Folding Hand Kerchief Activity

PRE KG

SIDDHESHWARAN

SHRAVYA

NIRANJANA

We are excited to share a delightful moment from our Pre-KG classroom this week!

Our little learners took part in a **“Folding the Handkerchief”** activity — a simple yet meaningful task that helps build **fine motor skills, concentration, independence**, and a sense of responsibility.

With tiny hands and bright smiles, the children eagerly participated, carefully folding their handkerchiefs with guidance and joy. It was heartwarming to see their excitement as they successfully completed the folds, some even trying multiple times with great determination!

This activity also supports early **practical life skills**, encouraging our children to take care of their belongings and develop confidence in doing tasks independently.

We are so proud of our Pre-KG stars for their effort and enthusiasm!

Opening And Closing The Lid Activity

PRE KG

Our Pre-KG children took part in a fun “**Opening and Closing Lid**” activity! Using different types of containers, our little ones practised turning, twisting, and fitting lids—all while improving their **fine motor skills, hand strength, and concentration**. They enjoyed exploring how things open and close, and it was a joy to see their growing independence and curiosity in action!

You can also encourage this learning at home by letting your child try to open and close small, safe containers like lunch boxes, water bottles, or jars. These simple activities help build their confidence and support their everyday life skills.

Paper Collage Activity On Letter 'K'

PRE KG

Our Pre-KG children had a creative time this week doing a **paper collage activity on the letter 'K'**! Using small pieces of coloured paper, they carefully pasted them to form and decorate the letter, learning to recognize its shape while building **fine motor skills and creativity**. It was wonderful to see how focused and excited they were to make their own colourful letter 'K'!

Paper Plate Car

PRE KG

Our Pre-KG children had an exciting time making a **car using paper plates!** With lots of enthusiasm, they painted, pasted wheels, and decorated their very own paper plate cars. This fun craft activity helped them explore their **creativity**, practice **hand-eye coordination**, and learn about different types of transport in a playful way. It was a joy to watch their faces light up as their cars came to life!

Sponge Dabbing On Letter 'J'

PRE KG

SHERWIN

Our Pre-KG children had a colourful time this week with a **Sponge Dabbing activity on the letter 'J'**! Using soft sponges and bright paints, the little ones dabbed over the letter 'J', helping them recognize the alphabet while enjoying a fun, sensory experience. This activity also supported their **fine motor skills, colour recognition,** and creative expression. It was a delight to see their excitement as the letter 'J' came alive with colours!

Thumb Impression Activity On Number-7

PRE KG

Our Pre-KG children had a fun-filled time doing a **Thumb Impression activity on the number 7!** Using bright paints, they dipped their tiny thumbs and joyfully stamped along the shape of the number. This activity helped them with **number recognition**, improved their **fine motor skills**, and gave them a chance to enjoy a playful sensory experience. The little ones were proud to see their colourful thumbprints turn into a beautiful number 7!

Zooming Rocket

PRE KG

Our Pre-KG children enjoyed an exciting “**Pasting the Puzzle on Rocket Image**” activity! They carefully matched and pasted the puzzle pieces to complete the rocket picture, which helped improve their **thinking skills, hand-eye coordination, and concentration**. The little ones were thrilled to see their rockets come together piece by piece and were proud of their work. It was a fun way to support early problem-solving in a creative way!

Monthly Theme - Transport

[Ice Cream Stick Truck]

LKG

This month, our LKG children had a delightful hands-on activity as part of our **Transport** theme—they created colorful ice cream stick trucks! Using simple craft materials like ice cream sticks, paper, and colours, the little ones explored their creativity while learning about different modes of transport. This fun and engaging project not only helped develop their fine motor skills but also encouraged teamwork and imaginative play. The children were excited to build their own trucks and proudly showcased their unique creations, making the learning experience both educational and enjoyable!

Montessori Activity - Lock & Key

LKG

Our LKG children enjoyed an engaging Montessori activity with **Lock and Key** sets this month! This hands-on exercise helped develop their fine motor skills, hand-eye coordination, and problem-solving abilities as they practiced matching keys to the correct locks. Through this fun and interactive activity, the children also built concentration and patience while gaining confidence in their ability to manipulate everyday objects independently. It was wonderful to see their excitement and sense of achievement as they successfully unlocked each lock!

