NEWSLETTER

19th Annual Day – II TO V

Primrose Schools celebrated its **19th Annual Day** with grandeur and enthusiasm, embracing the theme “**The Boy, the Mole, the Fox and the Horse.**” The program highlighted values of kindness, empathy, and resilience, thoughtfully conveyed through the performances of the Primary Section.

The celebration began with the **lighting of the lamp**, symbolizing the dispelling of darkness and the ushering in of knowledge. This auspicious ceremony was performed by our Director, **Ms. Sindura Arvind**, along with the grandparents of **Akshaya and Kayal**, invoking the blessings of God and setting a dignified tone for the day.

19th Annual Day – II TO V

With the blessings of God, the celebration commenced with a graceful **welcome dance**, setting a dignified and festive tone for the evening. The students of **Class 3** delivered an energetic dance performance that captivated the audience and received warm applause.

19th Annual Day – II TO V - Annual Report

Selected students presented the **annual report**, highlighting the year's academic progress and co-curricular achievements. The report reflected excellence in studies, active participation in arts and sports, and initiatives that promoted values of teamwork and responsibility. It served as a concise overview of the holistic growth fostered at Primrose Schools.

19th Annual Day – II TO V

The students of **Class 5** staged a skit based on the theme "The Boy, the Mole, the Fox and the Horse." Inspired by Charlie Mackesy's heartwarming and philosophical tale, the performance conveyed the values of kindness, empathy, and friendship.

Through thoughtful dialogues and expressive acting, the skit explored themes of vulnerability, love, and trust. The students' portrayal captured the essence of the story, offering comfort and wisdom to the audience and leaving them with a powerful reminder of the significance of being kind.

19th Annual Day – II TO V

The **19th Annual Day** was a memorable occasion that not only showcased the talents of the Primary Section but also reinforced the school's commitment to nurturing values alongside academic excellence. The event stood as a testament to the collaborative spirit of students, teachers, and parents in shaping holistic education.

Fire Drill Mock

Primrose Schools conducted a **fire drill mock exercise** to reinforce safety awareness among students and staff. The drill familiarized everyone with the proper evacuation procedures, ensuring that each class exited in an orderly manner and assembled at the designated safe zones. Teachers and staff supervised the process, guiding students with calm efficiency. The exercise emphasized the importance of **discipline, alertness, and quick response** during emergencies.

Mother's Birthday Celebrations

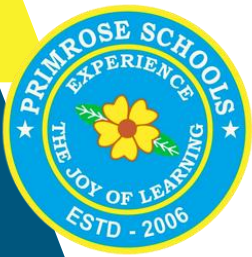

Primrose Schools observed the **birthday of Mother Mirra Alfasa**, fondly remembered as The Mother, with reverence and devotion. The celebration was marked by a spirit of gratitude and reflection on her teachings, which continue to inspire generations. The event began with a **prayer and floral tributes**, offered by students and staff to honor The Mother's life and vision. The solemn atmosphere reflected the deep respect the school community holds for her ideals.

Primathon

Primrose Schools successfully organized **Primathon**, a marathon designed to promote fitness, endurance, and the spirit of participation among students, parents, and staff. The event aimed to instill the importance of physical well-being while fostering unity within the school community.

