother Mirra embodied. The children felt a deeper connection to the Divine Mother, themselves, and the world around them. In the stillness, they absorbed the values of love, kindness, and harmony that Mother Mirra's life exemplified. By honoring her legacy, the children welcomed the transformative power of her love and wisdom into their lives.

# Mother's Birthday Celebrations

## CLASS 1

The children of Class 1 took to the stage, their bright smiles and twinkling eyes radiating excitement as they performed a vibrant dance to celebrate the values of Mother Mirra Alfassa. With graceful movements and synchronized steps, they conveyed the importance of love, kindness, and harmony—values that Mother Mirra embodied throughout her life. The dance, a beautiful blend of music and movement, not only showcased the children's talents but also served as a poignant reminder of the transformative power of Mother Mirra's teachings. As the children danced, their joy and enthusiasm were infectious, spreading a sense of wonder and awe among the audience. The performance was a testament to the enduring legacy of Mother Mirra Alfassa, inspiring the young dancers to become beacons of love, light, and wisdom in their own lives.

# Mother's Birthday Celebrations

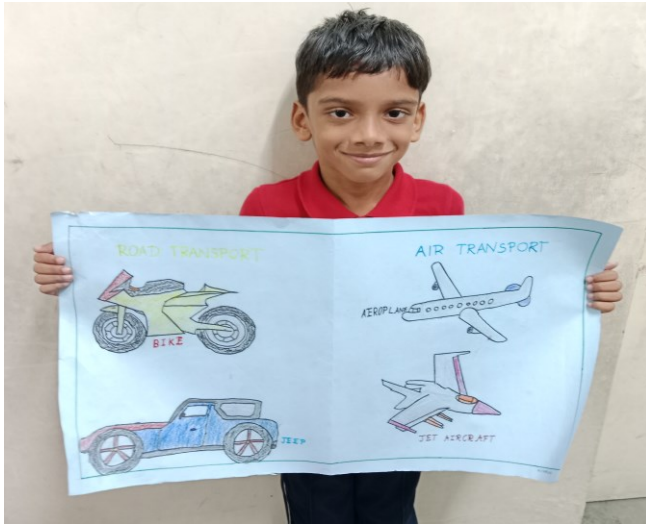

## CLASS 2

The children of Class 2 took turns delivering heartfelt speeches about the 12 values of Mother Mirra Alfassa, showcasing their understanding and appreciation of her profound teachings. With confidence and clarity, they spoke about the importance of sincerity, humility, gratitude, perseverance, and other essential values that Mother Mirra embodied. Each child's words were infused with a sense of wonder and awe as they shared stories that illustrated the practical application of these values in everyday life. As they spoke, their voices echoed with conviction, inspiring their peers and teachers to reflect on the significance of these values in their own lives. The speeches were a testament to the children's growing awareness of the transformative power of Mother Mirra's teachings and their commitment to embracing these values as they grow and evolve.

# CLASS 1 – EVS ACTIVITY (MODES OF TRANSPORT)

I learned about different types of vehicles like cars, trucks, and motorcycles through our class activity. I now know that each vehicle has its own unique features and uses,” shared Kiyash, I Lotus.

Through our class activity, I learned about boats and ships that sail on water. I now know that they help people travel to different places,” shared Maghizhan, Class I Lily.

Our class activity on modes of transport was very informative and fun. I learned that airplanes fly through the air and take people to faraway places,” shared Zainab, Class I Lily.

# CLASS 1 - ACTIVITY

Class 1 children's faces lit up with excitement as they carefully folded and creased their paper to create beautiful origami butterflies.

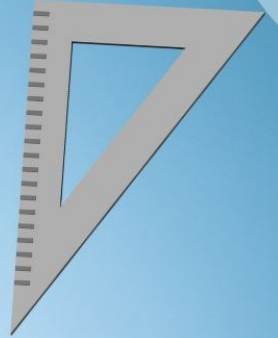

Class 1 children's faces lit up with excitement as they carefully folded and creased their paper to create a beautiful origami butterfly. With precise movements and attention to detail, they demonstrated their fine motor skills and hand-eye coordination. As they worked, they applied their learning in math, specifically geometry and spatial awareness, to create the intricate folds and shapes. With each delicate step, their patience and perseverance grew, until, finally, they unfolded their paper to reveal a stunning butterfly, its wings shimmering with color and life.

The children beamed with pride, knowing they had transformed a simple piece of paper into a work of art using their skills, creativity, and imagination.

