PTM (Open Day)- Class I & II

The **Term-2 Parent-Teacher Meeting** for **Classes 1 and 2** was successfully conducted. The session provided an important opportunity for parents to interact with teachers and discuss their child's academic progress as well as overall development.

PTM (Open Day)- Class III & IV

The **Term-2 Parent-Teacher Meeting** was successfully conducted for Classes 3 and 4. The session provided an opportunity for parents to discuss their child's academic progress and overall development with the teachers. It also helped us understand each child better and support them in the most appropriate ways.

PTM (Open Day)- Class V lotus & lily

The **Term-2 Parent-Teacher Meeting for Class 5** was conducted successfully, providing a constructive platform for parents and teachers to come together in support of students' learning journeys. The session emphasized the importance of collaboration between home and school in fostering both academic progress and holistic development.

Through these discussions, we gained valuable insights into each student, enabling us to extend more personalized guidance and support.

Morning Assembly- Class I (Pongal Festival)

The students of **Class 1** conducted a special assembly on the theme of **Pongal**, the harvest festival of Tamil Nadu. The program highlighted the cultural significance of Pongal through traditional presentations.

The assembly provided a wonderful platform for young learners to showcase their talents while deepening their understanding of traditions and values. It was heartening to see the enthusiasm and creativity of the children, which made the celebration both educational and enjoyable.

Morning Assembly- Class III Lily-Yoga

The students of **Class III Lily** conducted a thoughtful morning assembly on the theme of **Yoga**. The program highlighted the importance of yoga in promoting physical fitness, mental well-being, and inner balance. Through demonstrations, recitations, and informative presentations, the children showcased how yoga can be integrated into daily life to cultivate discipline and harmony. Their enthusiastic participation reflected both creativity and awareness, making the assembly an enriching experience for all.

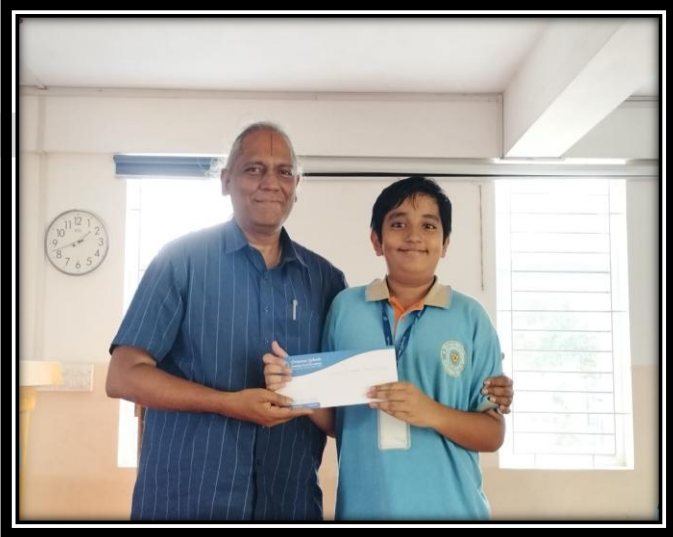

Annual Day Practice - Class II-V

The **Annual Day practice sessions** for **Classes 2 to 5** are being conducted with great enthusiasm and dedication. Students are actively participating in rehearsals, showcasing their talents in dance, drama, music, and other cultural performances.

These sessions not only prepare the children for the grand celebration but also help them build confidence, teamwork, and stage presence. The excitement and commitment displayed by the students reflect their eagerness to make the Annual Day a memorable event.

Proficiency Award Letter distribution II to V

The **Proficiency Award Letters** were distributed to students in recognition of their outstanding academic performance and consistent dedication to excellence. This initiative serves to motivate learners to strive for higher achievements while celebrating their hard work and perseverance.