Morning Assembly – Class 6 Lotus

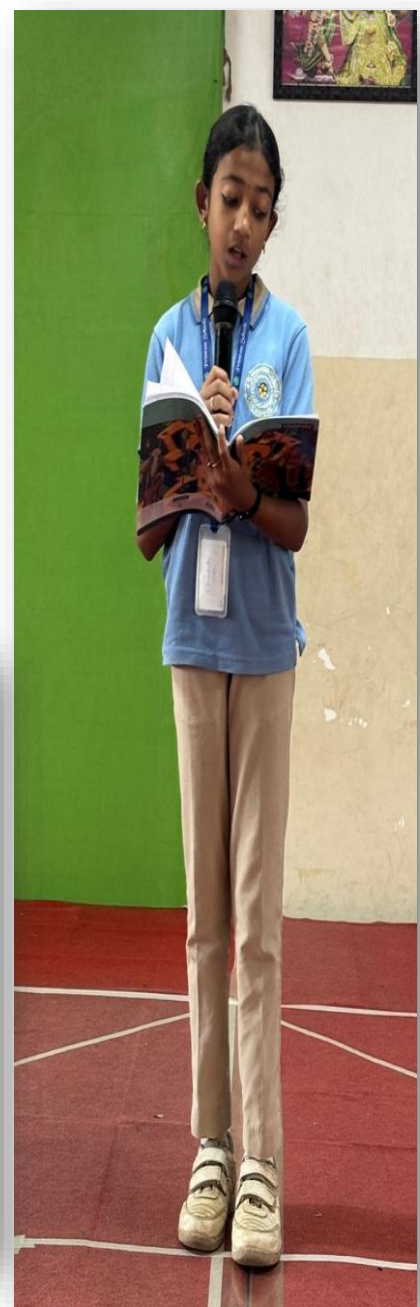

Class 6 Lotus conducted an inspiring assembly on **“The Role of Youth in Nation Building.”** Students highlighted responsibility, discipline, and patriotism through speeches and presentations. They conveyed how youth can drive positive change as responsible citizens. The assembly was engaging and left the audience motivated.

Morning Assembly – Class 6 Lily

Class 6 Lily presented a thoughtful assembly on **“The Role of Youth in Nation Building.”** The students emphasized the importance of responsibility, discipline, and active participation in shaping the nation’s future. Through confident speeches and coordinated presentations, they shared how young minds can contribute positively to society.

Morning Assembly – Class 7 Lotus

Class 7 Lotus conducted a meaningful assembly on “**The Role of Youth in Nation Building.**” The students highlighted the importance of leadership, responsibility, and commitment in shaping the nation’s future. Through engaging speeches and well-coordinated presentations, they conveyed how youth can contribute positively to society.

Sustainability Carnival

Our school organized a vibrant **Sustainability Carnival** in collaboration with an external association. The event aimed to create awareness about environmental conservation and sustainable living among students.

The carnival featured a variety of engaging activities, interactive exhibits, and creative presentations focused on eco-friendly practices.

Primathon 2026

Our school enthusiastically conducted **Primathon**, a **1.5km run** to raise awareness about climate change. The event symbolized the alarming impact of a **1.5°C rise** in Earth's temperature and the potential harm it can cause to our planet. The initiative successfully inspired awareness about protecting the Earth and adopting sustainable practices for a better future.

Morning Assembly – Class 6 Lotus

Class 6 Lotus conducted a thoughtful assembly on **“Small Acts of Kindness and Their Impact.”** The students highlighted how simple gestures of kindness can create a positive difference in people’s lives. Through meaningful speeches and presentations, they conveyed the importance of **empathy, compassion, and helping others.**

Morning Assembly – Class 7 Lily

Class 7 Lily presented a meaningful assembly on “**Small Acts of Kindness and Their Impact.**” The students highlighted how simple acts of kindness can make a big difference in everyday life. Through engaging speeches and presentations, they emphasized **empathy, compassion, and helping others.**

FIRE DRILL MOCK

A **fire drill** mock exercise was conducted as part of the annual **safety program** to prepare students for emergency situations. The activity aimed to alert children and educate them on how to respond calmly and safely during unexpected incidents. Students followed **safety instructions, evacuation procedures**, and assembly protocols with discipline. The drill was informative and helped build awareness, ensuring that students are better prepared to handle emergencies responsibly.

Fire Drill Training For Teachers

A fire drill training session was conducted for teachers to handle emergencies effectively. The session focused on staying calm, guiding students safely, and following evacuation procedures. Teachers were also trained in using fire extinguishers and basic fire control techniques, enhancing their preparedness and confidence in ensuring student safety.

Mothers Birthday Celebration

Mother's Birthday was celebrated with great devotion and respect. Students expressed their gratitude by honoring our Mother Alfassa and reflecting on her teachings. By following her words and values, the celebration highlighted the importance of love, discipline, and sincerity. The occasion was meaningful and inspired everyone to practice her ideals in daily life.