# ***PRIMARY***

# MORNING ASSEMBLY

Varshitha, a Class VI Lotus student, delivered a thoughtful and inspiring speech on the topic of equality. The speech highlighted the importance of treating everyone with fairness, respect, and kindness, regardless of their background, gender, or beliefs.

**Varshitha**  
**Class VI Lotus**

The Class V girls performed a group dance that celebrated the theme of courage. The dance expressed how courage empowers students to face challenges with strength and determination.

# FORMATIVE ASSESSMENT – III

**Formative assessment is an ongoing process that helps teachers and students monitor progress throughout the learning journey. Unlike summative assessments, which evaluate the final outcome, formative assessments focus on understanding and improving students' skills and knowledge as they progress.**

# FORMATIVE ASSESSMENT – III

**These assessments can take various forms, such as quizzes, discussions, assignments, or informal feedback, allowing teachers to identify areas where students may need additional support and provide timely guidance for improvement. The goal is to foster growth, build confidence, and enhance learning experiences.**

# MDA TRAINING - WORKSHOP

The Madras Dyslexia Association is currently conducting a 2-month certification program for teachers, specializing in dyslexia awareness and intervention. This ongoing training equips educators with effective teaching strategies, early intervention techniques, and the use of assistive technologies. Through this program, teachers are enhancing their ability to support students with learning differences and create inclusive learning environments.

# INTERNAL ASSESSMENT

Kanishka of Class V Lotus demonstrated the working principle of the inclined plane as a simple machine that can be used in everyday life, such as ramps for wheelchairs, loading docks, and roads built on hills.

# MOTHER'S BIRTHDAY

The birthday of Mother Mirra Alfassa was celebrated with love and reverence. On this special occasion, participants offered flowers as a symbol of gratitude and respect. The event included a peaceful meditation session, where everyone came together to connect with her teachings and the universal consciousness she embodied. It was a beautiful gathering to honor her enduring legacy and spirit.

# FIRE DRILL TRAINING

## Primrose School Conducts Successful Fire Drill Mock Evacuation for Students

Primrose School conducted a comprehensive fire drill mock evacuation, aimed at ensuring that both students and staff are well-prepared in the event of an emergency. The drill was designed to simulate a real fire evacuation scenario, allowing students to practice safe and efficient evacuation procedures.

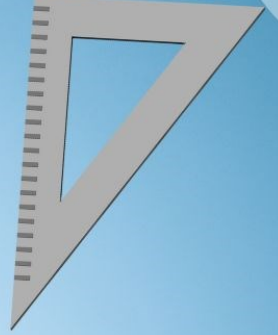

# FIRE DRILL TRAINING

Primrose School teachers underwent fire evacuation training to ensure safety during emergencies. The program covered evacuation procedures, fire prevention, and emergency response. Teachers participated in realistic fire drills to enhance their preparedness. Local fire safety experts guided the training to ensure its effectiveness.

***MIDDLE***

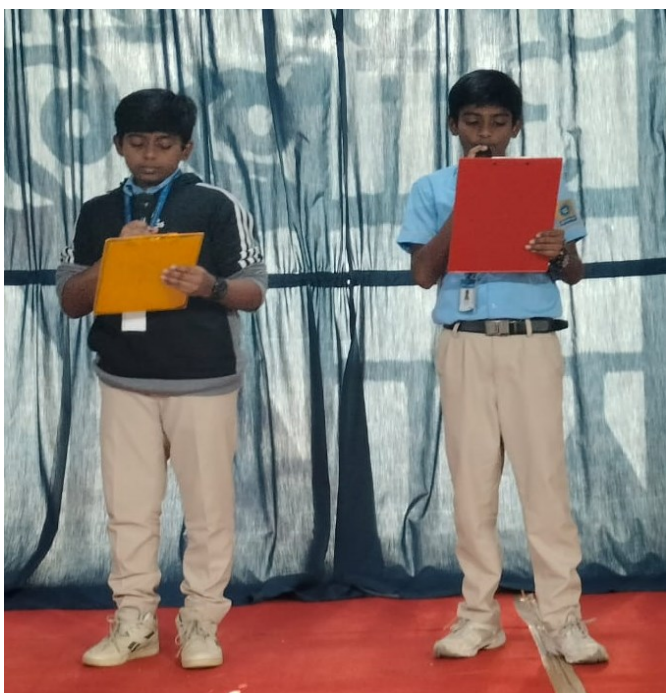

# MORNING ASSEMBLY

Class VII students confidently led the Morning Assembly, sharing inspiring thoughts, speeches, and a dance performance.