Monthly Theme – Transport (Talk a Minute)

LKG

As part of this month's **Transport** theme, our little learners participated in a fun and confidence-building **Talk a Minute** activity. Each child had the opportunity to speak for one minute about their favorite mode of transport—whether it was a car, bus, airplane, or bicycle! This exercise helped improve their speaking skills, vocabulary, and self-expression while deepening their understanding of different ways we travel. It was wonderful to hear their enthusiastic stories and see their confidence grow with every minute!

Theme Of The Month

Transport Tales

UKG

This month, our UKG children participated in the exciting “**Your Favourite Vehicle Dress-Up**” activity. Each child chose a vehicle they love—whether it’s a car, bus, airplane, or train—and dressed up to showcase it! They also practiced a short “Talk a Minute” where they shared why they like their chosen vehicle, what makes it special, and how it helps people travel.

This fun and interactive activity helped develop their **confidence, speaking skills, and creativity**, while reinforcing their understanding of different modes of transport. It was wonderful to see their enthusiasm and hear their unique thoughts about vehicles!

SRIHITHA

During the recent Parent-Teacher Meeting (PTM) for KG, parents received detailed academic updates about their child's progress. Teachers shared insights into each child's learning milestones, strengths, and areas for improvement, helping parents understand their little one's development better.

This open communication allowed parents to actively participate in their child's educational journey and collaborate with teachers to support growth both at school and at home. The PTM proved to be a valuable opportunity for strengthening the partnership between parents and educators.

Parents also got a chance to discuss their child's social skills and emotional development, gaining a holistic view of their overall growth beyond academics.

Term – I Open Day [Parents Activity]

LKG

At the recent Parent-Teacher Meeting, families participated in a fun and interactive activity—*Spot Your Star!* In this engaging puzzle challenge, parents and children worked together to find their child's name hidden in a grid of letters. It was a wonderful way to foster teamwork, boost cognitive skills, and celebrate each child's unique identity. Every family that successfully spotted their star received a special certificate, making it a memorable experience for all. Thank you to everyone who joined us and made this activity so special!

Air Blowing Activity – Air Around Us

Class 1

Our class 1 children learned about the **air around us** and did a fun activity blowing balloons! The children saw how air, even though we can't see it, fills up the balloon and makes it bigger. They enjoyed understanding that air takes up space and is very important for breathing and many other things. It was a great way to explore something invisible in a fun and easy way!

Air Blowing Activity – Air Around Us

Class 1

Our Class 1 had a fun hands-on activity for their math internals by making **3D shapes** using clay. The children enjoyed shaping the clay into cubes, spheres, cones, and cylinders, which helped them understand these shapes better. It was a creative way to learn math and have fun at the same time! The clay modelling activity helped Class 1 students learn about different **3D shapes** in a fun and playful way. By touching and forming the shapes themselves, they could see how each one looks and feels. It made learning math more interesting and easy to remember!

Class I - Term I Open Day

Class 1

At the recent Parents-Teacher Meeting for our Class 1 students, and we sincerely thank all the parents who attended. It was a wonderful opportunity to discuss each child's progress, strengths, and areas of growth. At this foundational stage, we are focused on developing key skills in literacy, numeracy, and social development. Your continued support at home plays a vital role in your child's learning journey. Together, we can ensure that every child feels confident, encouraged, and excited to learn each day. We look forward to many more milestones ahead!

Tamil Class Activity – II Lotus

“A different language is a different vision of life.” – Federico Fellini

Students of Class II Lotus explored the beauty of the Tamil language through a fun and interactive activity that involved pencil shaving and pasting. Alongside this hands-on task, they enjoyed recitations, songs, and simple conversations, which strengthened their understanding of Tamil and boosted their confidence in public speaking. The creative activity made learning lively and memorable, fostering a deeper love for their mother tongue.

Krishna Jayanti- Collage Making

"Art is the music of the soul painted in colours."

Primrose buds celebrated Krishna Jayanti by crafting lively collages that captured Lord Krishna's playful miracles. This imaginative session not only kindled creativity but also nurtured teamwork, as young minds transformed devotion into bursts of colour and artistry.

