MORNING ASSEMBLY CLASS

III LOTUS

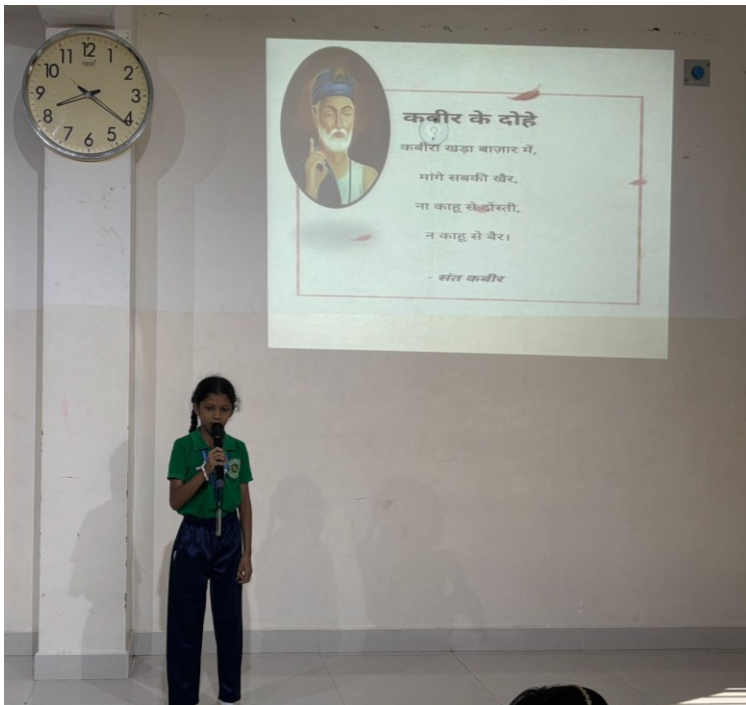

“Confidence is the first step toward greatness.”

The students of Class III Lotus hosted a heartwarming assembly focused on the value of empathy. With thought-provoking quotes, and a powerful “Kindness Pledge,” they encouraged their peers to show care in words and actions. This meaningful event cultivated emotional intelligence and taught students the importance of compassion and understanding in daily life.

MORNING ASSEMBLY CLASS

IV LILY

“Good character is the foundation of true education.”

Class IV Lily brought alive the timeless wisdom of '**Kabir ke Dohe**' through a thought-provoking morning assembly. Students recited couplets, decoded their meanings, and shared real-life connections to virtues like truth, humility, and simplicity. The experience deepened cultural understanding and moral reflection, inspiring learners to live by values rooted in Indian heritage and wisdom.

MORNING ASSEMBLY CLASS – IV

LILY

“No act of kindness, no matter how small, is ever wasted.”

—

Aesop

Class IV Lily led a heartwarming morning assembly on the theme of **generosity**. Through thoughtful speeches and reflections, students shared real-life examples and inspired peers to practice kindness, sharing, and selflessness in everyday life. As a vibrant finale, students performed a joyful dance, adding energy and celebration to the meaningful message of the day. The assembly left everyone uplifted and reflective.

CLASS II LILY – COMPUTER SCIENCE LAB ACTIVITY

This week, our curious and enthusiastic Class II Lily students stepped into the fascinating world of technology during their Computer Science Lab activity. The session was designed to introduce young learners to basic computer skills in a fun, interactive, and creative way. **“Today’s learners, tomorrow’s tech leaders”.**

CLASS II LILY – COMPUTER SCIENCE LAB ACTIVITY

Students explored the world of technology by identifying input-output devices in the lab. Using real objects like a mouse, keyboard, headphones, and a projector, learners matched names with functions and usage. With hands-on engagement and digital flash quizzes, the session built digital awareness and laid the groundwork for computer literacy.