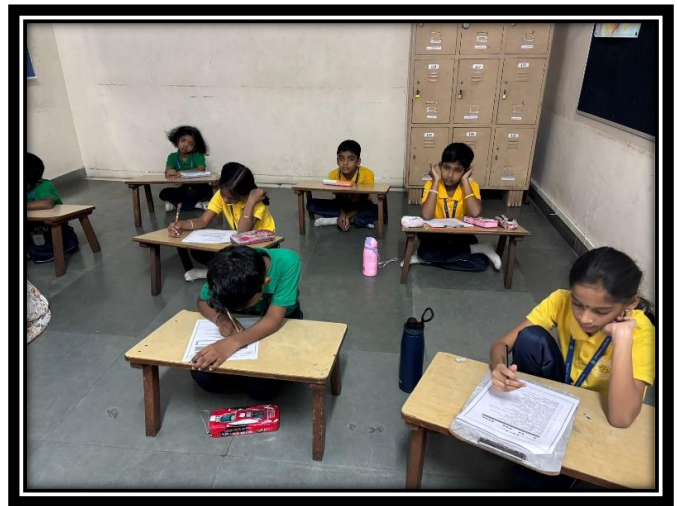

Medical Checkup Camp - Class I-V

A comprehensive **medical check-up** was organized for students of **Classes 1 to 5**. The initiative aimed at monitoring the health and well-being of children, ensuring early detection of any concerns, and promoting healthy practices among young learners.

During the session, students underwent routine examinations and health assessments conducted by qualified medical professionals. The program not only reinforced the importance of regular health check-ups but also encouraged students to adopt good hygiene and wellness habits.

Prim Talent Exam Classes- III - V

The **Prim Talent Exam** was successfully conducted for **Classes 3 to 5**. The examination aimed to assess students' proficiency across key academic areas and encourage them to apply their knowledge with confidence.

This initiative provided an opportunity for learners to showcase their skills, while also helping teachers identify strengths and areas for further improvement. The active participation of students reflected their dedication and enthusiasm towards academic excellence.

Pongal Celebration Classes II-V

The students of **Classes 2 to 5** enthusiastically participated in the **Pongal Celebrations** organized at school. The program highlighted the cultural significance of Pongal, the harvest festival of Tamil Nadu, through vibrant performances including songs, skits, and traditional dance. The celebration provided a meaningful platform for students to showcase their talents while deepening their understanding of cultural traditions and values. The lively participation and creative presentations made the event both educational and enjoyable, reflecting the spirit of togetherness and gratitude that Pongal represents.

Food Carnival at Primrose

The school celebrated the vibrant **Pongal Carnival** with great enthusiasm and joy. Students, parents, and teachers came together to honor the spirit of the harvest festival through a variety of cultural programs, traditional games, and festive activities.

The carnival showcased the rich heritage of Pongal with stalls, decorations, and performances that reflected gratitude and togetherness. The active participation of the school community made the event a memorable occasion, reinforcing the values of unity, culture, and celebration.

Proficiency Award Distribution- III-V

Welcome Address

The school proudly conducted the **Proficiency Awards Distribution Ceremony**, recognizing students who demonstrated exceptional academic performance and consistent dedication to excellence. The event celebrated the hard work, perseverance, and commitment of learners who have set a benchmark for their peers.

The program began with a **welcome address**, setting the tone for the event and acknowledging the hard work of the students.

Proficiency Award Distribution- III-V

This was followed by a **prayer**, invoking blessings for continued success and growth. Teachers and parents applauded the recipients as they received their certificates, appreciating the dedication that led to their success. The ceremony also served as an inspiration for other students, encouraging them to set higher goals and pursue excellence with perseverance.

Proficiency Award Distribution- III-V

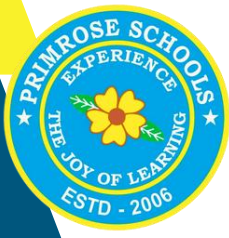

The **Proficiency Awards Ceremony** began with a warm **welcome address** and a **prayer**, setting a dignified tone for the event. This was followed by the **distribution of awards**, where students were recognized for their academic excellence and dedication.

The celebration honored achievement while inspiring all learners to strive for higher goals. Congratulations to the award recipients for their hard work and perseverance.

Proficiency Award Celebration- III-V

The **ceremony** not only recognized individual accomplishments but also inspired all learners to aim higher, reinforcing the **values of discipline, hard work, and determination**. Congratulations to all award winners for their remarkable success.

Morning Assembly – Class 8 Lotus

Class 8 girls conducted an assembly on the occasion of New Year celebrations. The program included a meaningful **message on new beginnings and a special dance performance.** Students also shared their New Year resolutions, reflecting their goals and aspirations. The assembly was vibrant, well-coordinated, and appreciated by all.

PTM – Class 6 & 7

The **Term-2 Parent-Teacher Meeting** was successfully conducted for Classes 6 and 7. The session provided an opportunity for parents to discuss their child's academic progress and overall development with the teachers. It also helped us understand each child better and support them in the most appropriate ways.