Term-2 PTM - Class 8 & 9

An Open Day was conducted for Classes 8 and 9, providing parents an opportunity to review their child's academic progress and interact with teachers. Along with this, Class 8 students participated in the subject selection process for Class 9, helping them make informed academic choices for the upcoming year.

Field Trip At Pondicherry

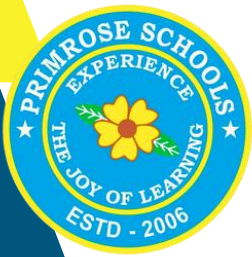

Students of Classes 6 and 7 were taken on an educational field trip to Pondicherry. The visit provided a refreshing learning experience beyond the classroom, helping students explore new places, culture, and history. The trip was both informative and enjoyable, encouraging curiosity, bonding, and experiential learning among students.

Vasudha Vatsalya Price Distribution

As part of Vasudha Vatsalya conducted in the month of January, prizes were distributed to students who secured the top three positions in various events. These included rangoli, clay modelling, jewelry making, pebble art, singing, Sizzle Zone, Nrithyalaya, and more. The event celebrated students' creativity and talent, encouraging them to showcase their skills with enthusiasm and confidence.

Art Exam 11/02/2026

The **Class XI Art Examination** was conducted successfully in our school on [11.02.2026]. The exam provided students with an opportunity to express their **creativity, imagination, and artistic skills** through various forms of visual art.

During the examination, students were asked to create artworks based on given themes such as **nature, culture, and social awareness**. Using different mediums like watercolor, pencil shading, poster colors, and sketch pens, students produced beautiful and meaningful artworks.

Class X ATS Exam 06/02/2026

The **Class X ATS Examination** was conducted successfully in our school on [06.02.2026]. The exam aimed to assess students' **understanding, analytical thinking, and subject knowledge in various disciplines**. The ATS exam helped students evaluate their preparation for the upcoming board examinations and identify areas where they need improvement. Teachers appreciated the sincere efforts of the students and encouraged them to continue working hard.

Class X ATS Exam 13/02/2026

Students participated in the examination with **great dedication and enthusiasm**. The question papers were designed to test both **conceptual understanding** and **problem-solving abilities**. Invigilators ensured that the examination was carried out in a fair and disciplined manner. The ATS exam helped students evaluate their preparation for the upcoming board examinations and identify areas where they need improvement. Overall, the Class X ATS Examination was an important step in strengthening students' academic performance and boosting their confidence for future assessments.

Class XII ISC Board Exam 13/02/2026

The Class XII ISC Board Examinations commenced on 13 February in our school with **great discipline and enthusiasm**. Students arrived early at the examination centre, well prepared and determined to perform their best.

The examination began smoothly under the careful supervision of the invigilators and school authorities. Strict examination guidelines were followed to ensure a fair and peaceful environment for all students. The start of the ISC Board Examination marks an **important milestone in the academic journey** of the Class XII students. Everyone in the school community wishes the students the very best for their examinations and hopes they achieve excellent results..

Class IX To XII NEET & CBE Course Details And Description 13/02/2026

An **informative session on the NEET, JEE, and CBE examinations** was conducted in the school auditorium for senior students. The session was led by **our respected Principal**, who introduced students to these important **competitive examinations** and their significance for **future career opportunities**. The Principal also spoke about the CBE examination and encouraged students to strengthen their **conceptual understanding, improve problem-solving skills, and manage their time effectively** during exams. It helped them gain a better understanding of these examinations and inspired them to **work hard** towards achieving their academic and **career goals**.

Sustainability Carnival 14/02/2026

Our school recently organized a vibrant **Sustainability Carnival** to **promote environmental awareness and responsible living** among students. The event aimed to educate students about the importance of protecting the environment and adopting sustainable practices in everyday life.

The carnival featured a variety of activities including **exhibitions, creative displays, eco-friendly product stalls, and informative presentations** prepared by students. Themes such as recycling, waste management, conservation of resources, and renewable energy were highlighted throughout the event.

Sustainability Carnival 14/02/2026

Students actively participated by presenting **innovative ideas** and projects that encouraged people to **reduce waste, reuse materials, and recycle** whenever possible. The colorful displays and engaging demonstrations attracted the attention of teachers, students, and visitors. The event was both **educational** and **inspiring**, helping students understand their role in creating a cleaner and greener future. The Sustainability Carnival was a great success and encouraged everyone to take small steps towards protecting our planet.