Krishna Jayanti- Crown Making

“Creativity is the jewel in the crown of devotion.”

With sparkling imagination, students designed exquisite crowns adorned with glitter, beads, and vibrant paper. As they proudly wore their handmade creations, they felt a divine connection to Lord Krishna—celebrating both artistry and faith. The activity nurtured creativity, patience, and a sense of devotion, reminding students that true beauty lies in the joy of creating with love.

Krishna Jayanti – Pot Making

“Art speaks where words are unable to explain.”

To celebrate Janmashtami, students joyfully engaged in pot-making—shaping and decorating traditional butter pots with creativity and care. Through this hands-on activity, they explored cultural traditions while expressing their artistic flair. The experience fostered imagination, patience, and an appreciation for India’s rich heritage, reminding them that every artwork carries a story beyond words.

Krishna Jayanti-Shloka

“The rhythm of devotion flows through every sacred word.”

Children recited sacred shlokas with heartfelt devotion, learning not only correct pronunciation but also the deep meanings behind each verse. The rhythmic chants filled the atmosphere with peace and reverence, connecting young minds to timeless traditions. This soulful experience nurtured focus, respect, and a sense of spiritual harmony in their daily lives.

Krishna Jayanti – Melodic Medley

“Music is the divine way to tell beautiful, poetic things to the heart.” – Pablo Casals

A heartfelt medley of devotional songs filled the air with joy and spiritual warmth as students sang in harmony, celebrating the essence of Janmashtami. Their melodious voices carried notes of love, devotion, and unity—transforming the occasion into a symphony of faith. Each tune resonated deeply, uplifting hearts and reminding everyone that music is indeed the language of the soul.

Krishna Jayanti - Singing

“Where words leave off, music begins.” – Heinrich Heine

Through soulful solo and spirited group performances, children brought the celebration to life with songs that echoed love and devotion for Lord Krishna. Each note reflected their enthusiasm, preparation, and joy as their voices blended in perfect harmony. The melodies resonated with divine energy, reminding everyone that music has the power to express what words cannot.

Krishna Jayanti - Speech

“Speech has power. Words do not fade. What starts out as a sound ends in a deed.” – Abraham Joshua Heschel

Primrose buds delivered heartfelt speeches that illuminated the life and teachings of Lord Krishna. With confidence and grace, they spoke about His timeless values—kindness, friendship, and joy—reminding everyone that true devotion lies in living these virtues each day. Their words resonated with purpose and sincerity, turning sound into inspiration and thought into action.

Krishna Jayanti Celebration- Prize Distribution

“Every achievement begins with the courage to participate.”

The Krishna Jayanti competitions brought excitement and joy as students showcased their creativity and effort.

Winners of the Krishna Jayanti competitions were honoured for their creativity, effort, and enthusiasm. Each award reflected not just victory, but the spirit of devotion and joyful participation. The celebration inspired every student to strive with passion, create with heart, and take pride in giving their best—reminding all that true success shines through dedication and joy.

Class II – V Open Day

“The beautiful thing about learning is that nobody can take it away from you.” – B.B. King

Open Day offered parents a vibrant glimpse into the world of learning, where classrooms buzzed with curiosity and creativity. Students proudly showcased portfolios, projects, and artistic creations, highlighting their dedication and progress. The event celebrated achievements big and small, filling families with pride and reinforcing the joy of exploration, discovery, and growth.

OPEN DAY

Class II – V Open Day

“The beautiful thing about learning is that nobody can take it away from you.” – B.B. King

Open Day gave parents an opportunity to review their child's academic progress and exam results while observing classroom engagement and ongoing projects. Students shared their work and achievements, giving families a clear view of their learning journey. The event fostered collaboration between teachers and parents, celebrating growth, effort, and the joy of learning.

Class III Lily Activity- Hindi

“Language is the dress of thought.” – Samuel Johnson

Class III Lily brought Hindi to life through an engaging session filled with poems, stories, and fun linguistic games. Students joyfully explored the beauty of the language while enhancing their speaking and writing skills. The interactive activities sparked imagination, confidence, and a love for Hindi, showing that learning a language can be both playful and inspiring.