Medical Checkup Class 6 to 9

A **medical check-up** was conducted for all students as part of the **school's annual health initiative**. The program aims to monitor students' overall well-being and identify any health concerns at an early stage. Such initiatives help ensure **timely guidance** and **promote a healthy learning environment**.

Medical Checkup Class 6 to 9

As part of our commitment to student well-being, an annual health check-up was organized for all students. This initiative helps in assessing their overall health and detecting any concerns early, ensuring proper care and support for their healthy growth and development.

Prim Talent Exam – Class 6 to 9

The **Prim talent Examination** was conducted for our students to enhance their competitive skills and logical thinking abilities. The exam encouraged students to apply their **knowledge** and **develop problem-solving skills**.

Vasudha Vatsalya jewelry making Class 6 & 7

Vasudha Vatsalya was conducted for Class 6 & 7 students, promoting **creativity and hands-on learning**. One of the key activities included jewelry making using fruits and vegetables, which was both innovative and enjoyable for the students.

Vasudha Vatsalya Clay Modelling Class 6 & 7

Vasudha Vatsalya was conducted for Class 6 and 7 students. As part of the activity, students engaged in **creative clay modelling**, where they designed imaginative creatures beyond Earth, showcasing their creativity and innovation.

Vasudha Vatsalya Pebble Art Class 6 & 7

Vasudha Vatsalya was conducted for Class 6 and 7 students. As part of the activity, students created pebble art based on the **theme of nature**, beautifully depicting natural elements through their creative work. The activity encouraged creativity and helped students express their appreciation for nature.

Vasudha Vatsalya Sizzle and Nrithyala

Class 6 & 7

Vasudha Vatsalya was conducted for **Class 6 and 7** students. Students showcased their talents through Nrithyala and Sizzle Zone, presenting both traditional and western dance forms. The performances were energetic and highlighted their confidence and cultural appreciation.

Vasudha Vatsalya Singing Class 6 & 7

Vasudha Vatsalya was conducted for Class 6 and 7 students, providing a platform to showcase their talents. Students expressed their singing abilities with **confidence and enthusiasm**. The performances were melodious and well appreciated by the audience.

Vasudha Vatsalya Poster Making – Class 6 & 7

Vasudha Vatsalya was conducted for **Class 6 and 7** students, where a poster making activity was organized on the theme of nature. Students displayed creativity by illustrating various elements of the natural world. The activity encouraged awareness and appreciation towards the environment.

Vasudha Vatsalya Fireless cooking – Class 6 & 7

Vasudha Vatsalya was conducted for **Class 6 and 7** students, where they participated in a fireless cooking activity. Students prepared a **variety of creative and delicious dishes** with great enthusiasm. The outcomes were impressive and showcased their teamwork and culinary skills.

Vasudha Vatsalya Rangoli – Class 6 & 7

Vasudha Vatsalya was conducted for Class 6 and 7 students, where a rangoli activity was organized based on the theme of harvest. Students **created vibrant and intricate designs** reflecting agricultural traditions and cultural values. The activity highlighted their creativity and appreciation for festive heritage.

Foot Ball Gold Medal winners – Class 7 & 8

13.01.2026

Our Class 7 and 8 boys participated in a **football tournament** and secured the **gold medal** with an outstanding performance. The team displayed **excellent coordination, determination, and sportsmanship** throughout the competition. Their achievement reflects strong team spirit and dedication, making the school proud.

Pongal Celebration & Carnival

The **Pongal carnival** began with a traditional **bullock cart ride**, setting a festive tone for the celebration. It continued with a variety of food stalls and fun-filled activities for students and parents. The event was lively and enjoyable, creating memorable experiences for everyone.

Pongal Celebration & Carnival

Pongal celebrations were organized in a **unique and engaging** manner through a vibrant carnival, with enthusiastic participation from students and parents. The event also helped students understand **basic entrepreneurial skills**, including managing and doubling their profits. Teachers actively joined the celebrations through rangoli and Pongal-eating competitions, adding to the festive spirit.

Morning Assemble – Class 6 Lotus

Class 6 Lotus conducted an assembly on the theme **“Celebrating the Success of Our Peers.”** The students highlighted the importance of appreciating others’ achievements and fostering a positive environment. The assembly was inspiring and encouraged students to support and motivate one another.

Summative Assessment – 2 Class 8 & 9

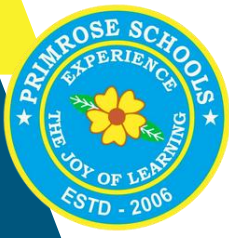

Classes 8 and 9 reached a successful conclusion of their academic year. Students began their **SA-2 examinations** with thorough preparation and focus. The atmosphere reflected **dedication, discipline, and readiness** to perform their best.