Sustainability Carnival 14/02/2026

Students actively participated and shared ideas on how small actions like planting trees, recycling materials, and avoiding plastic can make a big difference. The program encouraged students to adopt eco-friendly habits in their daily lives.

Overall, the initiative helped students gain a better understanding of sustainability and inspired them to contribute towards building a greener and healthier planet.

Primathon On 15/02/2026

Our school successfully organized the **Primathon 1.5 km Run** to promote physical fitness and a healthy lifestyle among students. The event encouraged students to understand the importance of regular exercise and staying active.

The run began with great enthusiasm as students participated with energy and determination. Teachers and staff members supported and motivated the participants throughout the event. The Primathon created a spirit of sportsmanship, unity, and healthy competition among the students.

Primathon On 15/02/2026

The session encouraged students to **stay active**, reduce stress, and maintain a healthy body. Regular physical activity like Zumba helps improve **stamina, flexibility, and overall health**. It also creates a joyful environment where students can exercise while enjoying music and movement.

The program also highlighted the concept of sustainability. Students were encouraged to adopt healthy habits that support long-term well-being, such as **regular exercise, balanced nutrition**, and caring for the environment. A healthy lifestyle contributes to a sustainable future for individuals and society.

New Class XII Orientation 13/02/2026

An orientation program for the students of Class X and Class XII was recently conducted in our school. The session was led by our respected Principal, who addressed the students and guided them for the important academic year ahead.

During the program, the Principal spoke about the significance of board examinations and encouraged students to remain focused, disciplined, and dedicated in their studies. Valuable advice was given on time management, regular revision, and maintaining a positive attitude towards learning.

Class X Board Exam ICSE 17/02/2026

The much-awaited Class X ICSE Board Examinations commenced in our school on **17 February**. Students arrived early at the examination Centre, prepared and eager to perform their best.

The examinations began smoothly under the supervision of **teachers and invigilators**, ensuring a fair and disciplined environment. Students were guided to follow all examination rules and maintain calm and focus during the tests.

Fire Drill Training 21/02/2026

Our school recently conducted a **Fire Drill Training** session to educate students and staff about fire safety and emergency preparedness. The training aimed to create awareness about the importance of quick and safe evacuation during fire incidents.

During the drill, students learned how to identify fire hazards, respond calmly, and follow proper evacuation routes. Teachers and staff guided the students step by step, ensuring that everyone understood the safety procedures. The session also included instructions on using fire extinguishers and basic preventive measures to avoid fire accidents.

Fire Drill Training 21/02/2026

Our school recently conducted a **Fire Drill Training** session to ensure the safety and preparedness of students and staff in case of a fire emergency. During the session, clear **roles and responsibilities** were assigned to the staff to manage the situation effectively.

Teachers and support staff were given specific duties such as guiding students along evacuation routes, checking classrooms to ensure no one is left behind, operating fire extinguishers, and coordinating with the school administration. Each staff member was trained to act calmly and efficiently to maintain order and ensure the safety of all.

Mother's Birthday Celebration

21/02/2026

Our school recently celebrated **Mother's Day** with a special tribute to **Mother Meera Alfasa**, honoring her love, guidance, and spiritual inspiration. The celebration highlighted the values of compassion, selflessness, and care that she embodies.

Students actively participated in the event through songs, dances, and skits dedicated to mothers and Mother Meera Alfasa. Handmade greeting cards and creative messages were presented as tokens of gratitude, reflecting the students' heartfelt appreciation.

Mother's Birthday Celebration

21/02/2026

Teachers emphasized the importance of gratitude, respect, and empathy, encouraging students to carry forward the teachings and example set by Mother Meera Alfasa in their daily lives. The celebration was both joyous and inspiring, reinforcing the significance of love, care, and devotion in family and society.

Overall, the Mother's Day celebration was a memorable event, leaving everyone motivated to honor and cherish the nurturing presence of mothers and spiritual guides in our lives