# ACADEMIC YEAR PHOTOSHOOT

Students and staff came together for the Academic Year Group Photo Shoot, marking another year of learning, growth, and achievements—a moment to cherish, a memory to last forever!

# OPEN DAY CLASS IX

## Building Bridges for Success!

Parents and teachers of Class IX came together for a productive Parent-Teacher Meeting, discussing academic progress, student behavior, and study habits. Principal Sir provided valuable guidance, motivating students to stay focused and strive for excellence—taking a step forward in nurturing future achievers!

# OPEN DAY CLASS VIII & SUBJECT SELECTION

**Shaping  
Futures,  
Strengthening  
Bonds!**

The Open Day Parent-Teacher Meeting for Class VIII provided valuable insights into student progress, while discussions on subject and group selection for Class IX helped guide students toward their academic goals. A collaborative step toward building a bright future!

**Nurturing  
Growth,  
Empowering  
Choices!**

# MOTHER'S BIRTHDAY CELEBRATION

## Honoring the Divine Grace!

Students came together to celebrate the birth anniversary of The Mother, Mirra Alfassa, offering flowers as a tribute and receiving her divine blessings—a moment of peace, devotion, and inspiration!

# NEW IX ORIENTATION

## A New Journey Begins!

The Orientation Program for the new Class IX students marked the start of an exciting academic year. With guidance and motivation, the students stepped into this new phase, ready to embrace challenges and opportunities. Wishing them a year of growth and success!

# FIRE DRILL TRAINING PROGRAM

## Preparedness Saves Lives!

Teachers and staff participated in a Fire Drill Training Program, focusing on emergency evacuation procedures. The session reinforced quick response, teamwork, and safety measures to ensure a secure environment for all. Awareness today, safety forever!

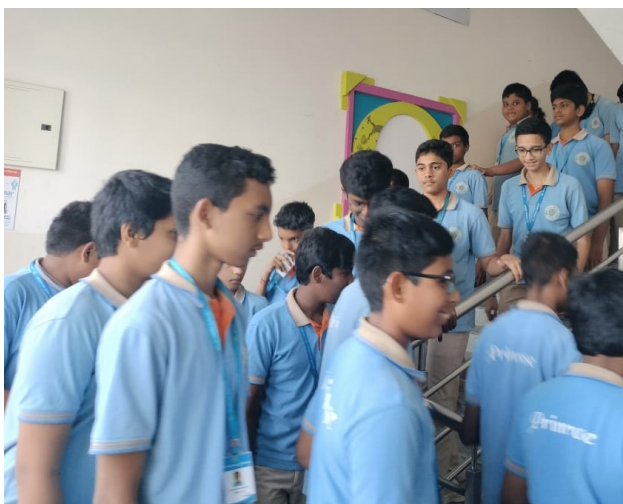

# FIRE DRILL

Students and staff participated in a fire drill to practice safe evacuation procedures and ensure preparedness.

All children were evacuated quickly and efficiently, ensuring discipline and awareness.

The drill reinforced the importance of preparedness, teamwork, and quick emergency response.

# EXTERNAL AUDIT

## Ensuring Excellence!

The school successfully completed its external ISO yearly audit, reaffirming its commitment to quality standards. Processes and systems were thoroughly reviewed to ensure compliance, efficiency, and continuous improvement. The audit reinforced our dedication to maintaining the highest educational and operational benchmarks.

# ***HIGH SCHOOL***

# LIFE INSURANCE

Kotak Life Insurance conducted an awareness program on 15.02.2025. As India's leading life insurance company, Kotak Life Insurance offers a range of products, including term insurance, ULIPs, and savings plans.

During the session, they emphasized the importance of term and life insurance, explaining the eligibility criteria and medical conditions required for applying. We gained a clear understanding of in-patient treatment, daycare treatment, pre- and post-hospitalization, and restoration benefits. Additionally, various investment plans and their associated benefits were shared during the training session.

# FIRE DRILL

Fire Drill training was conducted on 15.02.2025 by Madras Fire Safety Engineers. Emergency Response Team members provided detailed information about fire prevention, fire equipment systems, and standard operating procedures (SOPs). A briefing on fire and emergency response was also held.