Morning Asseble – Class 6 Lily

Class 6 Lily conducted an assembly on the theme **“Celebrating the Success of Our Peers.”** The students emphasized the importance of recognizing achievements and encouraging one another. The assembly was uplifting and promoted a spirit of positivity and appreciation.

Class X And XII PB -1 Art Exam (02/01/2026)

Art is not just about drawing—it's about creativity, expression, and understanding visual language.
The Class 10 Preboard Art Examination is designed to help students prepare confidently for the final board exam by strengthening both practical skills and theoretical knowledge.

Class XI Lily Assembly (06/01/2026)

Class XI conducted the morning assembly on the theme **“Harnessing the Power of Teamwork,”** highlighting the importance of unity, cooperation, and collective effort in achieving success.

The assembly began with a meaningful thought emphasizing that teamwork transforms individual efforts into shared achievements. Through a well-articulated speech, students explained how teamwork plays a **vital role in academics, sports, leadership, and everyday life.** They stressed that collaboration brings together diverse talents, ideas, and perspectives, leading to stronger and more effective outcomes.

Class X, XI And XII Medical Camp (07/01/2026)

Our school recently organized a **Medical Camp** on campus with the aim of promoting health awareness and ensuring the well-being of our students. The camp was conducted by a team of qualified doctors and healthcare professionals who carried out basic health check-ups for students.

During the camp, students underwent general examinations including **height and weight measurement, vision and dental check-ups, and basic health assessments.**

Pongal Celebration (13/01/2026)

A traditional **Pongal pot decoration** and festive displays added color and vibrancy to the event.

Students dressed in traditional attire, creating a joyful and culturally rich atmosphere

Our school celebrated **Pongal**, the harvest festival of Tamil Nadu, with great joy and enthusiasm. The campus was filled with festive spirit as students and teachers came together to honor nature, farmers, and the spirit of gratitude.

The celebration helped students understand the values of unity, gratitude, and respect for nature.

The Pongal celebration was a meaningful and memorable experience for all, reflecting the school's commitment to preserving cultural traditions and encouraging student participation in festive activities

SA-2 Open day For Class X And XII (19/01/2026)

The school organized an **Open Day** for the parents of **Classes X and XII** to strengthen collaboration between parents and teachers and to support students in their academic journey.

The event provided an opportunity for parents to interact directly with subject teachers and discuss their child's academic progress. Teachers shared insights on **student performance, strengths, areas for improvement, and examination preparedness.**

The Open Day proved to be a productive and **meaningful initiative, fostering better understanding and cooperation** between parents, teachers, and students.

SA-2 Practical Exam Biology And AI

The **Class XI Practical Examinations** were conducted successfully in the school in a well-organized and disciplined manner. Students appeared for practical exams in subjects such as **Physics, Chemistry, Biology, and Computer Science**, demonstrating their practical knowledge and laboratory skills.

The examinations focused on assessing students' **experimental skills, observation, accuracy, and understanding of concepts.**

XI SA-2 Business Studies Viva (23/01/2026)

The **Class XI Business Studies Viva Voce** was conducted successfully as part of the internal assessment process. The viva aimed to evaluate students' **conceptual understanding, communication skills, and application of business concepts.**

Students responded confidently to questions related to **business studies fundamentals, case-based scenarios, and real-life applications**

XI SA-2 Fashion Design Practical Exam (23/01/2026)

The **Class XI Fashion Design Practical Examination** was conducted successfully, providing students with an opportunity to showcase their **creativity, technical skills, and design knowledge**. Students presented their work through **sketches, fabric selection, color coordination, and design concepts**. The practical assessed students' understanding of **fashion fundamentals, design elements, and practical application of techniques**. Students displayed originality and confidence while explaining their concepts during the practical.

XI SA -2 Physics Practical Exam (22/01/2026)

The **Class XI Physics Practical Examination** was conducted successfully in the school laboratory. The examination aimed to assess students' **experimental skills, observation, accuracy, and understanding of fundamental physics concepts**. Students performed experiments related to **measurement, laws of motion, and basic electrical circuits**, applying theoretical knowledge to practical situations.