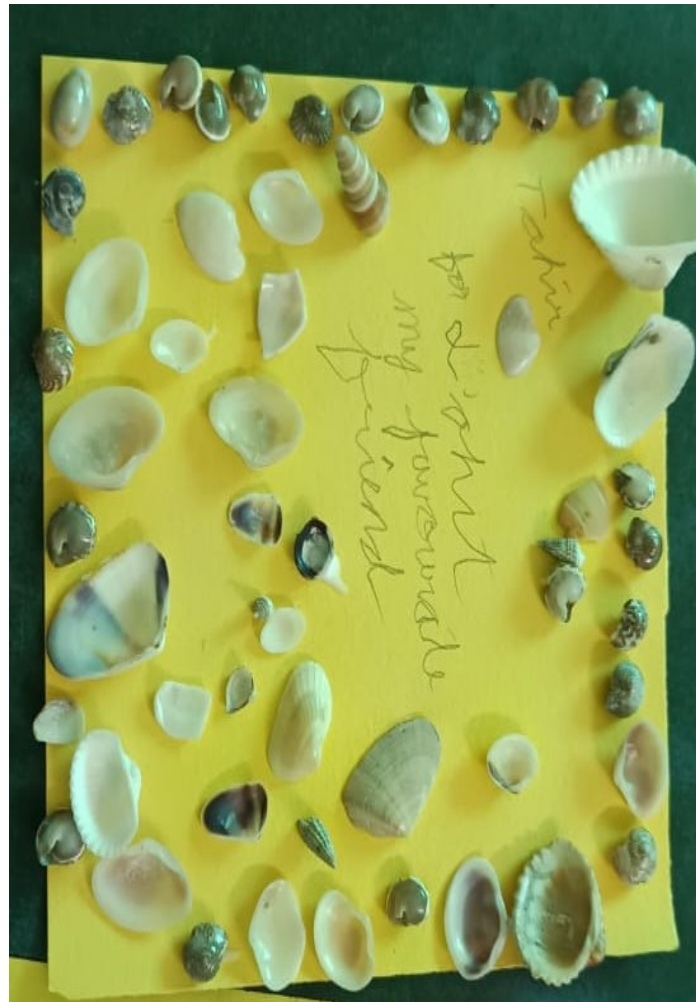

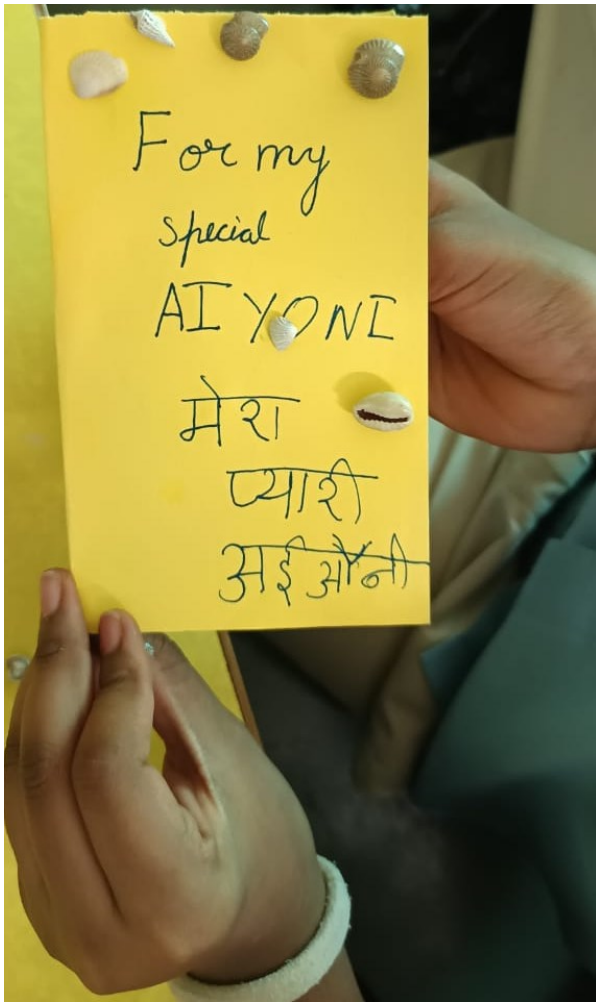

CLASS II LOTUS – COMPUTER SCIENCE LAB ACTIVITY

“Technology opens doors to creativity.”

Class II Lotus students were introduced to the **fundamentals of computers** in a hands-on lab session. They explored topics like hardware and software, parts of a computer, and how to operate basic functions like opening files, typing, and using a mouse. Through engaging visuals and interactive tasks, students learned how computers help us in schools, homes, and offices. This session built their comfort with technology and laid a strong foundation for responsible digital usage

CLASS V LILY – HINDI CLASS ACTIVITY

In a heartwarming and enriching Hindi class activity, the students of **Class V Lily** embarked on a storytelling journey that brought to life the tale of a **hardworking family who earns their livelihood by crafting beautiful items from sea shells**. The story, filled with color, resilience, and cultural richness, sparked lively discussions and meaningful reflections.

CLASS V LILY – HINDI CLASS ACTIVITY

Through **vivid narration and guided classroom interaction**, our young learners were able to connect deeply with important themes such as **creativity, self-reliance, teamwork, and entrepreneurship**. The tale not only captured their imagination but also inspired them to think about how ordinary resources—like sea shells—can be transformed into something extraordinary with skill, dedication, and love.

CLASS V LILY – ENGLISH CLASS ACTIVITY

The stage sparkled with imagination as our talented students transported the audience straight into the enchanting world of **Neverland**, with their vibrant and heartwarming performance of **Peter Pan**. Through this lively and beautifully staged skit, students brought beloved characters like Peter Pan, Wendy, Tinker Bell, and Captain Hook to life—celebrating the timeless charm of adventure, friendship, and the joy of staying young at heart.

CLASS V LILY – ENGLISH CLASS ACTIVITY

From whimsical fairy dust to daring duels with pirates, the skit was a spectacular blend of **drama, creativity, and storytelling**. Each scene captured the audience with rich expression, confident dialogue delivery, and wonderful teamwork.

The background is a light blue field filled with a repeating pattern of white line-art icons. These icons represent various educational fields: science (flasks, beakers, a basketball, a calendar with the number 16), mathematics (a calculator, a ruler, a protractor, the equation $E=MC^2$), and general school items (books, a graduation cap, a computer monitor, a pencil, a paper airplane, an apple, a briefcase, and an alarm clock).