Respected teachers were divided into four groups, and a mock fire drill was conducted. The mock drill also served as an opportunity for creating awareness. The drill aimed to assess the readiness of teachers to handle emergencies during natural calamities and to make staff more aware of fire-fighting and rescue operations. These mock drills were valuable in preparing for challenges in adverse situations and in coping with natural disasters.

Overall, the session was informative and engaging.

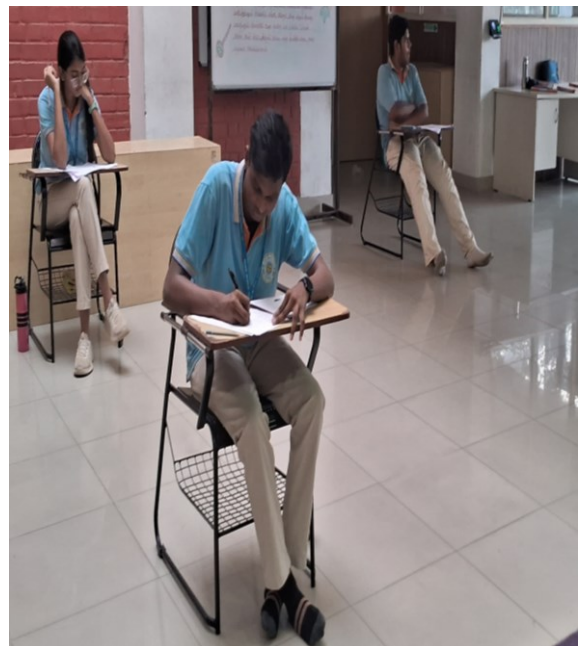

# ATS EXAM X & XII

An accelerated test series was conducted for classes X and XII to help students improve their academic performance efficiently. The series focused on key subjects and concepts, preparing students for upcoming exams in a structured and time-efficient manner. The tests targeted concepts that are typically challenging for students to grasp quickly.

# X BOARD EXAM (18.2.2025)

The Class X board exams began on 18.02.2025. Praying before an exam can be a powerful practice for students, offering both emotional and mental support as they approach a potentially stressful situation. Students made sure to double-check that they had all the necessary items, such as their admit card, photo ID, pens, pencils, and a water bottle. They arrived at the exam center early to avoid any last-minute stress.

# XII BOARD EXAM (13.02.2025)

The Class XII board exams began on 13.02.2025. On the day of the Class XII board exam, it is essential to stay calm, organized, and focused.

Prayer before the exam offered support and encouragement, helping to create a sense of calm and confidence for students as they faced their exams. May God fill their minds with clarity and understanding, and guide them to recall the knowledge they have worked so hard to learn.

# NEW XII OPEN DAY (14.02.2025)

The Open Day for the new Class XII students was held on 14.02.2025. Teachers highlighted the subjects or areas where students excelled in the SA II Examination. They discussed the students' behavior in class, including attentiveness, participation, and any disruptive behavior. Recommendations were given on how parents can support their child's studies, such as creating a conducive study environment and being actively involved in the learning process for the upcoming academic year.

As the 12th-grade students approach the end of their academic journey at Primrose Schools, it becomes crucial for them to establish clear goals and strategies for both academic success and future career aspirations. Our Principal initiated the orientation program to provide students with the tools and framework needed to set and achieve personal, academic, and career goals in a structured manner. This approach aims to empower students to take charge of their learning and future while helping them develop key skills necessary for post-graduation success.

Goal orientation was presented by our Principal Sir to both parents and students, creating a unified approach to achieving success in education. The Principal played a key role by setting a clear vision for the school, fostering an inclusive environment, and encouraging communication and collaboration. Parents, in turn, contribute by staying involved, setting expectations, and creating a supportive home environment for learning. By the end of the session, students took responsibility for setting their own academic and personal goals, seeking help when needed, and staying motivated.

The Parent Workshop on supporting students' dreams was held on 15.02.2025, aimed at providing parents with strategies and insights to help their children identify, pursue, and achieve their aspirations. The workshop emphasized the importance of understanding and nurturing students' dreams while setting realistic goals and offering the necessary support. Key areas covered included identifying passions, setting achievable goals, overcoming challenges, and providing practical assistance. The session also highlighted how parents can celebrate their children's achievements, regardless of how big or small.

The new Class X goal orientation workshop was held on [insert date]. The objective of the workshop was to equip students with the tools and techniques necessary to set meaningful goals, stay motivated, and track progress in both their academic and personal lives.