Shri Isari Velan Memorial Tournament

On September 3, 2025, our **Under-14 Girls Team** triumphed in the **Shri Isari Velan Memorial Tournament**, emerging as **Winners** and proudly bringing home the **Best Player Trophies**. Their teamwork, determination, and skill made the school shine with pride!

Class VI to VIII Practical – Term I

Term I practical examinations for Classes VI to VIII were conducted successfully, allowing students to apply theoretical knowledge through hands-on experiments and activities. The sessions encouraged curiosity, understanding, and experiential learning across all subjects.

Class IX Practical's – Term I

Term I Practicals for Class IX were successfully conducted. Students performed experiments with enthusiasm, connecting theoretical concepts to real-life applications and strengthening their understanding through hands-on learning.

Yoga Regionals Winners

Winners of the **Yoga Regionals** were honored and awarded for their outstanding performances. Their dedication, discipline, and balance truly reflected the spirit of yoga and inspired others to embrace a healthy lifestyle. Primrose Schools proudly felicitated the **Yoga Regional Champions**, recognizing their commitment, focus, and graceful mastery that brought laurels to the institution.

Annual Day Dance - Discussion With Principal

Teachers gathered to discuss the **Annual Day theme and dance performances**, sharing creative ideas and planning engaging presentations to make the event memorable for students and parents alike. A lively discussion with teachers on the Annual Day theme and dance ideas set the stage for an exciting celebration ahead.

Annual Day Invitation Class VI to IX

Invitation letters for the Annual Day Celebration were presented to academic toppers and scholarship awardees, recognizing their exceptional achievements and dedication throughout the year. The moment marked pride, inspiration, and encouragement for all students to aim higher.

ICSE Teachers Training

Teachers Empowered: **ICSE Council** recently conducted a five-day training program in Hyderabad from 22nd Sep to 26th Sep, focusing on **Chemistry**. Educators from various schools enhanced their skills to integrate the learning effectively into the ICSE curriculum, preparing students for a tech-driven future.

PRIMTALENT Award 2025

Winners of the **PrimTalent Examination** for various subjects were honored with awards for their outstanding performance. Their dedication and hard work stood as a true reflection of academic excellence and perseverance.

PRIMTALENT Award 2025

Students who excelled in the **PrimTalent Examination** were honored on stage for their remarkable performance celebrating their academic excellence and commitment to continuous learning.. Their achievements reflected dedication, hard work, and a true passion for learning, inspiring their peers to strive for excellence.

Annual Day - Skit Preparation & Recording

Students enthusiastically prepared for the **Annual Day skit**, showcasing teamwork, expression, and talent. The script recording session at school captured their voices and emotions, adding life to their performance and setting the stage for an unforgettable show.

Class XII SA-1 Exam

The Summative Assessment–1 (SA-1) examination for Class XII was conducted smoothly over a span of nine days, from 8th September 2025 to 16th September 2025. The entire process was carried out in a systematic, disciplined, and transparent manner, ensuring a stress-free environment for the students.

Students appeared for examinations in all major academic subjects. These included core science subjects such as English, Physics, Chemistry, and Mathematics. In addition, students pursuing varied academic streams also wrote papers in Computer Science, Biology, Commerce, Business Studies, and Accountancy. This diverse range of subjects reflects the academic rigor and holistic curriculum offered by the institution.

Overall, the successful completion of the SA-1 exams marks an important step in the academic journey of Class XII students, preparing them for the challenges of the final board examinations ahead.

NIOS Practical Exam

The recent NIOS (National Institute of Open Schooling) Practical Examinations were conducted smoothly at our school, providing students with the opportunity to demonstrate their practical skills across various subjects. The exams focused on hands-on applications in subjects like Science, Computer Applications, and Home Science, allowing students to apply theoretical knowledge in real-life scenarios. With proper guidance from teachers, the students prepared diligently and participated with enthusiasm and confidence.