XI SA -2 Chemistry Practical Exam (22/01/2026)

The **Class XI Chemistry Practical Examination** was conducted successfully in the school laboratory as part of the internal assessment. The examination evaluated students' **laboratory skills, accuracy, observation, and understanding of basic chemical concepts.**

Students performed experiments related to **volumetric analysis, salt analysis, and basic laboratory techniques,** following proper procedures and safety measures

ISC Exam Orientation For Heads of Schools (20/01/2026)

As the Convener of the **Board Examination Orientation Programme**, I am pleased to report that the session for **Class XII students** was successfully conducted for all schools. The programme was designed to support students in their preparation for the upcoming board examinations and to help them approach the exams with confidence and clarity. During the orientation, students were guided on **exam pattern, marking scheme, effective time management, revision strategies, and answer-writing techniques**. The session also emphasized the importance of **stress management, discipline, and maintaining a positive mindset** during the examination period.

ISC Exam Training For Class X,XI and XII Teachers (23/01/2026 & 24/1/2026)

A training programme on **ISC Competency Questions** was successfully conducted for high school teachers. The session aimed to enhance teachers' understanding of the **ISC assessment pattern and competency-based question formats**, enabling them to effectively prepare students for board examinations.

Teachers were trained on various aspects of competency-based questions including **question framing, marking schemes, concept-based teaching, and effective classroom strategies**.

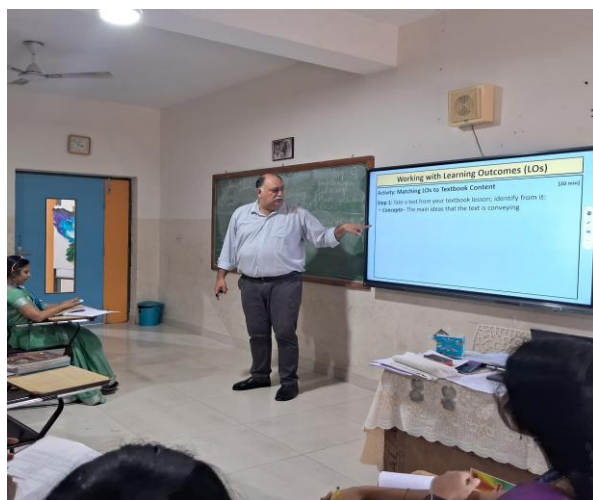

ISC Exam Training For Class X,XI and XII Teachers (23/01/2026 & 24/1/2026)

Through practical demonstrations and group activities, teachers learned how to make lessons more **engaging and student-centered**, while aligning teaching methods with the **ISC curriculum**.

The training emphasized **Activity-Based Learning (ABL)**, where teachers actively engaged in hands-on activities and interactive exercises.

they were trained on **question framing, marking schemes, and concept-based teaching**, along with innovative classroom strategies to promote deeper understanding and critical thinking.

Republic Day Celebration

(26/01/2026)

The school celebrated **Republic Day** with great pride and enthusiasm. The event began with the **hoisting of the National Flag**, followed by the singing of the **National Anthem**, creating a patriotic and respectful atmosphere.

Students presented a variety of cultural programs including **patriotic songs, speeches, dance performances, and skits**, highlighting the significance of the Constitution and the values of unity, freedom, and democracy. The celebration also emphasized the importance of respecting our nation and its democratic ideals.

The event was attended by students, teachers, and staff, reflecting the school's commitment to instilling national pride and civic responsibility in students.

Class X L3 Board Exam

(29/01/2026)

The **L3 Tamil Examination for Class X** was conducted successfully in the school. The exam aimed to assess students' proficiency in **Tamil language skills**, including reading, writing, grammar, and comprehension.

Students appeared for the examination with focus and confidence. The assessment helped students showcase their learning progress and strengthen their understanding of Tamil literature and language concepts. Teachers ensured that the exam was conducted smoothly and fairly, following all necessary guidelines.

Class X L3 Board Exam (29/01/2026)

The school organized a **Board Exam Orientation Programme for Class X students and their parents** to help them prepare effectively for the upcoming board examinations. The session aimed to provide clear guidance on the **exam pattern, marking scheme, and effective preparation strategies**.

During the orientation, teachers explained important guidelines related to the board exams, including **question paper structure, time management, revision techniques, and answer-writing skills**. Parents were also advised on how to support their children at home by creating a positive study environment and encouraging regular revision.

The programme emphasized the importance of **cooperation between students, parents, and teachers** to ensure academic success. The session concluded with an interactive Q&A where parents and students clarified their doubts and received useful tips for exam preparation.