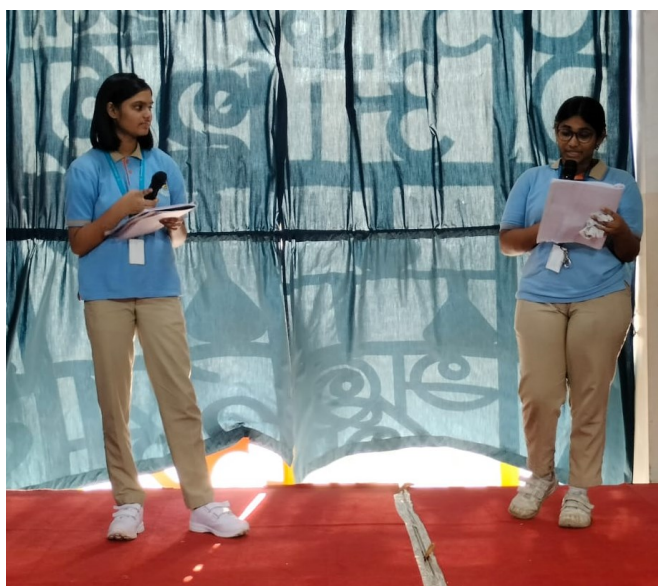

# MOTHER'S BIRTHDAY (21.02.2025)

Mother's Birthday was celebrated on 21.02.2025 to honor her contributions to the school and its values. The celebration began with an opening speech delivered by Principal Sir, who shared a brief history of the Mother. Students from various classes also presented a cultural showcase.

The new Class X conducted the morning assembly, focusing on the theme of Abilities and Achievement, emphasizing the importance of recognizing and nurturing our innate talents to achieve success. The assembly aimed to inspire and motivate students to believe in their capabilities and work hard towards their goals. The core message of the assembly centered around the idea that achievement is the result of hard work, persistence, and the effective use of one's abilities.

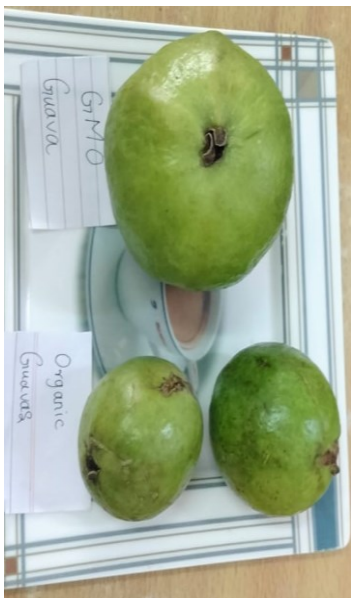

The journey of a thousand miles begins with one step.' On 21.02.2025, the new Class XII students hosted an inspiring assembly centered around the theme of Progress. The assembly aimed to motivate and encourage students to embrace growth, persistence, and improvement in both their academic and personal lives.

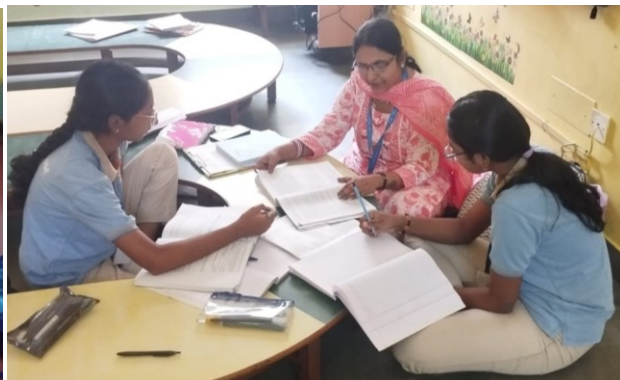

Genetically Modified Organisms (GMOs) are organisms whose genetic material has been altered in a way that does not occur naturally through reproduction or recombination. Students learned about the benefits of GMOs in agriculture, which include higher crop yields, reduced pesticide use, and the ability to grow crops in more challenging environments. They also compared natural foods with genetically modified foods.

# CLASS XII REVISION CLASS

Revision classes were organized for Class XII students, focusing on the most important topics, concepts, and chapters that are likely to appear in exams. This approach helps students avoid wasting time on less relevant material. Teachers provided expert explanations and clarified difficult concepts, ensuring that students understood challenging areas before the exams. These classes also included practice tests, sample questions, and previous years' exam papers, allowing students to test their knowledge and become familiar with the exam pattern.