Our NIOS students recently took part in the Practical Art Examination, showcasing their creativity, skill, and dedication. The exam, held on [insert date], provided a platform for students to express their artistic talents through sketching, painting, and craftwork. Guided by their art instructors, the students prepared thoroughly, blending imagination with technique to create impressive artworks. The exam not only assessed their practical skills but also encouraged them to visually express their ideas and apply the concepts they had learned during their course.

ISC Art Training

The ISC Art Training Program has served as a vibrant platform for budding artists to explore and enhance their creative talents. Conducted over the past few weeks, the training sessions have focused on various art forms, including sketching, painting, and digital art.

Under the guidance of experienced instructors, students have developed essential techniques such as shading, colour blending, and perspective drawing. The program aims to build a strong foundation for ISC students who aspire to excel in their Art examinations and pursue artistic endeavours beyond the classroom.

Cricket Nationals' Girls Parent Meeting

On 12.09.2025, our school's Girls Cricket Team had an inspiring session with Principal Sir before heading to the National Girls Cricket Championship. He congratulated the team for reaching the nationals and encouraged them to play with confidence, teamwork, and sportsmanship. His motivating words boosted the team's spirit and focus. The players shared their excitement and promised to give their best, proudly representing the school. The meeting ended on a high note, leaving everyone feeling motivated and ready for the challenge ahead.

Assembly By Office Bearers

The celebration began with an inspiring speech highlighting the life and teachings of Dr Sarvepalli Radhakrishnan, whose birthday marks this special occasion. Students presented poems, songs, and skits that beautifully expressed their respect and admiration for their mentors.

On September 5th, our school joyfully celebrated Teachers' Day to express gratitude and appreciation for the dedication and hard work of our teachers. The entire student body came together to organize a memorable event filled with heartfelt performances and warm gestures.

Girls Cricket Nationals

Our school's girls' cricket team proudly participated in the nationals, displaying remarkable skill, determination, and teamwork. They faced tough opponents but showed great resilience and spirit throughout the matches.

The tournament was not just about winning trophies but also about empowering young women, promoting fitness, and encouraging a love for cricket. The players gained valuable experience and made memories that will last a lifetime.

Karate Nationals

We are proud to announce that our talented students from **Primrose Schools** have made a powerful mark at the **Karate National Championship 2025**

presenting the school and state with passion, discipline, and skill, our young karateka's displayed exceptional performance in various categories and age groups.

Karate isn't just about self-defense—it's about self-discipline, focus, respect, and inner strength. At Primrose Schools, we believe in nurturing well-rounded individuals, and this achievement underlines the importance of sports in holistic education.

Assembly By Office Bearers

(Teachers' Day Celebration)

The games included quiz contests on general knowledge and school trivia, musical chairs, a friendly tug-of-war, and some creative team challenges. Teachers enthusiastically participated, showcasing their competitive spirit.

To add excitement and laughter to this year's Teachers' Day celebration, the students organized a series of fun and engaging games exclusively for our beloved teachers. The activities aimed to bring everyone together in a light-hearted spirit, strengthen the bond between teachers and students, and celebrate their remarkable spirit and sense of humor.

ISC English Literature Training

The ISC English Training Program has been successfully conducted to help students enhance their proficiency in English literature. Designed specifically for ISC curriculum students, the training focuses on key areas such as reading comprehension, writing skills, grammar, and Modern English.

Led by experienced language instructors, the sessions feature interactive activities, group discussions, and practice exercises aimed at improving vocabulary, sentence structure, and overall communication skills. Special emphasis is placed on essay writing and answering comprehension questions—both essential components of the ISC exams. Students have shown great enthusiasm and noticeable improvement throughout the training, gaining confidence in both written and spoken English.

FOOD CARNIVAL BY CLASS 10

The much-awaited Class 10 Food Carnival was held on September 27, 2025, bringing together students, teachers, and parents for a delightful celebration of flavors and fun!

The carnival featured a wide variety of food stalls showcasing delicious dishes from different cuisines — ranging from spicy snacks to sweet treats.

FOOD CARNIVAL BY CLASS 10

The carnival was not just about food; it was a celebration of culture and creativity. Each stall was beautifully decorated to represent different regions and cuisines, offering visitors a chance to experience flavors from around the world. Popular dishes included homemade samosas, delectable desserts, and refreshing beverages.
